Nehru Rules Out Force In India Crisis

Rejects Proposal That Chinese Road Be Hit From Air

NEW DELHI (AP) — Prime Minister Nehru today ruled out any immediate use of force against Chinese Communist troops his government charges have occupied Indian territory at two points on the Tibetian frontier.

Nehru rejected a suggestion in parliament that the Indian Air Force bomb a road the Chinese reportedly have built across uninhabited territory in the Ladakh sector of Kashmir State.

"Countries should not go to war without examining other ways to settle such matters," Nehru told parliament in rejecting the bombing suggestion by members of the Praja Socialist Party.

The Chinese moved into the northern edge of Ladakh and built the road in 1957. Members angrily pointed out that Peiping had ignored India's complaints about their intrusion into Ladakh since last November. They asked what the government proposed to do.

"Send more reminders, Nehru replied, adding, "we hope this will be settled by discussions and conferences, and we do not propose to go to war."

As Nehru planned a series of talks with leaders of other states adjoining Chinese-occupied Tibet, Indian army troops were rushed to strengthen border guards on the northeast frontier, the other area threatened by the Chinese.

Nehru said the Chinese had produced old maps to back up their claims on the Ladakh territory. India disagreed with the claim, he continued, but this could be a matter for discussion.

But the Prime Minister termed the border crossings on the northeast frontier clear aggression. He confirmed unofficial reports that one Indian guard was killed when the Chinese attacked the Indian border post of Longju, on the northeast frontier, Aug. 25. Two other border guards are missing.

The exiled Dalai Lama of Tibet meanwhile called on the United Nations to take up Chinese Communist suppression in his Himalayan kingdom. "The suffering of my people is beyond description," the self-exiled young ruler said in a statement issued in New Delhi.

Lt. Gen. S. P. P. Thorat, head of India's Eastern Command, was reported summoned to New Delhi for consultations. Two high Indian army officers flew over the Northeast Frontier area border with Tibet to study the feasability of dropping paratroops, although Nehru told Parliament Friday drops in the jungled, mountainous area were not feasible.

Nehru confers first Tuesday with President Mohammed Ayub Khan of Pakistan, who will make a refueling stop in Delhi en route to East Pakistan.

The Indian prime minister will confer on Wednesday with the Dalai Lama, who is coming here from his exile home in Mussoorie, northern India. Next week Nehru will see Prime Minister Jigme Dorji of Bhutan and Prime Minister N. K. Rustomji of Sikkim, tiny protectorates between India and Tibet. Nehru warned Peiping last week his government will defend both protectorates from any aggression.

The Dalai Lama reportedly will ask Nehru to confer emigre government status on his entourage. Nehru has refused so far to take such a step for fear of offending Peiping.

In his statement, the Dalai Lama said the situation in Tibet had become "immeasurably darker and gloomier" since he fled to India last March when Chinese Reds were stamping out an uprising in Lhasa.

"I have no alternative than to appeal to the United Nations for the verdict of peace-loving and conscientious nations of the world," the god-king said, adding a "personal appeal to all the civilized countries of the world to lend the fullest support to our cause for freedom and justice."

Voluntary Imprisonment

'It Was Like Death,' Says Student Who Hid Away In Eaves Of Church

ANN ARBOR, Mich. (AP)—"It was like death. I talked to myself more and more," Chheng Guan Lim said today describing his four-year voluntary imprisonment in the eaves of the First Methodist Church here.

Chheng, flushed out of his hiding place Sunday by police, told incredulous authorities and University of Michigan officials he went into hiding after the Michigan-Navy football game in 1955 to save face after failing in his studies in the university's engineering college.

The 28-year-old Chinese student said he hadn't spoken to anyone during the four years. He said he subsisted on scraps of food picked up from the church kitchen following social activities.

Chheng, son of a Singapore school teacher, said he brushed his teeth with burnt match sticks, cut his hair with a pair of shears and trimmed his beard with a set of tweezers.

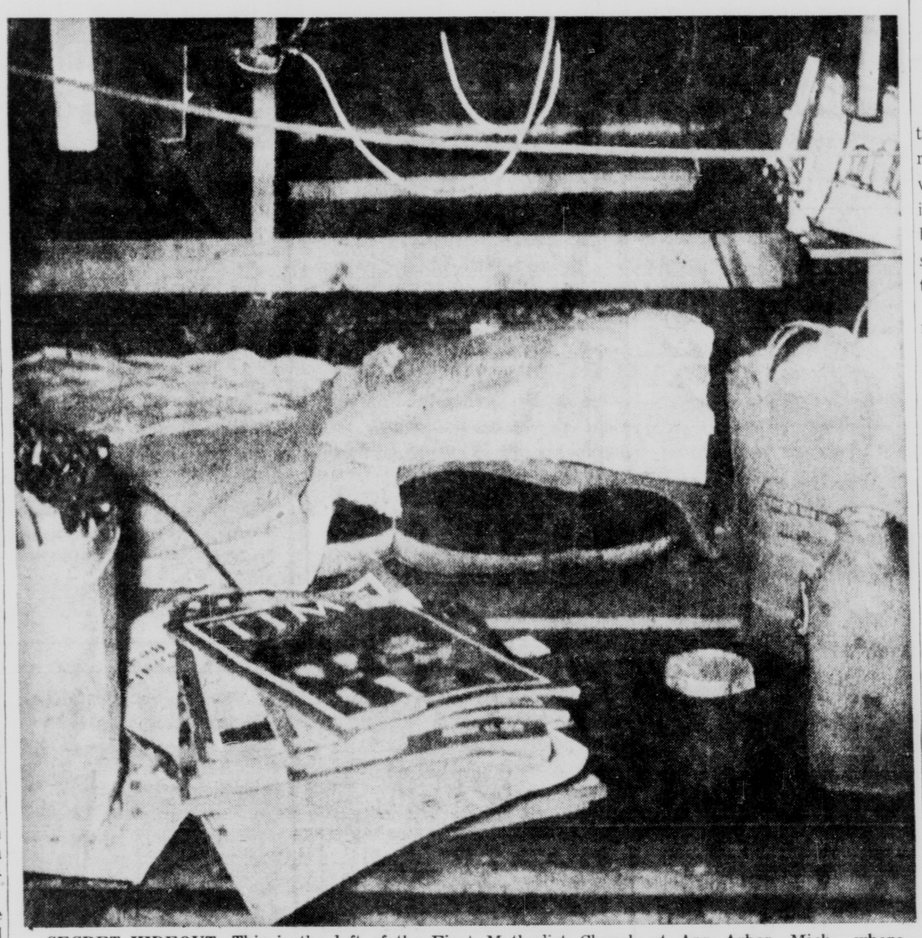

His strange existence was discovered after private police were hired to check the church building after complaints of prowlers.

Officers entered the building after a couple living in the basement heard noises. They heard a door slam and went to the eaves where Chheng was found.

The student was found doubled up under a catwalk. He was wearing a pair of shorts. Beneath a paper tent were his blankets, an earphone radio and a jar of instant coffee.

Chheng said he decided on the hiding place after the football game and entered it to stay after

Full Cooperation Of DeGaulle Is One Of Goals To Be Pushed

LONDON (AP) — Cheered by thousands, President Eisenhower returned to London today from weekend talks with Prime Minister Harold Macmillan that brought broad agreement on the strategy of future cold war negotiations.

Qualified informants outlined results of the conference of the two leaders at Chequers, the Prime Minister's country estate.

They said Eisenhower and Macmillan displayed a resolve to do all they can to bring French President Charles de Gaulle back into full cooperation in the North Atlantic Alliance.

Eisenhower's coming exchange of visits with Soviet Premier Nikita Khrushchev was said to have been the most important single topic covered in the American-British exchanges.

Other subjects covered by the two men—sometimes with Secretary of State Christian A. Herter and Foreign Secretary Selwayn Lloyd sitting in—included:

1. Plans for a new Western approach toward an East-West disarmament program. This approach was said to take into account an American idea that would make a cutoff of nuclear weapon production under tight controls a starting point of the program.

2. A possible compromise formmula on key issues holding up an agreement in the Big Three Geneva conference on banning of nuclear weapons tests. No details were given.

3. The East-West deadlock over the future of Berlin and Germany. Eisenhower was said to have indicated that he will discuss this issue informally with Khrushchev in Washington next month.

4. U.S.-British defense matters and ways of militarily strengthening the North Atlantic Treaty Organization. Again no details were given.

5. Eisenhower's ideas for a big new effort to help raise living standards in the have-not nations of the world. Britain already is pledged to cooperate with the United States along these lines. But

Gain Of 1,000 Set By Crowd At County Fair

Turnout Of 32,000 Estimated As 5-Day Spectacle Closes

LISBON — Aided by perfect weather and a record number of exhibitors, Columbiana County's 114th annual Fair lived up to predictions of "bigger and better," according to J. Richard Stamp of Salem, president of the Fair Board.

Attendance Saturday was estimated at near 6,000, bringing to over 32,000 the total for the five-day exposition. Attendance last year was approximately 31,000.

Secretary Clarence Crosser of Lisbon said paid admissions totaled 15,531. Children under 12, exhibitors, horsemen and concessionaires were admitted free.

Stamp and other members of the board said they were "pleased with the response and grateful for the co-operation of exhibitors and all others who made the fair a success."

Big acts Saturday evening were the balloon ascension and parachute drop and "Frosty Follies Ice Revue," which played to 630 paying spectators in the grandstand.

John Oliver, Lisbon's 72-year-old aeronaut, soared 2,500 feet in his hot air balloon and rode his 45-year-old parachute to a shock-free landing in North Park Pl. Addition, a residential development a half mile west of the fairgrounds.

Chief Deputy Sheriff James Miller said Oliver's chute caught on guy wires at an intersection and stopped him two feet short of the pavement. John let loose, landed lightly and stepped into the cruiser for the ride back to the grounds.

The homemade muslin balloon floated for 20 minutes, landing in trees at McKinley Boy Scout Reservation two miles west of town.

Big and little pony teams vied in a pulling contest Saturday morning. Results follow:

Class A — under 46 inches: Richard Moore, Ravenna, first; Kenneth Rockhold, Hubbard, second, Ned Shoemaker, Louisville, third.

Class B — 46 to 52 inches: Moore; Ritchie Sisters, Warren, and Paul Mulbock, Akron.

In draft horse judging, Carl Van Voorhis of East Canton had all the entires in registered Percherons and won all the ribbons. Winners in other classes follow:

Belgians — Charlie Sheen, Salem, 4 firsts, grand champion stallion; Tom Cox, Lisbon, 2 firsts, grand champion mare.

Grade Percherons — Van Voorhis, 2 firsts; Richard Rudibaugh, Lisbon, 1 first.

Grade Belgians — Rudibaugh, 1 first, grand champion gelding; Van Voorhis, grand champion mare.

3-Way Crash Hurts 9 Near Silver Switch

2 Children Remain Hospitalized After Route 7 Mishap

A three-car crash on the East Liverpool-Wellsville "super road" at Silver Switch Sunday night injured nine adults and youngsters, leaving two young sisters in City Hospital today. The State Highway Patrol reported three other area mishaps over the weekend.

In "fair" condition this morning are Patricia Daniels, 6, and Treva Daniels, 7, children of Mr. and Mrs. James Daniels of Simmons Rd., Westfield, whose station wagon was battered in the "super road" crash.

The patrol said Daniels, headed north, had halted at Silver Switch about 6:45 p. m. to turn left onto the Campground Rd. when his station wagon was rammed from behind by a car driven by Charles Twyford, 24, of 117 1-2 E. 6th St.

Twyford's 1959 coach then bounced into another northbound auto driven by Lloyd Dittmer, 49, of 553 Louisiana Ave., Chester, who was passing Daniel's vehicle in the other lane.

Twyford, who was treated at the hospital for a laceration of the forehead and abrasions of both knees, was charged with speeding in excess of road conditions, the patrol reported. His car was demolished, officers said.

Patricia Daniels, thrown to the floor of the station wagon by the impact, suffered a perforated ear drum and possible skull fracture. Her sister, Treva, received bruises of the nose and upper lip. Both were to be X-rayed this morning to determine the extent of their injuries.

Daniels, 30, a packer at the Taylor, Smith & Taylor Co., was treated for abrasions and contusions of the shoulder, right ear and a cut and abrasions of the left wrist.

Mrs. Estella Daniels, wife of the driver, suffered abrasions of the right leg. Three other children treated at the hospital were James, 5, bruises of the neck, elbow and back; Jane, 3, forehead bruises, and Kathy, 1½, multiple bruises.

Miss Mary Daniels, 10, of 326 2nd St., Wellsville, sister of the driver, was treated for bruises of

Strike Awaited Tonight At Bliss Plant In Salem

A strike is anticipated at midnight tonight by steelworkers at the E. W. Bliss Co. Rolling Mill Division plant at Salem.

Company and United Steelworkers Union officials have failed to reach an agreement or set up a contract extension in negotiations. The expiring contract also is expected to close a Bliss plant at Canton.

A Salem company official said the traditional policy is "no contract—no work." The Mackintosh-Hemphill Division of Bliss at Midland has been closed by a strike since midnight June 30. Contract extension talks held Thursday at Midland proved fruitless.

New company - union negotiations were scheduled this afternion at Salem.

7,800 Launch New Hancock School Term

Enrollment Climbs 300 Over Number Signed Last Term

Approximately 7,800 pupils were enrolled in Hancock County's schools this morning as the 1959-60 term opened.

The enrollment shows an increase of about 300 pupils over last year, although complete attendance figures from the 17 schools are not compiled yet, the County Board of Education office in New Cumberland said.

One of the largest increases in number of pupils was reported from Wells High School in Newell. Principal Harold D. Gregory said 322 were enrolled, as compared to 270 on the first day of classes in 1958.

Pughtown elementary school had an increase of 15 pupils with a total of 95 this morning, Principal R. O. Stevens said.

A new $340,000 elementary school for Pughtown students is expected to open in early December. Bulldozers completing grading around the new building caused a muddy area in the vicinity of the school entrance and a complaint was made of children getting their feet wet and muddy.

Other enrollment figures this morning were: Chester High School, 323; Chester Central, 389; Chester Elementary, 563; Chester Washington, 108; Chester Grandview, 103; Jefferson in Newell, 410, Weir High School in Weirton, 1,182, and New Cumberland High School, 386.

Supt. Robert H. Hall plans to compile attendance figures for the next two days to figure exact enrollments at each building.

Twenty - eight Chester preschool children were enrolled at the Junior Women's Club play school at the American Legion home this morning, Mrs. Norma Hobbs, playschool chairman, reported.

Statewide Tour Begins

Achieving Goals, DiSalle Declares

WARREN, Ohio (AP) — Gov. Michael V. DiSalle says his administration has met and is taking care of its responsibilities.

That was his theme over the weekend in his first three appearances on a 3½-week statewide tour to explain his program.

Speaking at the annual Trumbull County Democratic picnic Sunday, he said Ohio's new Department of Industrial and Economic Development will go to work to create one million jobs in the next 10 years. This is the goal which must be achieved to keep up with the state's growth and to offer opportunity to its youth, he said.

Approximately 300 persons waited for nearly two hours in the rain to hear his speech. About 600 others were chased home when a thunderstorm broke and delayed DiSalle's arrival from Columbus.

The governor began his tour Saturday afternoon by addressing a crowd of 300 at a school in Dayton. Then he addressed about 600 persons at a Democratic rally in Canton Saturday night.

He recalled that when he visited Warren during his campaign last year he promised to fight for improved pensions for the aged and to initiate a state program to encourage industrial development.

He said these promises have been kept with the passage of legislation to raise the $65-per-month ceiling on aid for the aged payments and to create the Department of Industrial and Economic Development.

Increasing the payments to the aged was one of the reasons that more taxes were needed, he explained.

DiSalle asserted that making more people eligible for aged pensions would cost the state about 12 million dollars and asked:

"Is it worth $1.10 a year to know that you are being decent to your neighbors who can't take care of themselves?"

DiSalle told his Canton audience that increased taxes were necessary because of the growth of the state and that the people should be prepared for continued increases in costs because of continued growth.

The state's problems are being met because the Democratic majority in the Legislature "had the courage" to face them, he said.

"The Legislature had the courage to increase the gasoline tax, but every mile of road that is being built will be paid for when it is laid down," he added.

"For years the opposition has been talking about pay-as-you-go, but it borrowed and deferred payment until the day came when it went out of office."

Ohio can face the future without fear because it is on a cash basis, DiSalle said.

The governor explained at Dayton that he raised taxes to keep Ohio off a stall-and-installment plan — stall in getting projects under way and later paying for them in installments.

The state is on a more economical pay-as-you-go basis and fully capable of meeting its responsibilities as a result of the increased taxes, he said.

DiSalle explained that Ohio can save 20 per cent by undertaking its projects on a cash basis instead of borrowing through bonds and paying in installments.

He said he did not choose to continue deficit spending and stall on some of the state's responsibilities although it would have been politically easier that way.

"Industries who may want to locate here will know we are sound financially," he said.

FBI To Make Check To Help Assault Probe

Blood Samples Sent To Federal Agency From Chester Case

Hancock County sheriff's deputies have sent samples of blood to the Federal Bureau of Investigation in Washington in connection with the pistol whipping of a young Chester woman early Friday morning in her Carolina Ave. apartment.

The victim of the beating by a prowler wearing a white mask and white goves was Miss Peggy Joan Stoltz, 21, of 500 Carolina Ave., who is in "fair" condition at City Hospital with cuts and bruises of the head and face.

Miss Stoltz told deputies she was surprised by the intruder at about 1:30 a. m. and threatened with a pistol and a jacknife brandished by the masked man, believed about 30 years old.

The blood sent to the FBI was samples taken from Miss Stoltz's clothing and samples from the sidewalk where the victim fled after the alleged mauling.

Deputies believe the man may be suffering from self - inflicted gun wounds or was cut by Miss Stoltz, who had managed to obtain the intruder's knife during a struggle.

Deputies are continuing their search in the Chester area for a young man wounded about the head. Jack Boyd, who lives near Miss Stoltz, told deputies he struck the prowler twice on the head with a soft drink bottle while the prowler was escaping through a rear window.

Deputies planned to talk further with the victim today in attempts to pinpoint the prowler's identity.

Feeling Cold? Mercury Hits Normal Range

Their blood thinned by two weeks of excessive heat, East Liverpool area residents could complain of the "old" weather today after weekend showers and strong winds dropped the mercury back to a normal August range.

The mercury today will range up to a high of 80-85 and the overnight low will be 60-65, just right for restful sleep, the forecaster said. There also is a chance of showers today, he added.

Nehru Rules Out Force In India Crisis

Rejects Proposal That Chinese Road Be Hit From Air

NEW DELHI (AP) — Prime Minister Nehru today ruled out any immediate use of force against Chinese Communist troops his government charges have occupied Indian territory at two points on the Tibetian frontier.

Nehru rejected a suggestion in parliament that the Indian Air Force bomb a road the Chinese reportedly have built across uninhabited territory in the Ladakh sector of Kashmir State.

"Countries should not go to war without examining other ways to settle such matters," Nehru told parliament in rejecting the bombing suggestion by members of the Praja Socialist Party.

3-Way Crash Hurts 9 Near Silver Switch

2 Children Remain Hospitalized After Route 7 Mishap

A three-car crash on the East Liverpool-Wellsville "super road" at Silver Switch Sunday night injured nine adults and youngsters, leaving two young sisters in City Hospital today. The State Highway Patrol reported three other area mishaps over the weekend.

In "fair" condition this morning are Patricia Daniels, 6, and Treva Daniels, 7, children of Mr. and Mrs. James Daniels of Simmons Rd., Westfield, whose station wagon was battered in the "super road" crash.

The patrol said Daniels, headed north, had halted at Silver Switch about 6:45 p. m. to turn left onto the Campground Rd. when his station wagon was rammed from behind by a car driven by Charles Twyford, 24, of 117 1-2 E. 6th St.

Twyford's 1959 coach then bounced into another northbound auto driven by Lloyd Dittmer, 49, of 553 Louisiana Ave., Chester, who was passing Daniel's vehicle in the other lane.

Twyford, who was treated at the hospital for a laceration of the forehead and abrasions of both knees, was charged with speeding in excess of road conditions, the patrol reported. His car was demolished, officers said.

Patricia Daniels, thrown to the floor of the station wagon by the impact, suffered a perforated ear drum and possible skull fracture. Her sister, Treva, received bruises of the nose and upper lip. Both were to be X-rayed this morning to determine the extent of their injuries.

Daniels, 30, a packer at the Taylor, Smith & Taylor Co., was treated for abrasions and contusions of the shoulder, right ear and a cut and abrasions of the left wrist.

Mrs. Estella Daniels, wife of the driver, suffered abrasions of the right leg. Three other children treated at the hospital were James, 5, bruises of the neck, elbow and back; Jane, 3, forehead bruises, and Kathy, 1½, multiple bruises.

7,800 Launch New Hancock School Term

Enrollment Climbs 300 Over Number Signed Last Term

Approximately 7,800 pupils were enrolled in Hancock County's schools this morning as the 1959-60 term opened.

The enrollment shows an increase of about 300 pupils over last year, although complete attendance figures from the 17 schools are not compiled yet, the County Board of Education office in New Cumberland said.

One of the largest increases in number of pupils was reported from Wells High School in Newell. Principal Harold D. Gregory said 322 were enrolled, as compared to 270 on the first day of classes in 1958.

Pughtown elementary school had an increase of 15 pupils with a total of 95 this morning, Principal R. O. Stevens said.

A new $340,000 elementary school for Pughtown students is expected to open in early December. Bulldozers completing grading around the new building caused a muddy area in the vicinity of the school entrance and a complaint was made of children getting their feet wet and muddy.

Other enrollment figures this morning were: Chester High School, 323; Chester Central, 389; Chester Elementary, 563; Chester Washington, 108; Chester Grandview, 103; Jefferson in Newell, 410, Weir High School in Weirton, 1,182, and New Cumberland High School, 386.

Supt. Robert H. Hall plans to compile attendance figures for the next two days to figure exact enrollments at each building.

Twenty - eight Chester preschool children were enrolled at the Junior Women's Club play school at the American Legion home this morning, Mrs. Norma Hobbs, playschool chairman, reported.

Statewide Tour Begins

Achieving Goals, DiSalle Declares

WARREN, Ohio (AP) — Gov. Michael V. DiSalle says his administration has met and is taking care of its responsibilities.

That was his theme over the weekend in his first three appearances on a 3½-week statewide tour to explain his program.

Speaking at the annual Trumbull County Democratic picnic Sunday, he said Ohio's new Department of Industrial and Economic Development will go to work to create one million jobs in the next 10 years. This is the goal which must be achieved to keep up with the state's growth and to offer opportunity to its youth, he said.

Approximately 300 persons waited for nearly two hours in the rain to hear his speech. About 600 others were chased home when a thunderstorm broke and delayed DiSalle's arrival from Columbus.

The governor began his tour Saturday afternoon by addressing a crowd of 300 at a school in Dayton. Then he addressed about 600 persons at a Democratic rally in Canton Saturday night.

He recalled that when he visited Warren during his campaign last year he promised to fight for improved pensions for the aged and to initiate a state program to encourage industrial development.

He said these promises have been kept with the passage of legislation to raise the $65-per-month ceiling on aid for the aged payments and to create the Department of Industrial and Economic Development.

Increasing the payments to the aged was one of the reasons that more taxes were needed, he explained.

DiSalle asserted that making more people eligible for aged pensions would cost the state about 12 million dollars and asked:

"Is it worth $1.10 a year to know that you are being decent to your neighbors who can't take care of themselves?"

DiSalle told his Canton audience that increased taxes were necessary because of the growth of the state and that the people should be prepared for continued increases in costs because of continued growth.

The state's problems are being met because the Democratic majority in the Legislature "had the courage" to face them, he said.

"The Legislature had the courage to increase the gasoline tax, but every mile of road that is being built will be paid for when it is laid down," he added.

"For years the opposition has been talking about pay-as-you-go, but it borrowed and deferred payment until the day came when it went out of office."

Ohio can face the future without fear because it is on a cash basis, DiSalle said.

The governor explained at Dayton that he raised taxes to keep Ohio off a stall-and-installment plan — stall in getting projects under way and later paying for them in installments.

The state is on a more economical pay-as-you-go basis and fully capable of meeting its responsibilities as a result of the increased taxes, he said.

DiSalle explained that Ohio can save 20 per cent by undertaking its projects on a cash basis instead of borrowing through bonds and paying in installments.

He said he did not choose to continue deficit spending and stall on some of the state's responsibilities although it would have been politically easier that way.

"Industries who may want to locate here will know we are sound financially," he said.

Leads In Parliament

SAIGON, South Viet Nam (AP) —With 19 of 123 seats still undecided, Premier Ngo Dinh Diem's National Revolution Movement today held a slight majority in South Viet Nam's New Parliament.

FBI To Make Check To Help Assault Probe

Blood Samples Sent To Federal Agency From Chester Case

Hancock County sheriff's deputies have sent samples of blood to the Federal Bureau of Investigation in Washington in connection with the pistol whipping of a young Chester woman early Friday morning in her Carolina Ave. apartment.

The victim of the beating by a prowler wearing a white mask and white goves was Miss Peggy Joan Stoltz, 21, of 500 Carolina Ave., who is in "fair" condition at City Hospital with cuts and bruises of the head and face.

Miss Stoltz told deputies she was surprised by the intruder at about 1:30 a. m. and threatened with a pistol and a jacknife brandished by the masked man, believed about 30 years old.

The blood sent to the FBI was samples taken from Miss Stoltz's clothing and samples from the sidewalk where the victim fled after the alleged mauling.

Deputies believe the man may be suffering from self - inflicted gun wounds or was cut by Miss Stoltz, who had managed to obtain the intruder's knife during a struggle.

Deputies are continuing their search in the Chester area for a young man wounded about the head. Jack Boyd, who lives near Miss Stoltz, told deputies he struck the prowler twice on the head with a soft drink bottle while the prowler was escaping through a rear window.

Deputies planned to talk further with the victim today in attempts to pinpoint the prowler's identity.

Released By Kassem

BEIRUT, Lebanon, (AP)—In an apparent move to ease tensions, Premier Abdel Karim Kassem has ordered the release of all students and teachers jailed in connection with the revolts and riots that have plagued his regime. The number was not disclosed.

Feeling Cold? Mercury Hits Normal Range

Their blood thinned by two weeks of excessive heat, East Liverpool area residents could complain of the "old" weather today after weekend showers and strong winds dropped the mercury back to a normal August range.

What's more, the pleasant weather will remain at least through Tuesday, the Ohio forecaster said. That was like a promise of the millenium after two weeks of temperatures in the 90's and high humidity.

The mercury today will range up to a high of 80-85 and the overnight low will be 60-65, just right for restful sleep, the forecaster said. There also is a chance of showers today, he added.

Tuesday will be partly cloudly with little temperature change.

Brisk, cool winds, followed by showers, helped drop the mer-

Legal Sales Of Whisky Will Start In Oklahoma

OKLAHOMA CITY (AP)—Oklahomans today prepared to come off the wagon legally for the first time in 52 years.

It is the last full day of a prohibition era which began at statehood Nov. 16, 1907. Legal sales over the counter will begin at 10 a.m. Tuesday at an estimated 500 package stores.

Retailers rushed to get stocks on the shelves as state officials cleared the way for the new industry.

Gov. J. Howard Edmondson has called for an era of temperance. Elizabeth House, of Stillwater, president of the Woman's Christian Temperance Union, has asked Oklahomans to pray for protection "from this terrible holocaust of liquor."

The clock began running out on prohibition last April 7 when Oklahoma voted for repeal. Nearly three months later the Legislature finished a control bill. Since then the Alcoholic Beverage Control Board has been busily setting up regulations and issuing licenses.

Whisky and other liquors have been shipped into the state steadily in recent days. Supplies will still be incomplete on opening day, however, because of slow delivery of state tax stamps.

Under the repeal act stores will be limited to cities of more than 200 population. No public drinking will be permitted although private clubs apparently are planning to operate.

Bootleggers have been closing doors in recent days. Some, however, say they will stay in business and can beat the prices of legal sales based on the state's tax of $2.40 per gallon.

But the last stronghold of "the boots"—as they have been called in Oklahoma—may be Mississippi, only state in the Union that remains constitutionally dry.

She'll Remain Green

WASHINGTON (AP) — The Capitol dome will be painted oyster white next month. But the Statue of Freedom, atop the dome, will stay green. The old girl has stood there for 96 years. And through the years she has acquired the coat of green, from contact between the copper in her bronze statue and the moist air. Capitol architects believe the patina will help protect the 19-foot figure from further oxidation.

Soviet Schools Open

MOSCOW (AP) — Soviet higher education institutions begin a new school year Tuesday with 470,000 new enrollments, the Soviet news agency Tass said today. About one million students now study through some 300 correspondence schools.

First Step Due On Sewer Job

First enabling legislation will be presented to Council at its next regular meeting Sept. 8 for relocation and repair of the big Carpenters Run trunk line sewer.

A briefing on the necessity for the project was given councilmen Saturday in a meeting with Mayor Fred P. Lawrence, Safety-Service Director Joseph F. Ross and City Engineer George S. Bloomgren.

The cost has been estimated at $100,000, but the city expects to receive at least $33,000 in federal aid.

Part of the line—the section nearest the city limits in California Hollow—will be relocated in connection with the construction of the first stage of the four-lane freeway that will end at W. 3rd and Monroe Sts. Other sections of the line have collapsed over the years, allowing raw sewage to seep into the run.

The initial legislation is expected to authorize the director to seek bids on preparation of plans for the project.

Attending the session were President B. E. Warner and Councilmen William Y. Orr, W. E. Kaiser, Samuel B. Webber, Robert W. Sample Jr., George E. Willshaw and A. Stanley Kidder.

Council also discussed legislation to finance an extensive sealcoating on outer St. Clair Ave. to help preserve the blacktop over the winter.

The financing legislation also will be presented at the Sept. 8 meeting.

In Line Of Duty

NEW YORK (AP) — Patrolman Robert Dezendorf Jr., 53, delivered a baby while on duty in Brooklyn Sunday, but he remained unruffled. It was his 40th delivery in 21 years on the force.

The motto of New Hampshire is "Live Free or Die." The Granite State soldiers were among those fighting at the Battle of Bunker Hill.

Jews Seek Meeting

NEW YORK (AP)—Jewish leaders in the United States are trying to arrange a talk with Soviet Premier Nikita Khrushchev to discuss reports of anti-Semitic actions behind the Iron Curtain.

Japan has "okonomi-yaki" or "do-it-yourself" restaurants. Waitresses bring a tray of ingredients and the diner cooks his own meal on a small grill.

Trade over the Santa Fe Trail reached its peak in 1831, when 130 wagons made the trip from Independence, Mo., to Santa Fe, N. M., carrying cargo valued at $250,000.

Legal Sales Of Whisky Will Start In Oklahoma

OKLAHOMA CITY (AP)—Oklahomans today prepared to come off the wagon legally for the first time in 52 years.

It is the last full day of a prohibition era which began at statehood Nov. 16, 1907. Legal sales over the counter will begin at 10 a.m. Tuesday at an estimated 500 package stores.

Retailers rushed to get stocks on the shelves as state officials cleared the way for the new industry.

Gov. J. Howard Edmondson has called for an era of temperance. Elizabeth House, of Stillwater, president of the Woman's Christian Temperance Union, has asked Oklahomans to pray for protection "from this terrible holocaust of liquor."

The clock began running out on prohibition last April 7 when Oklahoma voted for repeal. Nearly three months later the Legislature finished a control bill. Since then the Alcoholic Beverage Control Board has been busily setting up regulations and issuing licenses.

Whisky and other liquors have been shipped into the state steadily in recent days. Supplies will still be incomplete on opening day, however, because of slow delivery of state tax stamps.

Under the repeal act stores will be limited to cities of more than 200 population. No public drinking will be permitted although private clubs apparently are planning to operate.

Bootleggers have been closing doors in recent days. Some, however, say they will stay in business and can beat the prices of legal sales based on the state's tax of $2.40 per gallon.

But the last stronghold of "the boots"—as they have been called in Oklahoma—may be Mississippi, only state in the Union that remains constitutionally dry.

She'll Remain Green

WASHINGTON (AP) — The Capitol dome will be painted oyster white next month. But the Statue of Freedom, atop the dome, will stay green. The old girl has stood there for 96 years. And through the years she has acquired the coat of green, from contact between the copper in her bronze statue and the moist air. Capitol architects believe the patina will help protect the 19-foot figure from further oxidation.

Soviet Schools Open

MOSCOW (AP) — Soviet higher education institutions begin a new school year Tuesday with 470,000 new enrollments, the Soviet news agency Tass said today. About one million students now study through some 300 correspondence schools.

First Step Due On Sewer Job

First enabling legislation will be presented to Council at its next regular meeting Sept. 8 for relocation and repair of the big Carpenters Run trunk line sewer.

A briefing on the necessity for the project was given councilmen Saturday in a meeting with Mayor Fred P. Lawrence, Safety-Service Director Joseph F. Ross and City Engineer George S. Bloomgren.

The cost has been estimated at $100,000, but the city expects to receive at least $33,000 in federal aid.

Part of the line—the section nearest the city limits in California Hollow—will be relocated in connection with the construction of the first stage of the four-lane freeway that will end at W. 3rd and Monroe Sts. Other sections of the line have collapsed over the years, allowing raw sewage to seep into the run.

The initial legislation is expected to authorize the director to seek bids on preparation of plans for the project.

Attending the session were President B. E. Warner and Councilmen William Y. Orr, W. E. Kaiser, Samuel B. Webber, Robert W. Sample Jr., George E. Willshaw and A. Stanley Kidder.

Council also discussed legislation to finance an extensive sealcoating on outer St. Clair Ave. to help preserve the blacktop over the winter.

The financing legislation also will be presented at the Sept. 8 meeting.

Jews Seek Meeting

NEW YORK (AP)—Jewish leaders in the United States are trying to arrange a talk with Soviet Premier Nikita Khrushchev to discuss reports of anti-Semitic actions behind the Iron Curtain.

Japan has "okonomi-yaki" or "do-it-yourself" restaurants. Waitresses bring a tray of ingredients and the diner cooks his own meal on a small grill.

Trade over the Santa Fe Trail reached its peak in 1831, when 130 wagons made the trip from Independence, Mo., to Santa Fe, N. M., carrying cargo valued at $250,000.

Congressmen—Go Home

It is agreed by those who know Washington best that the first session of the 86th Congress is about to run out of reasons to stay on the job.

Though the feelings of the people back home have no bearing on congressional adjournment, it has been their feeling most of the summer that Congress should have been in adjournment and would have been, barring the flimsy excuse that some non-existent national emergency justified its staying in session.

This year's legislative session, like many of its predecessors, has been dragged out to the point where it ceases to reflect the will of the people and reflects only the maneuvering of politicians stalling for time on issues that could have been cleaned up months ago.

This is the kind of legislative attrition that wears down the members of state legislatures who are held in session longer than necessary, to give all the lobbyists a fair crack at them. In Washington, the lobbying is on a bigger scale.

SOUTHERNERS in Congress must stall off civil rights legislation.

Spenders must do everything they can to make certain that spending is not offset by taxing, which would be fatal to their credo of spend and elect.

Representatives and senators elected with the help of unions must stand guard over their sponsors' interests. Legislators in Congress to stand guard over the interests of employers and financiers must be similarly vigilant, lest they be accused of scamping their responsibilities.

Public housers must get the best deal they can. Highway builders must leave no stone unturned. Budget balancers must put in their best licks against unbalancers. Foreign-aiders must make sure the appropriation is large enough to insured the continued loyalty of the security wards of Uncle Sam.

All the giveaway artists must have had time to impress constituents with their open-handed generosity. The thousand and one little details that mean so much to the politicians must be neatened up and tied with a suitable amount of red tape.

Investigators must have had time to ask all the questions that seemed to be worth asking. All in all, sufficient time and headlines must have elpased to convince the hardest-to-please citizens and the harshest critic of the lawing process that everything possible has been done to save democracy and insure a more perfect union for another year.

ALL THIS has been done.

It has been a long time in the doing.

The premier of Russia is due here next month, and if Congress were not out of session by that time it would be in session, and that would call for an invitation to Mr. Khrushchev to address it.

If that were to happen, many a constituent might get the impression he has representation with enemy aliens. The matter would be brought up and milked dry in the next round of congressional campaigning.

And that is why it is agreed by those who know their Washington that Congress is about to adjourn. There were many good reasons without Khrushchev, but Khrushchev clinched it.

The safest place for representatives and senators to be from now on until next January will be out of session—and out of mind.

High Cost Of Government Gimmes

Here are two items of current interest to file and remember:

1. One-fourth of the July rise in the index of consumer prices is accounted for by boosts in local and state taxes this year.

2. The Tax Foundation's "Charley Green," a statistical nonentity, now spends more for government than he spends for groceries. This never happened before.

The moral is that the high cost of government gimmes no longer is something to talk about on the golf course and in the bowling alleys but something to worry about while figuring the family budget.

The consumer price index has hit a new high and is going higher. The significance of the rise is that it pulls the rug from under the Eisenhower administration's inflation-control program.

All the people who never wanted to believe in the program are in a position to argue that the Eisenhower administration's economic advisers do not know what they are talking about—that inflation is not only inevitable but desirable.

And the hard-pressed taxpayer, in turn, is inclined to shrug his bent shoulders and agree that inflation, if not desirable, at least is inevitable, so there is no use fighting it. He had better join it and get his share of depreciated dollars out of the diminishing savings of pensioners, widows, investors and citizens with no means of inflating their incomes.

Taxes alone have become a large enough engine of inflation to keep the dollar from stabilizing itself. Whether they are collected from individuals or businesses, they must be taken out of earnings, and if they are not offset by increased productivity they have the same inflationary effect as wages not justified by productivity.

But there is the rub. Taxes cannot be offset by productivity. Government produces no wealth. It uses wealth, except in instances where it helps its citizens to produce wealth. Taxes are part of the operating cost, not an investment.

What is a taxpayer supposed to do about it, when taxes are a major item in the high cost of living?

Chances are that most taxpayers will react by demanding less public spending—not less for multi-billion-dollar federal programs but less for schoolhouses, highways, streets and long-deferred local improvements. Nothing could be more shortsighted. But the ordinary taxpayer simply does not know how to bring influence to bear on Congress, though he can vote No on a local tax issue, or collar a state legislator on the street.

The high cost of government gimmes is a problem that comes to a focus in Washington, D.C., the same place where statistics on the index of consumer prices are compiled.

The Once Over

Khrushchev has come through with a schedule of five days in Washington and only three brief stops between the Atlantic and the Pacific oceans, revealing a queer idea of a tour to give him a complete picture of America. Detroit, a composite of all communities, is a "scratch."

This is like wishing to study a circus but saying, "Remember, I want no elephants and no aerial acts." It is putting the knock on Hank Ford, "Lizzie," the production-line, automatic transmissions, 1960 auto models and the Detroit baseball club.

Khrushchev includes Pittsburgh, Los Angeles and San Francisco, indicating he indorses the National League and thinks no picture of the American way of life is complete without a look at Walter O'Malley, Willie Mays, Gil Hodges and Willie McCovey.

He avoids Philadelphia and the Liberty Bell and brushes off all New England, rich with landmarks of the fight for American liberty. He doesn't even think Ted Williams, John Marquand, outdoor lobster dinners, Boston clam chowder, Harvard, Yale, or the New England boiled dinner important in a true picture of our civilization.

How can anybody get a real slant on us without getting a taste of confusing direction signs on New England thruways?

HE SNUBS the great Midwest pretty much. Chicago, Omaha, Grand Rapids, Milwaukee, St. Louis, Denver, St. Paul and Kansas City won't see his act. It's pretty clear Khrushchev wants to visit only cities he can use as the best sounding boards.

Incidentally can anybody come even close to a size-up of the U.S.A. without a gander at Miami? Is Nikita afraid of being photographed in bathing trunks?

Will he take no position on the issue whether there can be coexistence between new beach hotels and those more than one season old?

Heat-Wave Flashes

United Auto Workers, directly affected by automation in the automobile industry, which now turns out more units with less manpower, has been having so much trouble with one employer who makes automation equipment that the employer is locating a new plant in West Germany.

The employer, looking at the situation dispassionately, explains he must produce automation equipment as efficiently as he can in order to stay in business, which amounts to saying he cannot afford to pay the wages demanded by workers whose product is condemned by other workers becuase it displaces them. In other words, U.S. labor cannot compete against foreign labor in the manufacture of equipment to displace itself.

Elsewhere on the labor front, standoff between the Teamsters Union and UAW over the right to act as bargaining agents has been settled in favor of the latter by a 6-2 vote. The employes in this showdown were casket-makers at Cleveland Vault Co. They formerly were represented by the Teamsters Union.

By H. I. Phillips

Believe it or not, we recently listened to a quiz show offering fabulous prizes for answers to this one: "Name the entertainer known as Der Bingel, who has sons in the some business and who is well known for singing 'White Christmas.'" (no prompting?)

Odd Facts

Toll charges on the United States" major expressways average about one and one-half cent per mile, according to the American Automobile Association. Rates range from 1.08 cent per mile on the Pennsylvania Turnpike to 2.2 cents per mile on the Miami-Fort Pierce (Sunshine State) Parkway in Florida.

More than 100,000 different kinds of plants depend upon the bee for their pollination. Without the bee, we would have no pit fruits, berries or pod vegetables, no apples, pears, peaches, plums, cherries, apricots, raspberries, blackberries, currants, squash, melons, peas, alfalfa, clover, and so on and on.

"Prefabricated streets" have now made their introduction into the city of Stuttgart, in Germany. Here two-ton slabs of paving are being lowered on graded sand subsurfaces and asphalt is then poured over the concrete slabs. The new method is being hailed as a great construction-time saver.

The first United States Congress, under the Constitution, met in New York City. It was during this congressional session in 1789 that George Washington was declared president of the United States.

When the hygienic custom of brushing the teeth was first introduced into France in about 1777 it met with considerable ridicule. Some of the people of that time kept their teeth healthy by gnawing on bones.

Not Traveling Light

Moscow Agents Come To Castro's Cuba

By Victor Riesel

East is East. West is West. Apparently the twain shall meet in Cuba at the directive of Nikita Khrushchev, tourist and disbeliever in American kitchen refrigerators.

Victor Riesel

It can positively be reported that American intelligence agencies believe that the Communist party of the Soviet Union has decided that the best tactic for infiltration, influencing and final seizure of strategic Cuba is to convince Fidel Castro and his military brother, Raul, that China is the image in which to remake Cuba.

There have been special Moscow and Peiping agents in Havana for months pushing this line. They have been cordially received by intimates of Fidel Castro. Gifts and glowing words have been sent back to Mao Tse-tung, Soviet China's supreme Marxist and leader.

If this Moscow - Peiping undercover drive succeeds, then all American property will be expropriated. Within a few minutes flying time our coast there will be an island of Chinese-style communes.

THIS ALSO WILL MEAN — in the opinion of our intelligence people — that Maso Tse-tung and his Sovietized Chinese will make turbulent history by pushing Peiping's foot through the front door of the Western Hemisphere.

Scores of Cuban Communists, trained in Moscow and traveling on papers forged in the Russian capital, are back in Havana under orders to infiltrate on three fronts.

First, the agricultural workers and their "agrarian reform" movement, similar to that which the Red Chinese used so successfully in the Orient. Two, the labor unions. Three, the Army.

All three drives are reporting success to their home office, namely the Central Committee of the Communist party of the Soviet Union (CPSU).

All Cuban Communist operatives have been directed to intensify their campaigns during Nikita Khrushchev's stay in the United States.

Not satisfied with Moscow-trained Cubans, the Soviet secret police dispatched one of its top agents to Cuba late last May. He is Vadim Kotchergin.

HIS INSTRUCTIONS were to hand specific directives to the Cuban Communist party, known as The Popular Socialist party, "on how to penetrate and exploit the government of Fidel Castrol..

This is a direct quote from Gen. C. P. Cabell, deputy director of the U. S. Central Intelligence Agency.

Vadim Kotchergin's orders included detailed instructions on how to agitate for a new Cuba made up of Red Chinese - type communes. Kotchergin, who came as a camouflaged member of a Moscow trade union delegation, returned home recently.

He was, however, quickly replaced by Chinese Communist intelligence agents who flew in as part of a 30-man Peiping press group. That's mighty large coverage for a small island, even if there are 30,000 to 40,000 Chinese farm workers in Cuba.

There is also a Communist Chinese newspaper firm on the island organized by the New China News Agency—an arm of Peiping's propaganda intelligence and espionage systems.

These Red Chinese were well received by Raul Castro, Cuba's commander - in - chief. With a gracious gesture in the direction of Communist China, Raul Castro sent a model tank to Marshal Chu Teh in Peiping.

RAUL CASTRO got off a pretty speech to the Soviet - Communist Chinese newsmen.

"Mao Tse-tung is one of the most respected figures among the Latin-American youth," Raul said in this hitherto unreported talk. "There are many things in common between Cuba and China.

"China had a Chiang Kai-shek and Cuba had a Batista and the enemies of both peoples were supported by the same international reaction."

Castro then asked the Chinese newsmen to convey his gratitude to the Chinese people and the Chinese People's Liberation Army "for their great sympathy and support for the Cuban revolution." This Chinese Liberation Army is the one which fought our troops in Korea.

Everywhere in Raul's circles the key word is "agrarian reform." Recently, for example, one of Fidel Castro's secretaries, Teresa Casuso, returned to Havana from Peiping. She announced that China's commune system was the right way for Cuba.

This land of ours soon will have some very interesting neighbors.

Gov. Nelson Rockefeller is finding that the going becomes more perilous as the summit nears.

This was the experience of the many Everest expeditions until the infinitely well-trained Edmund Hillary and Tensing Norkay made the grade.

Mallory and Irvine in the 1920's were last seen near the summit. The Rutleldge expedition failed above 27,000 feet. The Italians almost made it later but also failed in the final test.

In a national politician's career there come moments when advisers are divided and he must make the ultimate, bleak choice.

At that moment only his experience and his capacity to weigh the many factors involved must be depended upon.

In 1948 Gov. Dewey, after scuffing the carpets in his suite at the Roosevelt Hotel in New York with interminable pacing, decided to contest the Wisconsin primary on Stassen's home ground.

IT WAS A DISASTER which then compelled him to cast his all in Oregon, where only brute endurance for two weeks and the silly decision of Stassen to challenge the best debater in public life to a personal encounter prevailed. Later in the campaign the immature confidence of his brain trust in polls lost him the presidency.

In the 1952 Republican convention, Sen. Taft foolishly permitted his managers to demand an unreasonable number of the Texas delegates and thus, with a bad case, provoked a test of convention strength.

In 1952, Richard Nixon, after the sensationall reveation of the California Nixon fund, was advised by the same Gov. Dewey that the great majority of the wiseacres in headquarters favored his getting off the ticket.

Nixon chose to carry his case to the people on television. It was homespun stuff, the cynics said but the acute and experienced Nixon knew there were millions of homespun Americans. The result we all know.

Nothing but Frankin D. Roosevelt's incomparable knowledge of California. The disaster that befell politics and country succeeded when advisers failed. In 1932 the superstitions of his politicall advisers all went against a trip into Hughes out there in 1916 loomed large.

There were new complications which intensified the pressure to avoid the Golden State. Roosevelt calculated the risks and went. It was a triumph.

AFTER GOV. ROCKEFELLER clearly indicated, according to responsible reporters, that he intended to let the polls determine in November whether he would try for the presidential nomination, he found himself guilty of a grievous political error.

Then he compounded the error with another. He branded the reports of his statements in Puerto Rico as "inaccurate."

This is a serious charge. Responsible reporters who filed their understanding of what the governor had said are not omniscient but their greatest pride is in truthfully reporting what they know and understand. To call them "inaccurate" is a vital blow.

The governor faces a tough assignment if he is to contest the nomination and a friendly trustful press will be among the many assets indispensable to his progress.

It will hardly do to say that these mistakes can be remedied by the selection of better advisers for, as I have indicated above, advisers will disagree. Rockefeller alone must acquire, in an impossibly short time, the capacity to make his decisions. That capacity sometimes takes many years to acquire.

His advisers to date seem to be mostly scholary people who provided him with a number of reports by the Rockefeller Brothers Fund before he entered politics.

These reports, with the very ample government spending which they advocated, will be another problem he must meet. For they represent about the only views on national affairs he had had.

It may appear before he is very deep in the race that he has already had an overdose of advice of a sort.

Two New Red Jolts

By James Marlow

Communists Remind World They're Still Around

WASHINGTON

Every once in a while, as if Communists were punching a time clock, this country gets a jolt, a reminder that communism is a revolutionary movement which intends taking over the world.

The United States is getting two jolts now: Communist guerrillas are attacking little, almost defenseless Laos. Red Chinese have shot their way across the Indian frontier, after savagely devouring Tibet.

Last year the Red Chinese banged away at Formosa. They had tried to help the North Korean Reds take South Korea. They succeeded in helping the Communists of Indochina take over half that country.

It seems incredible to this writer, judging from the nature of communism and the performance of Red China, that it will ever cease trying to take over every country of Asia, the soft touches first, the bigger ones later.

Red China has moved so far mostly by direct, or indirect, military aggression. But it doesn't have to shoot its way in every time. It can use infiltration, internal subversion, economic pressure, threats.

The Soviet Union has been more exposed than Red China to immediate atomic attack if it got too brazen. So it has been less crude, less daring.

After the Soviet Union seized Czechoslovakia in 1948 through internal subversion and frightened the West into forming its North Atlantic Treaty Alliance, it has tried to move by pressure, infiltration, threats and economic penetration.

Because communism up to now has nipped at its neighbors a bite at a time and then sat back, waiting for the noise to dwindle, it is easy for the Western world, so long as it lives on hope, to think things may settle down.

They never have and it is questionable they will—for a long time.

The Western world considered Hitler a windbag when he openly revealed his dreams of conquest. But lessons get forgotten.

The West does not seem unduly excited by Premier Nikita Khrushchev's warning that communism will bury the non - Communist world, even though he suggests the funeral services will be conducted by economics.

Time is the greatest narcotic communism has for trying to stupefy the west into hope and even relaxation. Communism, convinced it will win the world, is willing to take its time at the gambling table. Khrushchev has said so.

The whole western world will hope, but keep its fingers crossed, when President Eisenhower and Khrushchev sit down together in mid-September to talk peace. Maybe they will even reach some peaceful understandings. It is doubtful whatever they achieve will be more than a temporary peace.

By the same token, of course, the West with its military alliances and its economic help is doing much, if not its utmost, to keep the rest of the world non-Communist.

Talks with Khrushchev will hardly change that. So the most it seems reasonable to expect is a truce.

Out of all this perhaps the only comfort the West can find is that Khrushchev may be deeply worried about the growing strength and ambitions of his ally, Red China. There was a time, before the communists took over China and showed their own strong will, that the Soviet Union may have hoped to rule the world. Not now. In the end, Red China may become the Soviet Union's greatest enemy.

The world hasn't reached the stage yet where the spirit of communism in any country is greater than the spirit of nationalism. Until it does, there can be no peace even for Communists in a Communist world.

One reminder of the reality of communism—of the long struggle ahead — came over the weekend from the Senate's Foreign Relations Committee which released a report from one of the private research groups it has hired to study the various aspects and problems of American foreign policy.

This group warned: "The fundamental fact which dominates our foreign policy problems is the determined, relentless intention of the Soviet Union to control the world. It is important the United States realize this is not an idle threat."

Cotton Corners

By Truman Twill

Dear Nephew: I note you have been carping about the come-as-you-are movement. I want to be on your side.

It puzzles me because the people who have joined the movement seem to be dressed when the critical moment arrives—to "come as they are." Why is that, do you suppose?

These people who show up in stores looking as if they had hopped out of the shower, without taking time to dress—do they really make a practice of spending their time in getups like that?

I doubt it. I think it is like the arty fellows who never have their hair cut and who always tell you if you ask them that they never can remember to go the barber. Bosh. They remember not to go if you ask me, and if you ask me I also will tell you that the people making a joke out of casual attire are working at it deliberately.

Ask me if there is more to this than meets the eye and I will have an answer for that too, Yes.

What doesn't meet the eye is the inhibition that slumbers inside many people to peel off their clothes. I am not going to pry around in the dark recesses of the mind, but I will remind you that psychiatrists have noted this singular fact about women who commit suicide by jumping from buildings.

In many instances, the jumpers remove their clothing. In all instances, they might as well have removed it, because when their bodies are found they are virtually stripped.

Men, of course, are not wired up psychiatrically the same as women, but when I see how they peel down to the nub I am impressed with the state of mind that makes this seem desirable. It has nothing to do with their desire to be comfortable. Nothing is more uncomfortable than nakedness.

It has everything to do, on the other hand, with a desire to be conspicuous. As an editorialist said the other day, Ol Man Murphy used to catch it from his missus for sitting on the front porch in his undershirt and sock feet, but today his counterpart is walking the streets in a rig Murphy would have hesitated to wear in the upstairs hall on his way to the bathroom.

You know I am not prudish. No one can say your Aunt Effie is prudish. She was wearing slacks when other women were still wearing bloomers. When they go to slacks, she was in shorts.

But both of us feel that this extreme of casual attire that seems to be aimed at no attire at all is not the same thing that has liberated men and women from uncomfortable clothing.

We think there is some sort of sickness going around that needs to be looked into before it turns into an epidemic that might make it unsafe for a person of tender sensibilities to go out on the street in midsummer lest he be traumatized by the sight of an overfleshed horror or a living skeleton go up to look like a caricature of home sapiens.

It is as though millions were under some driving compulsion to confess in public the sin of being physically ugly beyond any hope of redemption.

For my money, they are sick in the head.

People are no uglier than they ever were, but they are making a darned sight more fuss about it than they ever did before.

Even in the dim past before clothing, they didn't go so far out of their way to reveal the awful truth. They had the sense to wrap up in a leopard skin and hide in caves. Your aunt says I'm bitter because I have legs like a flamingo, but it isn't true. My legs are hinged in the right direction.

Just remember as you keep carping about the come-as-you-are movement: I'm with you. I don't think people are coming as they are. I think they are disrobing first.

Daily Bread

Man has been eating bread for at least 10,000 years without growing tired of it.

Primitive peoples first ate the seeds of wild grains, then learned to grind them into a crude flour. No one knows when the first bread was made, but the Swiss Lake Dwellers already had developed a baking industry 10,000 years ago.

The Lake Dwellers mixed pulverized wheat, barley, or millet with water, rolled the dough into sheets, and baked it on hot stones. Like other early breads, it was unleavened.

Egyptians apparently discovered that bread could be lightened by letting the wheat dough ferment to create gases. Triangular loaves 3,500 years old have been found in Egyptian tombs. Bread was the principal food and often was used to pay wages.

Ancient Greeks also cooked a leavened bread, but in the Golden Age they preferred a coarse barley cake.

Baking was an important industry in classic Rome.

There are 2,000 volcanoes on the South American Galapagos Islands off the coast of Ecuador. Most of them are inactive.

Congressmen—Go Home

It is agreed by those who know Washington best that the first session of the 86th Congress is about to run out of reasons to stay on the job.

Though the feelings of the people back home have no bearing on congressional adjournment, it has been their feeling most of the summer that Congress should have been in adjournment and would have been, barring the flimsy excuse that some non-existent national emergency justified its staying in session.

This year's legislative session, like many of its predecessors, has been dragged out to the point where it ceases to reflect the will of the people and reflects only the maneuvering of politicians stalling for time on issues that could have been cleaned up months ago.

This is the kind of legislative attrition that wears down the members of state legislatures who are held in session longer than necessary, to give all the lobbyists a fair crack at them. In Washington, the lobbying is on a bigger scale.

SOUTHERNERS in Congress must stall off civil rights legislation.

Spenders must do everything they can to make certain that spending is not offset by taxing, which would be fatal to their credo of spend and elect.

Representatives and senators elected with the help of unions must stand guard over their sponsors' interests. Legislators in Congress to stand guard over the interests of employers and financiers must be similarly vigilant, lest they be accused of scamping their responsibilities.

Public housers must get the best deal they can. Highway builders must leave no stone unturned. Budget balancers must put in their best licks against unbalancers. Foreign-aiders must make sure the appropriation is large enough to insured the continued loyalfy of the security wards of Uncle Sam.

All the giveaway artists must have had time to impress constituents with their open-handed generosity. The thousand and one little details that mean so much to the politicians must be neatened up and tied with a suitable amount of red tape.

Investigators must have had time to ask all the questions that seemed to be worth asking. All in all, sufficient time and headlines must have elpased to convince the hardest-to-please citizens and the harshest critic of the lawing process that everything possible has been done to save democracy and insure a more perfect union for another year.

ALL THIS has been done.

It has been a long time in the doing.

The premier of Russia is due here next month, and if Congress were not out of session by that time it would be in session, and that would call for an invitation to Mr. Khrushchev to address it.

If that were to happen, many a constituent might get the impression he has representation with enemy aliens. The matter would be brought up and milked dry in the next round of congressional campaigning.

And that is why it is agreed by those who know their Washington that Congress is about to adjourn. There were many good reasons without Khrushchev, but Khrushchev clinched it.

The safest place for representatives and senators to be from now on until next January will be out of session—and out of mind.

High Cost Of Government Gimmes

Here are two items of current interest to file and remember:

1. One-fourth of the July rise in the index of consumer prices is accounted for by boosts in local and state taxes this year.

2. The Tax Foundation's "Charley Green," a statistical nonentity, now spends more for government than he spends for groceries. This never happened before.

The moral is that the high cost of government gimmes no longer is something to talk about on the golf course and in the bowling alleys but something to worry about while figuring the family budget.

The consumer price index has hit a new high and is going higher. The significance of the rise is that it pulls the rug from under the Eisenhower administration's inflation-control program.

All the people who never wanted to believe in the program are in a position to argue that the Eisenhower administration's economic advisers do not know what they are talking about—that inflation is not only inevitable but desirable.

And the hard-pressed taxpayer, in turn, is inclined to shrug his bent shoulders and agree that inflation, if not desirable, at least is inevitable, so there is no use fighting it. He had better join it and get his share of depreciated dollars out of the diminishing savings of pensioners, widows, investors and citizens with no means of inflating their incomes.

Taxes alone have become a large enough engine of inflation to keep the dollar from stabilizing itself. Whether they are collected from individuals or businesses, they must be taken out of earnings, and if they are not offset by increased productivity they have the same inflationary effect as wages not justified by productivity.

But there is the rub. Taxes cannot be offset by productivity. Government produces no wealth. It uses wealth, except in instances where it helps its citizens to produce wealth. Taxes are part of the operating cost, not an investment.

What is a taxpayer supposed to do about it, when taxes are a major item in the high cost of living?

Chances are that most taxpayers will react by demanding less public spending—not less for multi-billion-dollar federal programs but less for schoolhouses, highways, streets and long-deferred local improvements. Nothing could be more shortsighted. But the ordinary taxpayer simply does not know how to bring influence to bear on Congress, though he can vote No on a local tax issue, or collar a state legislator on the street.

The high cost of government gimmes is a problem that comes to a focus in Washington, D.C., the same place where statistics on the index of consumer prices are compiled.

The Once Over

Khrushchev has come through with a schedule of five days in Washington and only three brief stops between the Atlantic and the Pacific oceans, revealing a queer idea of a tour to give him a complete picture of America. Detroit, a composite of all communities, is a "scratch."

This is like wishing to study a circus but saying, "Remember, I want no elephants and no aerial acts." It is putting the knock on Hank Ford, "Lizzie," the production-line, automatic transmissions, 1960 auto models and the Detroit baseball club.

Khrushchev includes Pittsburgh, Los Angeles and San Francisco, indicating he indorses the National League and thinks no picture of the American way of life is complete without a look at Walter O'Malley, Willie Mays, Gil Hodges and Willie McCovey.

He avoids Philadelphia and the Liberty Bell and brushes off all New England, rich with landmarks of the fight for American liberty. He doesn't even think Ted Williams, John Marquand, outdoor lobster dinners, Boston clam chowder, Harvard, Yale, or the New England boiled dinner important in a true picture of our civilization.

How can anybody get a real slant on us without getting a taste of confusing direction signs on New England thruways?

HE SNUBS the great Midwest pretty much. Chicago, Omaha, Grand Rapids, Milwaukee, St. Louis, Denver, St. Paul and Kansas City won't see his act. It's pretty clear Khrushchev wants to visit only cities he can use as the best sounding boards.

Incidentally can anybody come even close to a size-up of the U.S.A. without a gander at Miami? Is Nikita afraid of being photographed in bathing trunks?

Will he take no position on the issue whether there can be coexistence between new beach hotels and those more than one season old?

Heat-Wave Flashes

United Auto Workers, directly affected by automation in the automobile industry, which now turns out more units with less manpower, has been having so much trouble with one employer who makes automation equipment that the employer is locating a new plant in West Germany.

The employer, looking at the situation dispassionately, explains he must produce automation equipment as efficiently as he can in order to stay in business, which amounts to saying he cannot afford to pay the wages demanded by workers whose product is condemned by other workers becuase it displaces them. In other words, U.S. labor cannot compete against foreign labor in the manufacture of equipment to displace itself.

Elsewhere on the labor front, standoff between the Teamsters Union and UAW over the right to act as bargaining agents has been settled in favor of the latter by a 6-2 vote. The employes in this showdown were casket-makers at Cleveland Vault Co. They formerly were represented by the Teamsters Union.

Not Traveling Light

Moscow Agents Come To Castro's Cuba

By Victor Riesel

East is East. West is West. Apparently the twain shall meet in Cuba at the directive of Nikita Khrushchev, tourist and disbeliever in American kitchen refrigerators.

Victor Riesel

It can positively be reported that American intelligence agencies believe that the Communist party of the Soviet Union has decided that the best tactic for infiltration, influencing and final seizure of strategic Cuba is to convince Fidel Castro and his military brother, Raul, that China is the image in which to remake Cuba.

There have been special Moscow and Peiping agents in Havana for months pushing this line. They have been cordially received by intimates of Fidel Castro. Gifts and glowing words have been sent back to Mao Tse-tung, Soviet China's supreme Marxist and leader.

If this Moscow - Peiping undercover drive succeeds, then all American property will be expropriated. Within a few minutes flying time our coast there will be an island of Chinese-style communes.

THIS ALSO WILL MEAN — in the opinion of our intelligence people — that Maso Tse-tung and his Sovietized Chinese will make turbulent history by pushing Peiping's foot through the front door of the Western Hemisphere.

Scores of Cuban Communists, trained in Moscow and traveling on papers forged in the Russian capital, are back in Havana under orders to infiltrate on three fronts.

First, the agricultural workers and their "agrarian reform" movement, similar to that which the Red Chinese used so successfully in the Orient. Two, the labor unions. Three, the Army.

All three drives are reporting success to their home office, namely the Central Committee of the Communist party of the Soviet Union (CPSU).

All Cuban Communist operatives have been directed to intensify their campaigns during Nikita Khrushchev's stay in the United States.

Not satisfied with Moscow-trained Cubans, the Soviet secret police dispatched one of its top agents to Cuba late last May. He is Vadim Kotchergin.

HIS INSTRUCTIONS were to hand specific directives to the Cuban Communist party, known as The Popular Socialist party, "on how to penetrate and exploit the government of Fidel Castrol..

This is a direct quote from Gen. C. P. Cabell, deputy director of the U. S. Central Intelligence Agency.

Vadim Kotchergin's orders included detailed instructions on how to agitate for a new Cuba made up of Red Chinese - type communes. Kotchergin, who came as a camouflaged member of a Moscow trade union delegation, returned home recently.

He was, however, quickly replaced by Chinese Communist intelligence agents who flew in as part of a 30-man Peiping press group. That's mighty large coverage for a small island, even if there are 30,000 to 40,000 Chinese farm workers in Cuba.

There is also a Communist Chinese newspaper firm on the island organized by the New China News Agency—an arm of Peiping's propaganda intelligence and espionage systems.

These Red Chinese were well received by Raul Castro, Cuba's commander - in - chief. With a gracious gesture in the direction of Communist China, Raul Castro sent a model tank to Marshal Chu Teh in Peiping.

RAUL CASTRO got off a pretty speech to the Soviet - Communist Chinese newsmen.

"Mao Tse-tung is one of the most respected figures among the Latin-American youth," Raul said in this hitherto unreported talk. "There are many things in common between Cuba and China.

"China had a Chiang Kai-shek and Cuba had a Batista and the enemies of both peoples were supported by the same international reaction."

Castro then asked the Chinese newsmen to convey his gratitude to the Chinese people and the Chinese People's Liberation Army "for their great sympathy and support for the Cuban revolution." This Chinese Liberation Army is the one which fought our troops in Korea.

Everywhere in Raul's circles the key word is "agrarian reform." Recently, for example, one of Fidel Castro's secretaries, Teresa Casuso, returned to Havana from Peiping. She announced that China's commune system was the right way for Cuba.

This land of ours soon will have some very interesting neighbors.

The West does not seem unduly excited by Premier Nikita Khrushchev's warning that communism will bury the non - Communist world, even though he suggests the funeral services will be conducted by economics.

Time is the greatest narcotic communism has for trying to stupefy the west into hope and even relaxation. Communism, convinced it will win the world, is willing to take its time at the gambling table. Khrushchev has said so.

The whole western world will hope, but keep its fingers crossed, when President Eisenhower and Khrushchev sit down together in mid-September to talk peace. Maybe they will even reach some peaceful understandings. It is doubtful whatever they achieve will be more than a temporary peace.

By the same token, of course, the West with its military alliances and its economic help is doing much, if not its utmost, to keep the rest of the world non-Communist.

Talks with Khrushchev will hardly change that. So the most it seems reasonable to expect is a truce.

Out of all this perhaps the only comfort the West can find is that Khrushchev may be deeply worried about the growing strength and ambitions of his ally, Red China. There was a time, before the communists took over China and showed their own strong will, that the Soviet Union may have hoped to rule the world. Not now. In the end, Red China may become the Soviet Union's greatest enemy.

The world hasn't reached the stage yet where the spirit of communism in any country is greater than the spirit of nationalism. Until it does, there can be no peace even for Communists in a Communist world.

One reminder of the reality of communism—of the long struggle ahead — came over the weekend from the Senate's Foreign Relations Committee which released a report from one of the private research groups it has hired to study the various aspects and problems of American foreign policy.

This group warned: "The fundamental fact which dominates our foreign policy problems is the determined, relentless intention of the Soviet Union to control the world. It is important the United States realize this is not an idle threat."

Dear Nephew: I note you have been carping about the come-as-you-are movement. I want to be on your side.

It puzzles me because the people who have joined the movement seem to be dressed when the critical moment arrives—to "come as they are." Why is that, do you suppose?

These people who show up in stores looking as if they had hopped out of the shower, without taking time to dress—do they really make a practice of spending their time in getups like that?

I doubt it. I think it is like the arty fellows who never have their hair cut and who always tell you if you ask them that they never can remember to go the barber. Bosh. They remember not to go if you ask me, and if you ask me I also will tell you that the people making a joke out of casual attire are working at it deliberately.

Ask me if there is more to this than meets the eye and I will have an answer for that too. Yes.

What doesn't meet the eye is the inhibition that slumbers inside many people to peel off their clothes. I am not going to pry around in the dark recesses of the mind, but I will remind you that psychiatrists have noted this singular fact about women who commit suicide by jumping from buildings.

In many instances, the jumpers remove their clothing. In all instances, they might as well have removed it, because when their bodies are found they are virtually stripped.

Men, of course, are not wired up psychiatrically the same as women, but when I see how they peel down to the nub I am impressed with the state of mind that makes this seem desirable. It has nothing to do with their desire to be comfortable. Nothing is more uncomfortable than nakedness.

It has everything to do, on the other hand, with a desire to be conspicuous. As an editorialist said the other day, Ol Man Murphy used to catch it from his missus for sitting on the front porch in his undershirt and sock feet, but today his counterpart is walking the streets in a rig Murphy would have hesitated to wear in the upstairs hall on his way to the bathroom.

You know I am not prudish. No one can say your Aunt Effie is prudish. She was wearing slacks when other women were still wearing bloomers. When they go to slacks, she was in shorts.

But both of us feel that this extreme of casual attire that seems to be aimed at no attire at all is not the same thing that has liberated men and women from uncomfortable clothing.

We think there is some sort of sickness going around that needs to be looked into before it turns into an epidemic that might make it unsafe for a person of tender sensibilities to go out on the street in midsummer lest he be traumatized by the sight of an overfleshed horror or a living skeleton go up to look like a caricature of homo sapiens.

It is as though millions were under some driving compulsion to confess in public the sin of being physically ugly beyond any hope of redemption.

For my money, they are sick in the head.

People are no uglier than they ever were, but they are making a darned sight more fuss about it than they ever did before.

Even in the dim past before clothing, they didn't go so far out of their way to reveal the awful truth. They had the sense to wrap up in a leopard skin and hide in caves. Your aunt says I'm bitter because I have legs like a flamingo, but it isn't true. My legs are hinged in the right direction.

Just remember as you keep carping about the come-as-you-are movement: I'm with you. I don't think people are coming as they are. I think they are disrobing first.

Cotton Corners UNCLE GEORGE

Daily Bread

Man has been eating bread for at least 10,000 years without growing tired of it.

Primitive peoples first ate the seeds of wild grains, then learned to grind them into a crude flour. No one knows when the first bread was made, but the Swiss Lake Dwellers already had developed a baking industry 10,000 years ago.

The Lake Dwellers mixed pulverized wheat, barley, or millet with water, rolled the dough into sheets, and baked it on hot stones. Like other early breads, it was unleavened.

Egyptians apparently discovered that bread could be lightened by letting the wheat dough ferment to create gases. Triangular loaves 3,500 years old have been found in Egyptian tombs. Bread was the principal food and often was used to pay wages.

Ancient Greeks also cooked a leavened bread, but in the Golden Age they preferred a coarse barley cake.

Baking was an important industry in classic Rome.

There are 2,000 volcanoes on the South American Galapagos Islands off the coast of Ecuador. Most of them are inactive.

Ike

(Continued from Page One)

the two leaders were said to have considered ways of broadening the basis of their efforts so other interested powers could join.

Most of these issues are expected to arise in one form or another during the Eisenhower talks with Khrushchev.

Eisenhower got another mighty "I like Ike" salute from Londoners today as he rode through the heart of the city to St. Paul's Cathedral.

Thousands massed around St. Paul's as the President and Prime Minister rolled up in an open car. They went to the cathedral to spend a solemn half hour in the chapel Britain built in memory of 28,000 Americans who lost their lives in World War II and had been based in the United Kingdom.

The President returned to the city for a round of appointments and an informal, televised report to the world with Macmillan tonight on their talks about future relations between the West and the Soviet Union.

The sound portion of the Eisenhower-Macmillan telecast will be relayed to the United States for broadcast live by American radio networks. Tapes of the program will be flown across the Atlantic for showing on American TV. The British Broadcasting Corp. and Europe's Eurovision network will carry the appearance to a potential audience of nearly 100 million viewers in Western Europe.

"We don't know what they are going to say," said a BBC spokesman. "There is no script."

The President had a full schedule after his drive back with Macmillan from Chequers. It included a half-hour visit to the chapel in St. Paul's Cathedral which commemorates American World War II dead who were stationed in Britain, a conference with Spanish Foreign Minister Fernando Aria Castiella, and—after the telecast—a formal dinner given by Macmillan at his official residence, No. 10 Downing St.

Britain's wartime chief, Sir Winston Churchill, flew back to London from a Riviera vacation to attend the dinner with his old comrade in arms and also another Tuesday night which Eisenhower is giving for a large group of his wartime associates.

During their weekend at Chequers, Eisenhower and Macmillan met with their foreign ministers for an hour Saturday night and for another hour Sunday morning before church. The two leaders also talked alone several times, including during an unscheduled two-hour drive they made through the English countryside to Oxford University.

The President and the prime minister attended Anglican services at the 800-year-old church of St. Peter and St. Paul, a few miles from Chequers.

The vicar, the Rev. Cyril Norman White, complained in his sermon: "Two of the greatest men in the world have broken off their conferences in order to turn to God, to seek his blessing, his guidance and his grace."

After the service, standing in the brilliant sunshine, Eisenhower said to the vicar: "Thank you for your sermon. I feel God is what we need."

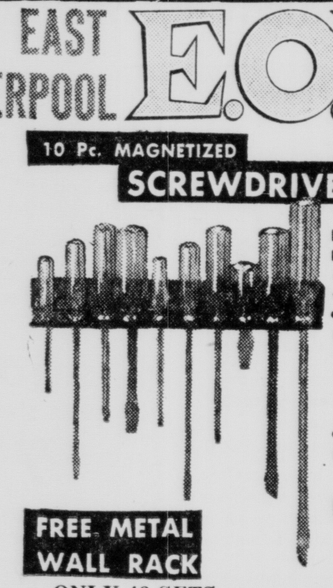

Khrushchev Receives Appeal By Adenauer

BONN, Germany (AP) — Chancellor Konrad Adenauer has appealed to Soviet Premier Nikita Khrushchev to resume talks with the West on controlled disarmament involving both nuclear and conventional weapons.

In a personal letter to the Soviet leader made public Sunday, Adenauer advanced disarmament as an area in which East-West agreement might be reached. Such problems as Berlin and German reunification were pushed into the background.

3 Motorists Penalized For Traffic Violations

One motorist was fined and two others forfeited bonds for traffic violation today in Municipal Court.

William Kozel Jr. of Lisbon St. Ext. was fined $1 and costs for driving without a license. Police cited Kozel Sunday night on W. 8th St. His license expired June 8, officers said.

Thurman J. Barron of Chester forfeited $11 for crashing a red traffic signal at E. 4th and Washington St. Saturday morning and Hans J. Solterback of the YMCA forfeited $16 on a speeding charge filed by the State Highway Patrol. He was cited Friday night on Route 7.

A charge of driving without a license against Glenn Thompson of Toronto was continued to allow the motorist to produce his license. He was cited about 2 a. m. Sunday on 1st Ave., police said.

Kaycees Wait Report On Youth Fund Drive

A report on the annual Knights of Columbus statewide youth fund drive, to get underway Sept. 12, will be given by Ralph Yanni and James McGowan, past grand knights, at a meeting of the Carroll Council 509 Tuesday night at 8 at the council home.

Yanni and McGowan attended an area meeting concerning the drive Saturday at Youngstown.

The district representation was headed by Joseph Fittante of New Waterford, district deputy.

The local drive will be headed by James Buchheit, grand knight, and will be under the direction of Yanni and McGowan, co-chairmen.

A new experiment in road paving is being tried near Vancouver, Canada. A machine crushes ordinary road gravel, mixes it with salt and water. It is expected to leave a smooth, dust-free surface.

Trip Worth Whatever It Cost, Bow Says Of Visit To Moscow

WASHINGTON (AP) — Rep. Frank T. Bow (R-Ohio) told constituents today a trip he recently took to Moscow was well worth whatever it cost the government.

An economy-minded congressman, Bow and some other members of the House Appropriations Committee made a five-day round trip by air to inspect the United States exposition in Moscow.

This prompted an Alliance man to write Bow a one-sentence letter: "Why did you go to Moscow?"

Bow replied in his news letter to constituents:

"I went to Moscow because I must pass judgment, as a member of the Appropriations Committee, on requests for many millions of dollars to prepare American exhibits for a great number of trade fairs and international expositions . . .

"Our exhibits in Moscow cost $3,600,000. I have had grave misgivings about the wisdom of these fairs in general and about the Moscow exposition particularly . . .

"That is why I went to Moscow, and I can assure my Alliance correspondent that the cost of the trip, if that is what concerns him, is infinitesimal compared to the total sums involved."

As for his opinion of the Moscow fair, Bow wrote: "I am convinced that we are getting our money's worth from this exposition."

A membership in the New York Stock Exchange brought a record $625,000 in 1929. The lowest recorded price ever paid for a membership was $2,750 in 1871.

Hal Takes Look At Mail

By HAL BOYLE

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

Do you know what one of every eight adult Americans has lost? All his teeth! At 35 two out of three need some false choppers.

How hard do you work? If you're average, you probably gene ate about one twelfth of one horsepower of energy.

One price of the jet age: There is no longer any such thing as a distant relative.

It takes the human eye six times as long to see an object in color as it does one in black and white. Maybe that's why people no longer take the time to watch a rainbow.

How weird can you get? . . . second-hand hearses are now in great demand around Boston. Plumbers, carpenters and other tradesmen use the vehicles as attention-getters for new business.

How heavy is a cloud? Well, a good robust average thundercloud is said to weigh 150 tons.

Figures show that the average woman spends 75 per cent of her waking hours sitting down, and her figure shows it, too!

The oak is the forest tree most damaged by lightning.

These - are - the - good - old-days note: In 1908 the average American had to work 86 weeks to earn enough to buy an $850 car. . . . Today he earns enough to buy a car in only 26 weeks.

A taxless paradise: Bermuda is one of the few spots in the modern world without tax collectors. . . . It has no income tax, no capital gains tax, no excess profits tax, no estate tax. . . . The government's principle revenue is from customs charges.

There's safety in sunlight. . . . Mile for mile, you are three times as likely to get killed if you drive by night instead of by day. . . . You are not only more likely to get into an accident: the accident itself is twice as likely to be fatal.

Whatever happened to flypaper? . . . I haven't seen any in years. Have you?

Princess Grace of Monaco told Polly Bergen recently that her favorite song was "When Day is Done". . . . Many a housewife who doesn't live in a castle knows that feeling.

American men are going in more and more for the body beautiful. . . . Each year now they spend about 72 million dollars on hair tonics, 25 million for shampoos, 405 million on shaving accessories, 120 million on toothpastes and mouth washes, and 20 million on deodorants.

It was Orson Welles who observed, "There are three intolerable things in life—cold coffee, lukewarm champagne, and overexcited women."

Might Have Never Known—

Hal Takes Look At Mail

By HAL BOYLE

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

Do you know what one of every eight adult Americans has lost? All his teeth! At 35 two out of three need some false choppers.

How hard do you work? If you're average, you probably gene ate about one twelfth of one horsepower of energy.

One price of the jet age: There is no longer any such thing as a distant relative.

It takes the human eye six times as long to see an object in color as it does one in black and white. Maybe that's why people no longer take the time to watch a rainbow.

How weird can you get? . . . second-hand hearses are now in great demand around Boston. Plumbers, carpenters and other tradesmen use the vehicles as attention-getters for new business.

How heavy is a cloud? Well, a good robust average thundercloud is said to weigh 150 tons.

Figures show that the average woman spends 75 per cent of her waking hours sitting down, and her figure shows it, too!

The oak is the forest tree most damaged by lightning.

These - are - the - good - old-days note: In 1908 the average American had to work 86 weeks to earn enough to buy an $850 car. . . . Today he earns enough to buy a car in only 26 weeks.

A taxless paradise: Bermuda is one of the few spots in the modern world without tax collectors. . . . It has no income tax, no capital gains tax, no excess profits tax, no estate tax. . . . The government's principle revenue is from customs charges.

There's safety in sunlight. . . . Mile for mile, you are three times as likely to get killed if you drive by night instead of by day. . . . You are not only more likely to get into an accident: the accident itself is twice as likely to be fatal.

Whatever happened to flypaper? . . . I haven't seen any in years. Have you?

Princess Grace of Monaco told Polly Bergen recently that her favorite song was "When Day is Done". . . . Many a housewife who doesn't live in a castle knows that feeling.

American men are going in more and more for the body beautiful. . . . Each year now they spend about 72 million dollars on hair tonics, 25 million for shampoos, 405 million on shaving accessories, 120 million on toothpastes and mouth washes, and 20 million on deodorants.

It was Orson Welles who observed, "There are three intolerable things in life—cold coffee, lukewarm champagne, and overexcited women."

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: That letter from "Fed Fred" who screamed because he'd been taken for a ride in the divorce court prompted me to write my first note to a newspaper.

You sat down and cried with the big goof, too—which annoyed me no end. Generally you're smarter than that, Ann.

You said one day you were going to hie yourself down to the state legislature and plump for equitable divorce laws. Well, when you finish in Illinois, Honey, I wish you'd come to this state. Here you'll find it's the woman who comes out second best.

I would like to offer specific suggestions which would improve divorce laws in every state in the Union. These suggestions would insure a greater degree of justice and offer added protection to men, women and children everywhere—in case of a family split. Here goes:

1. All couples should be forced to confer with a marriage counselor or clergyman before a divorce is granted. Sometimes people file in a fit of anger then foolishly go through with a divorce they don't want because they don't know what else to do.

2. A restraining order should be placed on both parties while the counseling is going on so all property remains intact. This would prevent sleight-of-hand tricks — transferring ownership, titles, raiding bank accounts and liquidating assets. Such stunts know no particular gender. Both men and women have done it.

3. All wordly goods accumulated before the couple married should not be considered community property. Assets held before the marriage should belong to the original owner. This would help to put the gold diggers and fortune hunters out of business.

4. When children are involved, the home should go to the parent who is going to rear the children.

5. We need child support laws with teeth. The allotments should be brought up to date to keep pace with current living costs. It's impossible to feed and clothe a child today on the amount considered fair in 1949.

If you'll come to our state capital, Ann, I'll go with you. — HELEN.

-:-

Dear Helen: I'm printing your letter and inviting rebuttal.

And Turn Off Tap

Dear Ann: My wife was married to a roughneck before she met me. He treated her shabbily and she almost had a nervous breakdown after living with him four years.

We've been married seven months and everything is fine—except for one thing. When she gets too many beers she calls me John—which is his name. Does this mean she's still in love with him? I'm worried.—GEORGE.

-:-

Dear George: Stop worrying. The fact that she calls you by her ex-husband's name doesn't mean she still loves him. It only means she thinks about him occasionally.

I'll bet she's so happy to be married to a nice guy like you after her first miserable experience her thoughts probably go something like this: "I'm certainly lucky to have such a wonderful husband, after that rat John."

Confidentially

To Ashamed: Accept your son's invitation to mind your own business. When the bills come rolling in remind him that he wanted a fancy wedding and a car. Plead poverty. Period.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

Battle With Police Costs $95 In Fines

A city man was fined a total of $95 and costs today in Municipal Court on four charges filed by police after a battle early Sunday morning in which he allegedly kicked out a window in a police cruiser.

Robert Salsberry, 34, of 207 W. 7th St. was fined $50 and costs for destruction of city property, $25 and costs for resisting arrest and $10 and costs each on charges of intoxication and disorderly conduct by drinking beer on a public street. He pleaded guilty to all four violations.

If Salsberry pays an estimated $32 for replacing the window and repairing the dome light in the cruiser, the amount will be deducted from the $50 fine for destruction of city property, Judge George L. Brokaw ruled.

Salsberry was arrested at 4:27 a. m. Sunday on Walnut St. by Patrolmen William McDaniel and Kenneth Mooney.

Midland Church Picnic Attracts 40 To Park

About 40 attended a picnic for the parish of the Presentation Catholic Church of Midland Sunday at Crucible Park, sponsored by Midland Knights of Columbus Council 2005.

Adults played volley ball and softball. There were games and prizes for children,, with William Vinovich, Pete Benedict and Emeric Davis in charge.

Larry Cuccaro and Frank Aloi were picnic chairmen. The Catholic Daughters of America had a food stand with Mrs. J. D. Smith, grand regent, in charge.

The council will meet the first and third Mondays of the month with the next meeting set Sept. 7.

Motorist, 23, Killed

STEUBENVILLE — Harry H. Stackhouse, 23, of Steubenville was killed instantly when his car struck a tree on Route 151 about four miles east of Hopedale Saturday night at 10:55. The Wintersville State Highway Patrol said Stackhouse lost control of his car on a curve, went off the right side of the highway and struck the tree broadside. His body was crushed and pinned in the vehicle, officers said.

Lost: A Baby-sitter

HARLAN, Iowa (AP) — Singing star Pat Boone has lost his baby-sitter. Judy Plumb, 18, of Irwin, and Jan Mauck, 18, of Derby, Kan., were married here Saturday night. Judy was the Boone's full-time baby-sitter last summer and again this summer in Hollywood and New York.

Fiery Wreck Claims Racer

MILWAUKEE, Wis. (AP) — Speedway bad boy Ed Elisian, suspended last year as the trigger man in a 16-car fatal crash at the Indianapolis Motor Speedway, died screaming Sunday in the flames of his green racing car.

Elisian, 32, from Oakland, Calif. returned to the tracks only last June 7, making his first start in a 100-mile big car race at the Wisconsin fair grounds, scene of Sunday's wreck.

Elisian's car, traveling at an estimated 130 miles an hour, skidded on an oil slick, crashed into the wall, overturned and burst into flames. The car rode the retaining wall 200 feet, then flipped upside down on the one-mile paved track.

Elisian waved his arms and screamed as he tried to free himself from his burning car.

The wreck came on the 28th lap of the 200-mile national championship race won by Rodger Ward of Indianapolis. The race was the feature of the final day of the 1959 Wisconsin State Fair and drew 21,856 spectators.

Elisian had been racing nine years.

A bachelor, Elisian raced into controversy in the 1958, 500-mile race at Indianapolis after setting a single lap qualifying record for the Memorial Day classic. On the first lap of the race, 16 cars were involved in a splintering crash which killed Pat O'Connor of North Vernon, Ind.

Elisian later was set down for one year "for conduct detrimental to racing."

The suspension involved the Indianapolis wreck, bad checks, and speeding off the tracks.

Socialite In Kidnaping Leaves On Honeymoon

SHORT HILLS, N.J. (AP)—Socialite Jacqueline Gay Hart, who became Mrs. Stanley N. Gaines over the weekend, is off on a "three or four-year honeymoon," says Ralph A. Hart, her father.

She and Gaines were married Friday in a quiet ceremony at the Hart residence here.

The ceremony was a far cry from the impressive one that had been planned for the 21-year-old blonde, who touched off a nationwide search last month when bridal jitters sent her running to Chicago.

Miss Hart at first claimed she had been kidnaped, then admitted she had taken a bus from New York. The reason, she said, was the strain of elaborate wedding preparations.

Church At Cumberland Awaits Revival Series

Revival services will begin Tuesday at 7:30 p. m. at the New Cumberland Church of the Nazarene, continuing through Sept. 13.

The Rev. James T. Hokada, a Japanese-American from Honolulu, Hawaii, will be the evangelist. He was converted from Buddhism to Christianity. In one of the services, he will give the account of his conversion. He also will show color slides of the scenery and his work in Hawaii.

He attended Trevecca Nazarene College at Nashville, Tenn., and Bethany Nazarene College in Bethany, Okla. He has served as a missionary in Hawaii.

Held In Shooting

CINCINNATI (AP)—Fate Burse, 56, sought in a fatal shooting here, was returned Sunday from Hamilton where he surrendered, police reported. Police hunted Burse after Alexander Jones Jr., 22, was shot fatally in front of Burses' home early Saturday. No charge was filed immediately.

Help For Dependent

WASHINGTON (AP) — The federal government spends more than 181 million dollars for aid to dependent children in cases where illegitimacy is the cause of the dependency, according to statistics compiled by the Library of Congress legislative reference service.

Socialite In Kidnaping Leaves On Honeymoon

SHORT HILLS, N.J. (AP)—Socialite Jacqueline Gay Hart, who became Mrs. Stanley N. Gaines over the weekend, is off on a "three or four-year honeymoon," says Ralph A. Hart, her father.

She and Gaines were married Friday in a quiet ceremony at the Hart residence here.

The ceremony was a far cry from the impressive one that had been planned for the 21-year-old blonde, who touched off a nationwide search last month when bridal jitters sent her running to Chicago.

Miss Hart at first claimed she had been kidnaped, then admitted she had taken a bus from New York. The reason, she said, was the strain of elaborate wedding preparations.

Syria has about 21 ancient castles, many well preserved.

KHRUSHCHEV

Nikita Sergeyevich Khrushchev moves as fast as he talks. When the garrulous, roly-poly boss of Soviet Russia is not sojourning for a spell in the Crimea, he's off somewhere on what is termed a good-will visit. One day he may be in Poland, another in East Germany or in Czechoslovakia, or he may go as far as India or China. His trip to the United States, his first, is taking him farther than he's ever gone before.

Khrushchev has gone a long way literally both in politics and on foot. The son of a Kursk region coal miner, he was schooled in the ways of communism while he was still a youth. He served in the Red Army shortly after the 1917 revolution and then went to a technical school in Moscow.

His talents for organizing caught the eye of the Soviet higher-ups. He became a trusted trouble shooter. For more than 10 years he ruled the Ukraine with an iron hand.

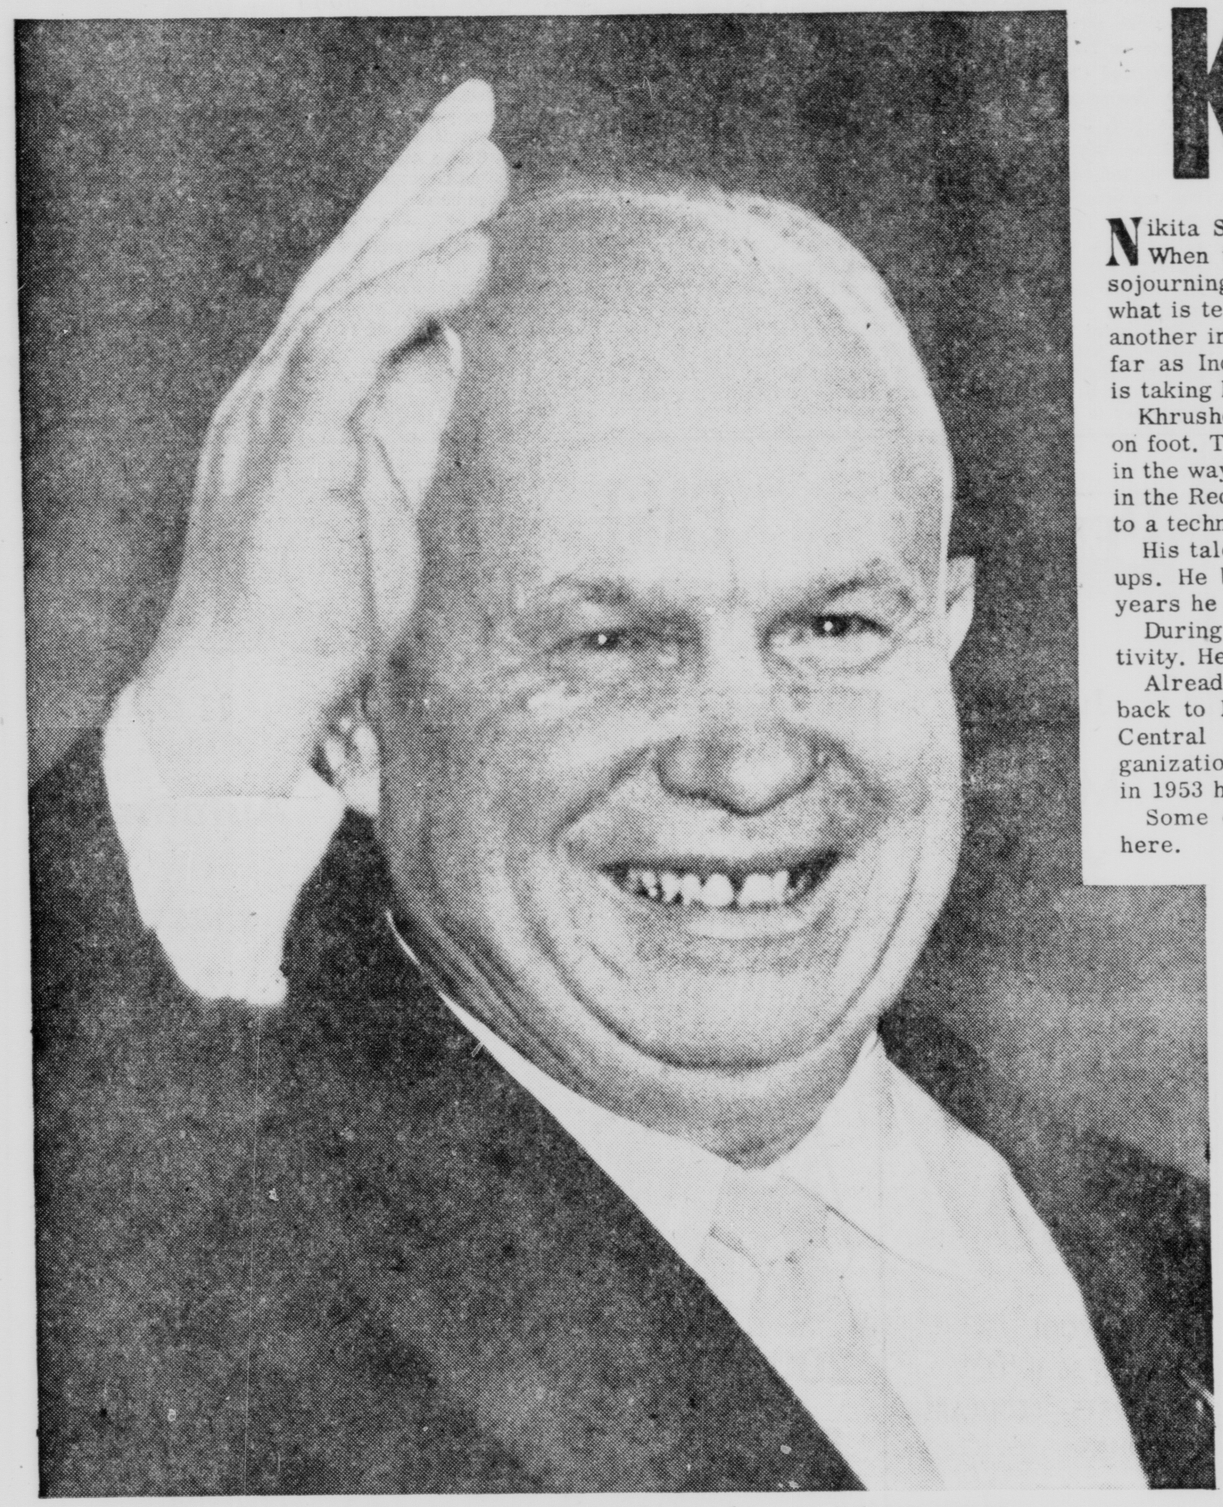

During the war Khrushchev helped to direct guerrilla activity. He held the rank of lieutenant general.

Already a member of the Politburo, Khrushchev was called back to Moscow in 1949 to be a secretary of the Communist Central Committee. Simultaneously he headed the party organization in the key Moscow region. Soon after Stalin's death in 1953 he emerged as the Soviets' head man.

Some of the highlights of Khrushchev's career are pictured here.

Khrushchev stands close to Stalin at a Moscow airport ceremony in 1936.

The Soviet Premier can turn on charm whenever it is necessary.

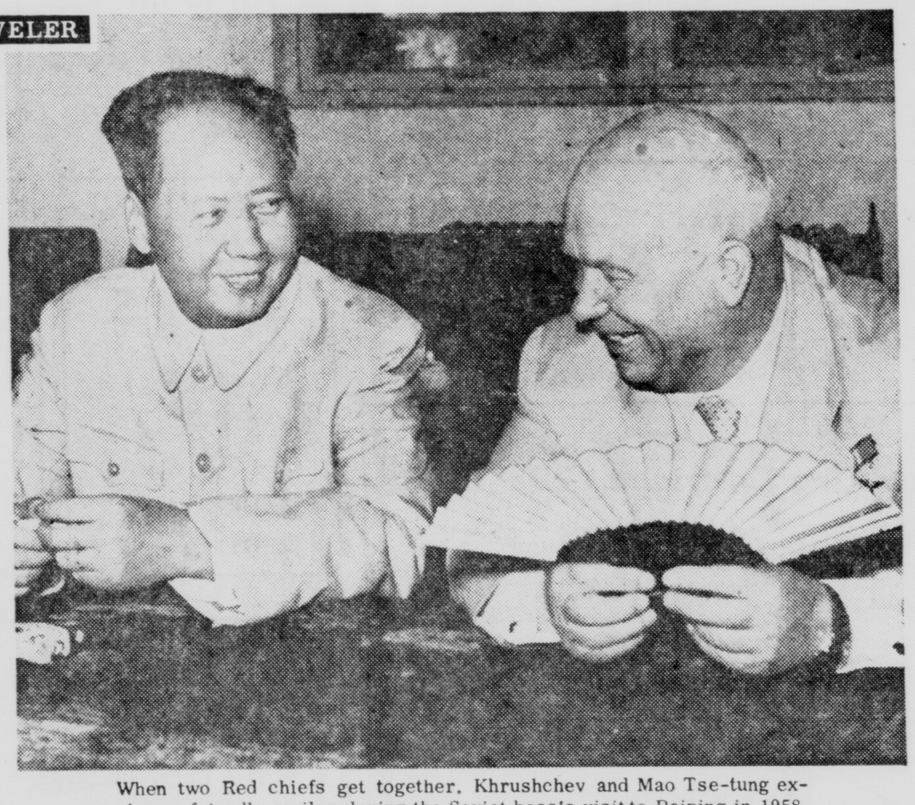

Khrushchev, right, with rank of lieutenant general, talks with Red Army troops marching near Stalingrad in autumn of 1942. At that time he was a member of the military council for Stalingrad.

THE TRAVELER

Fellow travelers for the moment. Nikolai Bulganin, then Premier, looks dour as he and Khrushchev, smiling and waving, leave Finland after visit in 1957. Nine months later, Bulganin was out of office.

When two Red chiefs get together. Khrushchev and Mao Tse-tung exchange friendly smiles during the Soviet boss's visit to Peiping in 1958.

Honor guard greets Khrushchev on arrival in East Berlin. Following him are East Germany's Red leaders, Premier Otto Grotewohl and Walter Ulbricht, party chief.

THE HOST

When in Russia. . .British Prime Minister Harold Macmillan, being greeted by Khrushchev at Moscow airport, wears a fur hat like his host.

The Soviet boss plays host to members of American ice show at party backstage after his surprise visit to show in Moscow's Lenin Stadium.

At dinner in U. S. Embassy in Moscow, Khrushchev and Vice President Nixon swap friendly talk.

Disability Clauses Explained In Social Security Regulation

One of the newest changes in the Social Security law, which provides a degree of protection against loss of income because of disability, was explained today by William J. McCualey, manager of the Youngstown district Social Security office.

Three kinds of protection are provided. First of all, monthly benefits may be paid to disabled workers aged 50 to 65 and to their dependents. Disabled workers under 50 may protect their rights to future benefits by having their earnings "frozen." Disabled children of retired or disabled workers, or workers who have died, may continue to be paid benefits after 18 if they became disabled before 18.

Certain work requirements are necessary to be eligible for a "freeze" or for disability insurance benefits. Generally, you meet the work requirements if you work 5 years out of the 10 years preceding disability. To be eligible, the worker must be so disabled that he is unable to engage in any further substantial gainful activity.

The disability may be a physical or mental impairment which is expected to continue indefinitely, or to result in death. Disability insurance benefits may not be made, nor the record frozen, until you have been disabled 6 months or more.

The Social Security district office will assist in making application for the freeze or for disability insurance benefits. It also will provide you with the necessary medical report forms. You are then asked to have your doctor or a hospital complete the forms, giving information about your impairments, their history, severity, test results and treatment. Your doctor does not decide if you are disabled under the law. The medical report he fills out, together with information about your education, work experience and other abilities, are considered by a team of doctors and others to determine if your condition keeps you from doing any substantial gainful work.

Disability insurance benefits at age 50 are figured just as retirement benefits are and range at present from $33 to $116 a month. While you are receiving disability benefits, payments can be made to your children under 18 and even if they are over 18 if they became disabled before reaching 18. As with retirement benefits, your wife, regardless of age, can be paid if she has a child in her care who is eligible for benefits. If there are no children eligible for benefits, she may be paid benefits if she is 62 or over.

Many people wonder: Why apply for the freeze if there are no disability insurance benefits paid until 50? The freeze protects not only your rights to disability insurance benefits when you reach 50, but also the amount of benefits to you and your family. Benefits are based on the average earnings of a worker. This average is lowered if you are unable to work because of disability unless a freeze is established to exclude these periods of no earnings. So it's important if you become disabled before reaching 50 to have your earnings record frozen.

The Social Security district office will furnish on request a booklet entitled "What If You Become Disabled?" The office serving Mahoning and Columbiana Counties is at 123 W. Commerce St., Youngstown.

Rare Disease Kills Girl In Coma Three Years

HARRISBURG, Pa. (AP) — A rare degenerative disease of the central nervous system has ended in death of a girl who had been in a coma for more than three years.

Gloria Miller, 15, of Chambersburg, Pa., died Sunday in Harrisburg State Hospital. Doctors said there is no present cure for the disease.

6-Week Rest Proposed By Legislator

WASHINGTON (AP) — Sen. George Smathers (D-Fla) has proposed that Congress take a six-week recess starting next Friday.

Smathers, in a weekend letter to Senate Majority Leader Lyndon B. Johnson (D-Tex), pointed to unfinished business—the stalemate over labor legislation, President Eisenhower's veto of the water bill, and a snarl over the Chicago lake diversion bill.

Smathers noted Soviet Premier Nikita Khrushchev's visit starts Sept. 15 and said "I think it would be the most suitable thing for all of us to be at home visiting with our constituents at that time."

Johnson has said time and again that Congress should stay on the job until it passes major legislation including a controversial civil rights bill.

On this matter, Sen. Jacob K. Javits (R-NY) said Sunday he would like Khrushchev to witness "a good hot civil rights debate" while he is here and "show him that we don't send our minorities to Siberia."

Hit By Flash Flood

CANTON, Ohio (AP)—A flash flood in North Canton Sunday kept village employes and volunteer workers busy pumping out some 30 basements and repairing damage to the sewage disposal plant. An estimated four inches of rain fell between 2:30 and 5 p.m. and water spilled over from a nearby creek, covering the grounds at the sewage plant. A power falure resulted, halting pumping.

Ohio 5-Day Forecast

Temperatures expected to average 2 to 4 degrees above normal. Normal high 79 north to 82 south. Normal low 57-60. Only minor day-to-day changes during the week. Showers and scattered thundershowers indicated south portion Wednesday and most of state Thursday. Rainfall averaging one-half to one inch with locally heavier amounts.

Butterflies can tell differences in the sweetness of liquids that taste alike to human beings.

Caught With Budgets Down

Legislatures' Tax Changes More Than Any Since War

By SAM DAWSON

NEW york (AP)—Caught with their budgets down state legislatures have made more major tax changes this year than in any year since the war. With few exceptions the changes were to get more dough.

The fiscal picture for most of them changed from rosy to dark in the period between 1957 and 1959, the Tax Foundation reports today.

"Two years ago," says the private research organization, "the future appeared bright to most states. They had larger general fund balances than they had anticipated. Tax revenues were productive beyond expectation."

Then the recession pinched tax collections. At the same time there were increased demands because of rising populations, increasing costs and clamor for broader and improved services.

When new budgets came up this year a considerable number of states found they had deficits, a new postwar experience for most of them. Others feared deficits before the end of the fiscal year.

Even so, tax collections by the states as a whole set a record in fiscal 1959 of 15¾ billion dollars, up one billion dollars in a year, the Commerce Department reports. It was just that demands for more spending rose even faster.

The Tax Foundation has reviewed legislation in 38 states where the lawmakers have adjourned. Eight other legislatures are still in session and there were no sessions in the remaining states. The Foundation reports 111 major tax changes, compared with the previous peak of 101 in 1955.

Of this year's major changes, 87 involve tax increases, 12 are new taxes, and 5 are reductions. One state repealed a tax. Six started general withholding of personal income taxes.

The foundation feels sure the state legislatures still in session will add to the final total of major tax changes.

Among major tax increases approved to date are 8 on individual incomes, 8 on corporate income, 12 on sales, 4 on gasoline, 17 on tobacco and 12 on alcoholic beverages.

Fifteen governors submitted budgets asking for no new revenue sources. They planned a balance by use of cash on hand, increased collections from existing taxes or by borrowing. However, three of their state legislatures increased taxes anyway.

The one repeal was in Kansas where the oil and gas severance tax (based on depletion of natural resources) was withdrawn after having been declared unconstitutional.

Reduced rates were ordered by: Louisiana on pari-mutuel pools, Montana on corporate income, Oregon on public utilities and some manufacturer's equipment.

Man's 'Life Of Crime' Ends With Purring Cat

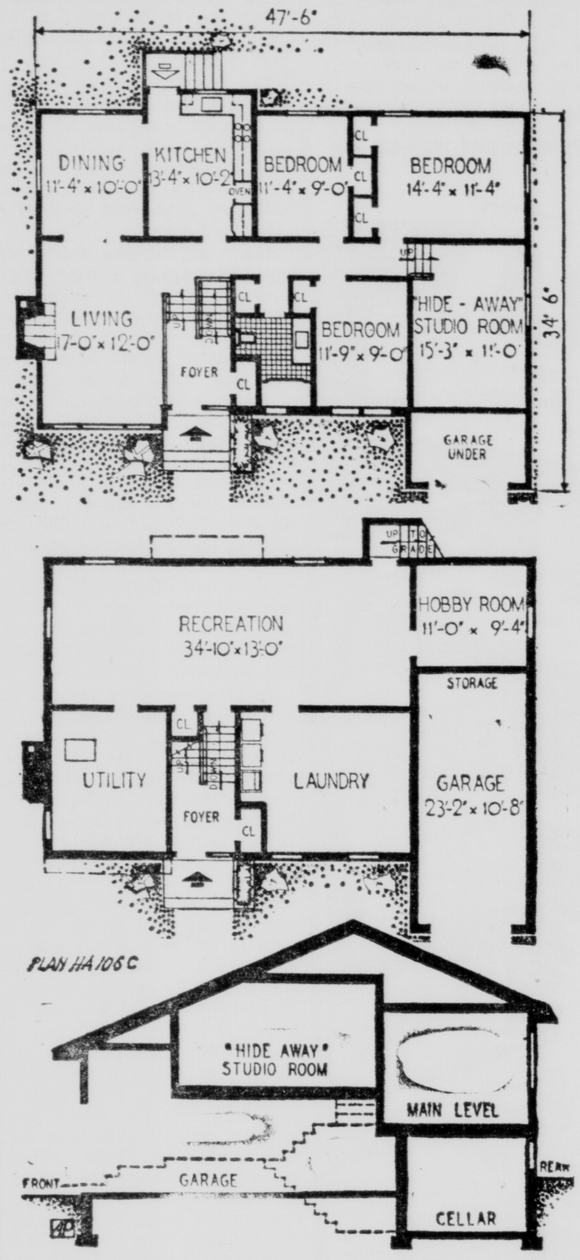

LOS ANGELES (AP) — Police say a purring cat brought an end to Richard Savoy's aspirations to a life of crime.

They said Savoy climbed into James A. Bentley's car in Los Angeles Saturday night and forced him at knifepoint to drive 55 miles to Oxnard and back. Bentley, 47, a Los Angeles engineer, said Savoy told him he was holding him hostage until he could get a deputy sheriff's gun with which to start a life of crime.

Also kidnaped was Bentley's cat, Goldie. En route back from Oxnard Goldie crawled into Savoy's lap and began to purr—and then went to sleep. Savoy relaxed. Soon he went to sleep, too.

Bentley spotted a police patrol car and flagged down the officers. They booked the 31-year-old Savoy on suspicion of kidnaping.

RANCH-SPLIT. This is a ranch with a split personality—seven rooms with "hide-away" studio room over the garage. Other features are a recreation room almost 35 feet long, hobby room and separate dining area and kitchen. The living area is 1,445 square feet. West Virginia House Group Urges Money For Armories

WASHINGTON (AP) — West Virginia's House members today urged House-Senate conferees to include money for four National Guard armories for the state.

The Senate, but not the House, included funds in the military construction appropriation bill for proposed armories at Logan, Gassaway, Weston and Clarksburg.

Rep. Cleveland M. Bailey (D-WVa) said the West Virginians are furnishing information to the conference committee that the state has ready its share of the cost and that sites are being offered.

Lt. Col. J. Henry Francis Jr., West Virginia National Guard armory program coordinator, has supplied the West Virginia delegation with additional arguments for the armories.

Francis wrote that the armory facilities being rented in each of these communities are grossly inadequate.

In the case of Gassaway, he said, the building is in dangerous condition and must be vacated. The buildings at Logan he described as being subject to floods.

"In the other two cases," he added, "the buildings are makeshift garages, which are a detriment rather than an asset."

Francis said the state owns adequate sites in each of the communities involved and state funds are available to pay West Virginia's share.

If the money is appropriated, he added, construction could start on each project before Dec. 31.

Bailey said the armories would be constructed in communities needing additional employment.

Federal cost is placed at $189,000 and state cost at $65,000 for each of the armories.

"I think there is a pretty good chance for getting the money approved," Bailey said.

Women Begin To Paint It Up

By ANDY LANG
AP Newsfeatures

The hand that rocks the cradle is getting a good grip on the paint brush.

And the manufacturers have become aware of it. They are placing greater stress on styling and color in new paint brush lines. Bright yellow, blue and pink brush filaments — are being introduced to capture the eye of homemaker painters.

Ten years ago, women accounted for no more than five cents out of every paint brush dollar. Much of that represented purchases made at the requests of their husbands. Today, approximately 35 cents of every dollar spent on the purchase of paint brushes comes from women.

Furthermore, according to a survey by the Paint Brush Division of the American Brush Manufacturers Assn., nearly all of that 35 cents is being spent by the women who actually do the painting.

The survey was made in paint, hardware and department stores and other retail establishments where painting supplies are sold.

What else was found out about women as wielders of paint brushes around the house? Well, this is the part that the men should skip.

It was learned that women make better - than - average painters because they are more concerned with the final appearance than most men. They spend more time selecting the right color and thinking about the end results. Thus, when they are ready to paint, they do the work more carefully.

And, according to the survey, women are rarely sloppy painters for the very simple reason that they realize they have to clean up later.

What do the women paint? Chairs most frequently. Kitchen tables and cabinets are next, followed by juvenile furniture and toys. Very often, a woman's first paint job is an emergency project, such as painting a badly scratched surface. Of every 10 women who paint for the first time, nine are said to gain enough confidence in their ability to move on to larger projects.

Several reasons are given for the rapid increase in painting by women.

Labor-saving home appliances, convenience foods, etc., give them more time for home maintenance and improvement. Tight family budgets prompt do - it - yourself painting jobs. And new quick-dry paints and other industry advances make painting easier and encourage women to try their hands at it.

Three Have Busy Time As Their Boat Sinks

SAUSALITO, Calif. (AP)—Their 18-foot motorboat was sinking under three San Franciscans, so they abandoned ship in the bay.

Then Jerry Anolik, Fred Manley and Gunnard Mahl climbed right back in when they decided a black creature circling them was a shark.

But the shark barked like a sea lion, so they jumped overboard again and waited an hour for a passing yachtsman to pick them up.

They spent Sunday raising their craft and found a loose hose behind the engine responsible for the leak.

How Can I

By ANNE ASHLEY

Q. How can I remove animal stains from my rugs?

A. Clean them as quickly as possible by sponging with a salt solution (half a cup to a quart of water), and then with a solution of one part ammonia to 20 parts water.

Q. How can I fashion an emergency funnel for pouring salt, pepper, and sugar?

A. An envelope, with the tip of its corner cut off, will make a handy funnel in an emergency for pouring sugar, salt, pepper, and such things.

Q. How can I keep the light color of freshly-cut peaches?

A. They will not lose their color if wrapped in waxed paper and placed in the refrigerator until ready to be served. This allows the housewife to prepare them further in advance if she wishes.

Dreams Keep Fun In Homemaking

By VIVIAN BROWN
AP Newsfeatures Writer

If women were content with their homes, much of the joy of homemaking would disappear.

Part of the fun of homemaking is in planning new furnishings, talking about a new decor and saving money to accomplish these desires.

And the husband who permits his wife these expansive dreams is wise indeed, because chances are she will settle for much less, and will have changed her mind dozens of times before the man has accrued funds for a new project.

Here are some letters that show how the wind is blowing in that direction:

"I have a lovely little Louis XIV bergere with soiled damask cover. I am devoted to the chair which does not fit in with my other furnishings—Early American, French Victorian (love seat), Oriental (Chinese Chippendale chair). My husband suggests disposing of it since we are going to do a new color scheme, anyway. Our walls are bright white and we plan to use red and blue in new upholstery, draperies, and perhaps a slip cover for the large sofa. Do you have any suggestions about distributing these colors? Do you think there is any way the chair could be salvaged?"

These furnishings could live happily ever after, since you have gotten along well with them up until now. Do something dramatic in color and texture of materials, and everything should harmonize.

You could antique the frame of the French chair, for instance, in a robin's egg blue, and cover it in the same shade of leather. If you are a purist about antiques, skip coloring the frame, and just recover it. Lipstick red felt could make a charming contrast used on the love seat and a white and blue nubby weave fabric would be pretty upholstery for a Chinese Chippendale chair. Or do your large sofa in robin's egg blue, the French chair in red, and Oriental chair in blue and white.

'Q. "Are there any rules about planning a kitchen? I have ordered new appliances but I can't quite figure out how to place them."

A. It's a good idea to have range, sink and refrigerator close together to save steps, but if there is room there should be counter space on either side of the refrigerator to break up the bulky look. There should be a work counter next to the sink, and if possible there should be a window above or near the sink. A kitchen will need an exhaust fan above the stove or oven unless there is other ventilation. It is considered bad planning to have refrigerator and stove at opposite ends of the room. Outer space in a kitchen should be used for food preparation, dining centers, cook books.

Q. "I have an early Chauncey Jerome shelf clock, the outer section of which seems to be peeling from the dry house we live in. It seems to be ruining the clock. Is there any way this could be refinished?"

A. If it is the one inch stripping that runs around the front of the clock, it could easily be replaced by a refinisher of antiques. The stripping is veneer, and it could be replaced entirely or patched up in sections, depending on the condition of the clock. The rest of the clock is solid wood.

DOUBLE DUTY CARPORT. Carports have become more than just a place to house the family bus, for now they've taken over the storage duties of garden shed and basement. Here, carport for two autos was made more interesting and useful with center storage divider, designed of western red cedar boards and reversed battens to match house siding. Siding and storage divider were given driftwood stain.

the right foot and right shoulder. She is the daughter of Mr. and Mrs. Hugh Daniels.

Dittmer escaped injury and his 1954 sedan received only minor damage, officers said.

Daniels and his family had visited Mr. and Mrs. James Daniels, 312 2nd St., Wellsville, his uncle and aunt, and were returning home when the mishap occurred. His 1955 station wagon was heavily damaged, the patrol reported.

In a one-car accident this morning at 3:20 near Columbiana, Jack Stephens, 25, of Columbiana R. D. 2 escaped injury when he fell asleep at the wheel and his auto struck a utility pole. He was charged with reckless operation. The mishap occurred on County Rd. 440 about a half mile east of the village.

George Smith, 50, of Mingo Junction forfeited a $16 bond in Municipal Court this morning when he failed to appear for a hearing on a charge of failure to stop in the assured clear distance.

He was cited by the patrol after his car hit the rear of one driven by Kenneth Frye, 23, of 415 Harrison St., Newell, at the intersection of Routes 7 and 30 Sunday night about 7.

Bazil Hurst, 20, of Hepzibah, W. Va., was charged with failure to stop in the assured clear distance after a three-car mishap on Route 45 about two miles south of Salem yesterday afternoon.

The patrol said cars driven by Wilbert Kemp, 18, of Burgettstown R. D. 1, Pa., and Joseph Gedris, 18, of Aliquippa R. D. 1, Pa., slowed for traffic ahead when Hurst's car hit the rear of Kemp's, knocking it into Gedris'. Minor damage resulted.

East End Driver Cited As Auto Hits Guardrail

An East End motorist was scheduled to appear before Municipal Judge George L. Brokaw this afternoon on a reckless driving charge after escaping injury Saturday night when his car knocked down five guardrail posts at the top of the E. 5th St. hill.

Ronald Hull, 29, of 1169 Harker Ave. was cited after he walked into the police station to report the mishap. He told police he fell asleep at the wheel and lost control of his car.

A city woman forfeited $16 in court this morning after being cited early Saturday afternoon after a collision on W. 6th St. which caused extensive damage to two autos.

Sara C. Watson of Montana Ave. was cited for failing to stop within the assured clear distance after the car she was driving struck the rear of a car operated by John P. Sachs of Park Blvd.

Police said there was extensive damage to the front of the 1954 sedan owned by Lucy Smith of Valley Trailer Court and to the rear of Sachs' station wagon.

A flashlight rolling on the floor of the car was blamed for a mishap early Sunday on Erie St. in which a car driven by John Dill, 59, of 457 1st Ave. struck a parked car owned by Kenneth Lawther, 1276 Erie St.

Dill told police he was headed west when something hit his foot and frightened him. He said he questioned his wife who said she had been bitten. While attempting to find the object, which turned out to be the flashlight, the car crossed the street and struck Lawther's auto, damaging fenders of both cars.

Minor damage was caued Saturday afternoon at Lincoln Ave. and E. 8th St. when a car operated by Vincent Laneve, 30, of Pickering St. struck a parked auto owned by Homer Martin of McKee St.

Laneve said he attempted to pull over to avoid a car making a turn from E. 8th St. onto Lincoln and struck the Martin car.

Weirton Driver Hurt When Auto Hits Pole

NEW CUMBERLAND—William P. Carte, 24, of Weirton was hospitalized with injuries received when his auto crashed into a telephone pole on Chestnut St. at 3:15 a. m. today.

Hancock County sheriff's deputies said Carte apparently fell asleep while driving south near the entrance to Dam 9.

Carte suffered lacerations of the lips and gums and had several teeth knocked loose. He was taken to the Weirton General Hospital.

Deputies said he would be cited for hazardous driving and will appear later this week before Mayor Albert Fuccy of New Cumberland.

Between 2,150 and 2,200 youngsters are expected to begin studies at the district's buildings tomorrow as regular bus and cafeteria schedules go into effect the first day, George VanHorne, executive director, reported.

New teachers were meeting with Chamber of Commerce representatives late this morning for introductory visits to the East Liverpool area. Faculty members were to meet at their respective buildings this afternoon.

Virtually all other district schools are slated to open Tuesday. They include East Liverpool, Wellsville, Midland, Fairfield Local, New Waterford, Beaver Local, Calcutta, West Point, Negley, Southern Local, United Local, Elkton, Rogers and Stanton Local. Western Beaver County and South Side Schools will open Wednesday.

East Liverpool and Wellsville parochial schools will open Tuesday, Sept. 8, as will Lisbon Schools. East Palestine Schools will begin the fall term Wednesday, Sept. 9.

Drivers Get Warning Of Schools' Reopening

With more than 5,000 children returning to city schools Tuesday, motorists and children were urged today by Police Capt. Robert H. Pyle to be on the alert.

Capt. Pyle reminded motorists they must obey the signals of school crossing guards, slow to 20 miles an hour in school zones while school is in session and stop for school busses halted to load or discharge children.

Parents were asked to instruct their children to obey the orders of school crossing guards, stay on sidewalks while walking to and from classes and stay on the side of the road facing oncoming traffic where there are no sidewalks.

Capt. Pyle also warned students not to walk in large groups in the middle of streets and, if possible, to stay off the traveled portion of streets in places where there are no sidewalks.

Violence In New York

Two Boys Stabbed Fatally As Gang Raids Playground

NEW YORK (AP)—Police said today that at least a dozen suspects would soon be arrested in connection with the latest outburst of murderous teen-age violence on New York City streets.

Chief of Detectives James B. Leggett said that two would be charged with homicide, and the rest with unlawful assembly or held as material witnesses.

Leggett said the fatal stabbings apparently did not represent organized gang action.

Two boys were stabbed to death early Sunday when a gang of boys armed with knives attacked a group of youngsters in a West Side playground.

The leader of the attacking group, police were told, wore a black cape and carried a cane.

The deaths brought to four the number of young people killed in teen-age violence in a week. The city's toll so far this year is eight dead.

A third boy was stabbed in the stomach in Sunday's violence, a bottle was broken over another boy's head, and two other boys and a girl were roughed up.

Six boys and two girls were sitting in a darkened playground on Manhattan's West Side when they were set upon.

One of the boys who was roughed up, Jimmy Orphanos, 15, said the gang leader wore a black cape, "like the kind Dracula wears in the movies," and carried a cane.

Orphanos said that the youth in the cloak told him just before the gang fled: "This will teach you to fool with the Young Lords."

Police said the gang was Spanish-speaking. Officers questioned members of the Young Lords, a Puerto Rican street gang which hangs out about 30 blocks away from the playground.

One of the survivors said an attacker yelled "we don't allow gringos near the park." Spanish-speaking people sometimes use "gringo" as a contemptuous word for North Americans.

The area where the violence broke out is not far from the old Hell's Kitchen section. It is an area of run-down tenements, where there is a delicate balance of tension between the older elements—Italians and others—and Puerto Rican newcomers.

The two 16-year-old boys, Anthony Krzesinski and Robert Young, staggered into tenements across the street before they collapsed and died.

Ewald Riemer, 18, was in fair condition in a hospital, suffering from a stab wound in the abdomen.

Harold Luken, 16, suffered less serious injuries when he was hit on the head with a bottle. His sister, Sandy, 14, escaped unhurt.

Orphanos was beaten with an umbrella, a 15-year-old girl with him, whose name was not disclosed, was punched in the face. Tony Woznikaites, 15, was slugged several times.

Order Of Rank

ANTIGO, Wis. (AP) — A poker player will have no trouble flushing out the top grades of potatoes marketed this fall by a new marketing cooperative formed in this spud capital of Wisconsin. They'll be called, in order of quality, Antigo Royal Aces, Antigo Kings and Antigo Queens.

FORT WAYNE, Ind. (AP) — Pete Bojinoff has a living souvenir of a trip two years ago to Washington. A White House guard gave Bojinoff a pod from one of the magnolia trees on the lawn, and now he has a two-foot-high magnolia on his own yard.

Cool Air Brings Relief To Central Part Of U.S.

By The Associated Press

A welcome flow of cool air moved into the central part of the country today, ending at least temporarily the season's longest spell of hot and humid weather.

The cool air was felt in areas from northern Texas northward into South Dakota and into the eastern half of Colorado. It was expected to spread into most of the mid Mississippi Valley eastward to the lower Great Lakes region during the day.

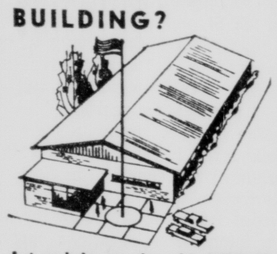

Violent storms and rain broke out during the weekend in the muggy weather belt. Rain splashed most sections from the Atlantic Coast across the plains into Colorado. Gusty winds, hail and heavy rain hit many areas Sunday and during the night. Lightning killed at least 10 persons over the weekend.

Sections of Texas were hammered by severe thunderstorms Sunday night. Winds up to 82 m.p.h. lashed the Dallas-Fort Worth area as the thunderstorms broke the 103-degree heat wave.

More than two inches of rain fell at Detroit, Syracuse, N. Y., Savannah, Ga., and Tallahassee, Fla. A tornado ripped through Devol, in southwest, Oklahoma, destroying five houses, the city post office and injuring one person.

America's first practical gasoline automobile was built by the Duryea brothers in 1892 in Springfield, Mass.

Dreams Keep Fun In Homemaking

By VIVIAN BROWN
AP Newsfeatures Writer

If women were content with their homes, much of the joy of homemaking would disappear.

Part of the fun of homemaking is in planning new furnishings, talking about a new decor and saving money to accomplish these desires.

And the husband who permits his wife these expansive dreams is wise indeed, because chances are she will settle for much less, and will have changed her mind dozens of times before the man has accrued funds for a new project.

Here are some letters that show how the wind is blowing in that direction:

"I have a lovely little Louis XIV bergere with soiled damask cover. I am devoted to the chair which does not fit in with my other furnishings—Early American, French Victorian (love seat), Oriental (Chinese Chippendale chair). My husband suggests disposing of it since we are going to do a new color scheme, anyway. Our walls are bright white and we plan to use red and blue in new upholstery, draperies, and perhaps a slip cover for the large sofa. Do you have any suggestions about distributing these colors? Do you think there is any way the chair could be salvaged?"

These furnishings could live happily ever after, since you have gotten along well with them up until now. Do something dramatic in color and texture of materials, and everything should harmonize.

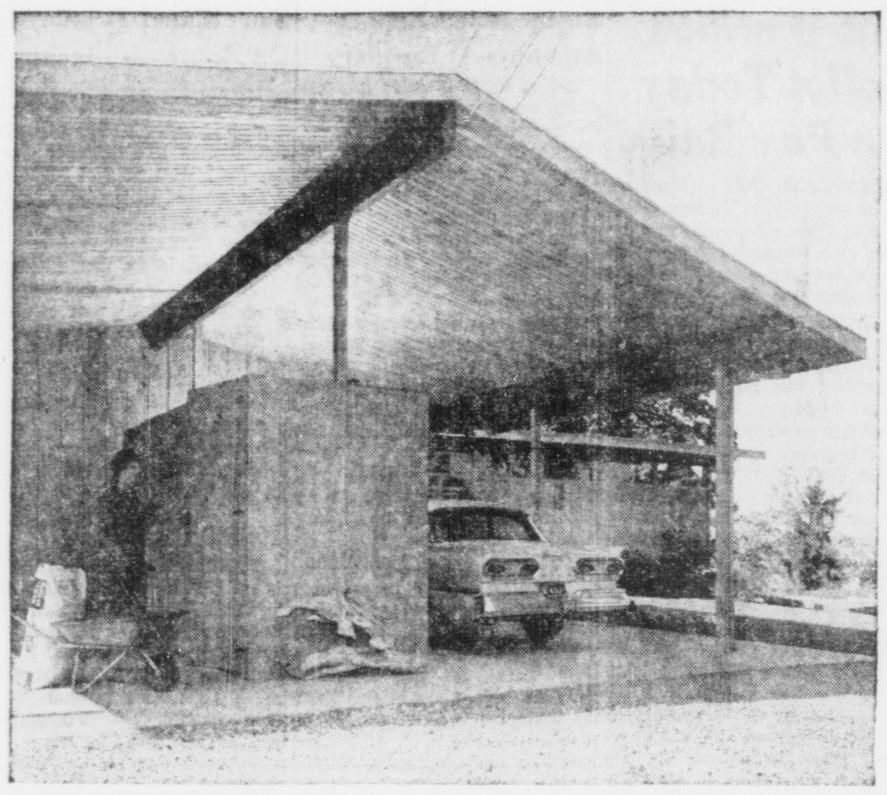

You could antique the frame of the French chair, for instance, in a robin's egg blue, and cover it in the same shade of leather. If you are a purist about antiques, skip coloring the frame, and just recover it. Lipstick red felt could make a charming contrast used on the love seat and a white and blue nubby weave fabric would be pretty upholstery for a Chinese Chippendale chair. Or do your large sofa in robin's egg blue, the French chair in red, and Oriental chair in blue and white.

Q. "Are there any rules about planning a kitchen? I have ordered new appliances but I can't quite figure out how to place them."

A. It's a good idea to have range, sink and refrigerator close together to save steps, but if there is room there should be counter space on either side of the refrigerator to break up the bulky look. There should be a work counter next to the sink, and if possible there should be a window above or near the sink. A kitchen will need an exhaust fan above the stove or oven unless there is other ventilation. It is considered bad planning to have refrigerator and stove at opposite ends of the room. Outer space in a kitchen should be used for food preparation, dining centers, cook books.

Q. "I have an early Chauncey Jerome shelf clock, the outer section of which seems to be peeling from the dry house we live in. It seems to be ruining the clock. Is there any way this could be refinished?"

A. If it is the one inch stripping that runs around the front of the clock, it could easily be replaced by a refinisher of antiques. The stripping is veneer, and it could be replaced entirely or patched up in sections, depending on the condition of the clock. The rest of the clock is solid wood.

George Smith, 50, of Mingo Junction forfeited a $16 bond in Municipal Court this morning when he failed to appear for a hearing on a charge of failure to stop in the assured clear distance.

He was cited by the patrol after his car hit the rear of one driven by Kenneth Frye, 23, of 415 Harrison St., Newell, at the intersection of Routes 7 and 30 Sunday night about 7.

Bazil Hurst, 20, of Hepzibah, W. Va., was charged with failure to stop in the assured clear distance after a three-car mishap on Route 45 about two miles south of Salem yesterday afternoon.

The patrol said cars driven by Wilbert Kemp, 18, of Burgettstown R. D. 1, Pa., and Joseph Gedris, 18, of Aliquippa R. D. 1, Pa., slowed for traffic ahead when Hurst's car hit the rear of Kemp's, knocking it into Gedris'. Minor damage resulted.

East End Driver Cited As Auto Hits Guardrail

An East End motorist was scheduled to appear before Municipal Judge George L. Brokaw this afternoon on a reckless driving charge after escaping injury Saturday night when his car knocked down five guardrail posts at the top of the E. 5th St. hill.

Ronald Hull, 29, of 1169 Harker Ave. was cited after he walked into the police station to report the mishap. He told police he fell asleep at the wheel and lost control of his car.

A city woman forfeited $16 in court this morning after being cited early Saturday afternoon after a collision on W. 6th St. which caused extensive damage to two autos.

Sara C. Watson of Montana Ave. was cited for failing to stop within the assured clear distance after the car she was driving struck the rear of a car operated by John P. Sachs of Park Blvd.

Police said there was extensive damage to the front of the 1954 sedan owned by Lucy Smith of Valley Trailer Court and to the rear of Sachs' station wagon.

A flashlight rolling on the floor of the car was blamed for a mishap early Sunday on Erie St. in which a car driven by John Dill, 59, of 457 1st Ave. struck a parked car owned by Kenneth Lawther, 1276 Erie St.

Dill told police he was headed west when something hit his foot and frightened him. He said he questioned his wife who said she had been bitten. While attempting to find the object, which turned out to be the flashlight, the car crossed the street and struck Lawther's auto, damaging fenders of both cars.

Minor damage was caued Saturday afternoon at Lincoln Ave. and E. 8th St. when a car operated by Vincent Laneve, 30, of Pickering St. struck a parked auto owned by Homer Martin of McKee St.

Laneve said he attempted to pull over to avoid a car making a turn from E. 8th St. onto Lincoln and struck the Martin car.

Bringing Up A Family

Don't Brag Of Child's Bad Deeds

"He's the worst of all our children," proudly declared the father of his son, about two, as the lad wiggled the steering wheel. "We must hurry off before he wrecks our car." The family had driven to the home of a farm neighbor. "Just can't do anything with this youngster," begins the mother at the office of her pediatrician. More often, such is her utterance to a guest or neighbor. Usually, this bragging takes place right in the presence of the child described. The youngster must then suppose he is quite a hero and may proceed right then and there to live up to his description. Surely he will have a strong motive to prove from then on that he is as bad as his parents say he is.

By Garry Meyers

—:—

NOR IS SUCH bragging about a tot's bad behavior limited to parents who are illiterate or low in intelligence. I have heard it from parents with college degrees.

There must come from such utterances a feeling of self-importance. If the parent is presumably well educated, it may make him feel superior in letting it be known that he is not over-strict and is "keeping up with the Joneses" in practicing "permissiveness."

At the opposite extreme, perhaps, is the parent who tells, in the tot's prescence, how severely this child has had to be punished. Even after a neighbor or guest, upon arriving, has complimented this tot for something, the parent may immediately relate some recent naughty deed of this youngster or indicate that he had to be punished just a little while before.

Then there is the parent who, before company, brags about the smart remarks and doings of the tot who is listening. These parents may even try to get the child to repeat some of these remarks or to spout off some statements he has been taught as if he were a trained seal.

—:—

AS A RESULT, the youngster gains an inflated ego and when guests later fail to marvel at him he may become obnoxious and unhappy. All the while, the offending parents or close relatives are enjoying silly pride.

Another variation of foolish parental behavior is having a tot repeat some earlier awkward statement so the guests may laugh with them at the child. Though at first the child might like this, he usually suffers ignominiously before his parents have awakened to the harm they are doing him.

In contrast, it's wonderful when parents are wise enough to enjoy seeing the baby and tot grow up normally as a developing precious young person.

I once wrote a prayer for myself as parent. A copy of it may be had by sending a self-addressed stamped envelope to me in care of this newspaper.

Former Boxer Dies

CLEVELAND (AP) — Jack M. Lavin, 64, former Cleveland middleweight boxing champion, died in Huron Road Hospital Sunday after suffering a heart attack Saturday at his home in South Euclid. He took up boxing following service in World War I. He worked as a sparring partner for former heavyweight champion Jack Dempsey.

Grange Fixes Election Plans

Officers will be elected at a meeting of the Clarkson Grange Thursday night at 8 at the Grange Hall, Carl Daiger, master, announced.

Mrs. Shirley Hole will lead devotions at a meeting of the United Presbyterian Women's Association of the Presbyterian Church Wednesday night at 8 at the Band Hall. Mrs. Harry Thompson, president, will conduct business. Refreshments will be served by Mrs. Jeanne Lowers and her committee.

Kerry Meiers, student pastor of the Presbyterian Church, has concluded a three-week vacation with his and his wife's parents in New York and New Jersey.

Driver Pays $ 5 On Sign Violation

A fine of $5 and costs was paid by James Fox of Pan Ave., Chester, Saturday to Mayor Burton Ward on a charge of failure to halt for a stop sign.

Fox' attorney delivered the money for the penalty on the charge, for which Fox was cited Aug. 16 at 9th St. and Pan Ave.

Mayor Ward Saturday ruled damage to a Virginia Ave. fire hydrant Friday was the result of "an unavoidable accident."

The hydrant sprang a heavy leak after it was hit by a car driven by Kenneth Eberhart of Lawrenceville, who said he was forced from the street at the 1st St. intersection by a car operated by Mrs. Mae McMasters of East Liverpool.

Damage to the hydrant will be paid by an insurance firm which has policies for both drivers, Mayor Ward said.

A third continuance was granted for Mrs. Lois V. Robb of 2nd St., Chester, who was due a hearing Saturday on a charge of driving without a city operator's license. The hearing was continued indefinitely, Mayor Ward said. She was cited Aug. 16.

Woman Driver's Auto Kills Deer On Route 7

A car driven by Rosa M. Sweda, 22, of Stratton struck and killed a deer at the intersection of Routes 7 and 213 at Yellow Creek Saturday at 12:30 p. m., according to the Wintersville State Highway Patrol.

Officers said the deer darted across the highway, into the path of her car. The carcass was turned over to the Harrison County conservation office, officers said.

Gas Workers Ballot Today On Pay Raise

CLEVELAND (AP) — Members of the Natural Gas Workers Union in nine Ohio cities will vote tonight on a tentative agreement on a new one-year contract with the East Ohio Gas Co.

A strike set for 8 a.m. today was postponed 24 hours for the ratification meetings after the agreement was reached Saturday at a meeting of company and union representatives with a federal conciliator.

The 2,500 union members will vote at plants in Cleveland, Akron, Canton, North Canton, Youngstown, Ashtabula, Warren, Wooster and Cadiz.

The agreement was accepted by the union's negotiating and executive committees. It provides for wage increases ranging from $10 to $26 a month, plus fringe benefits.

Eleven cents of the package increase averaging 16.5 cents per hour goes for wages. The pay boost is retroactive to Aug. 2.

East Ohio serves 800,000 customers in 11 northeast Ohio counties.

Firemen At Wellsville Quell Blaze In Mattress

Wellsville firemen extinguished a burning mattress found beneath a flight of stairs near the second floor apartment of Mrs. Mary Hicks, 1410 Main St., early Saturday morning.

Firemen said a passerby outside the building smelled smoke and notified police about 1:30 a. m. Police called the firemen after discovering the smouldering mattress and dragging it outside.

Three small children were found alone in the Hicks' apartment, firemen said. Police said Mrs. Hicks had just left the apartment for a few minutes.

Fire Chief Robert Lewis said that such an incident easily could have cost the lives of the children. "Leaving children alone, even for a few minutes, can prove a disaster," he said.

Recognition Urged

SAN FRANCISCO (AP) — Early recognition of Red China, as a prerequisite to world disarmament and nuclear control, has been urged by the Western States Conference of Young Democratic Clubs of America. A resolution adopted Sunday will be submitted at the national convention at Toledo, Ohio, this November.

Businessmen Report Attempts At Burglary

Two attempts to enter business places were reported to police over the weekend.

Keith Wheatley, operator of Wheatley Furniture, 412 Washington St., told police a rock the size of a golf ball was thrown through a window of his store between 5:30 p. m. Saturday and noon Sunday. Police said apparently nothing was taken.

Martin Baugues, operator of the Oakland Pharmacy, 1641 Pennsylvania Ave., told police a window frame was lifted from a window on the left side of the building between 10 p. m. Friday and 9:30 a. m. Saturday.

Police said the would-be thief apparently was frightened away before an entry could be made.

Fraternity Figure Dies

INDIANAPOLIS (AP) — Leroy H. Millikan, 79, one of the founders of Sigma Delta Chi, journalistic fraternity, died Saturday after a long illness. He was associated with the Indiana and Marion County welfare boards before his retirement in 1954.

Start Slated Tuesday On Route 66 Blacktop

Tri-State Asphalt Corp. of Martins Ferry is expected to begin moving in heavy equipment to the Newell area late today or Tuesday for blacktopping of Route 66.

The $150,384 project calls for 6.4 miles of resurfacing from Newell to New Cumberland.

Work previously was scheduled to begin Friday but the firm apparently decided to wait until after the weekend to begin moving in equipment.

Blacktopping will begin in Newell and continue south toward the Hancock County seat. The firm also is scheduled to improve roads leading into Waterford Park within the next few days.

Hospital Dedicated

PAINESVILLE, Ohio (AP) — Lake County's first osteopathic institution—the Northeastern Ohio General Hospital — was dedicated Sunday at North Madison. It was built at a cost of $570,000 and will serve Lake, Geauga and Ashtabula counties. The first patients will be admitted this fall.

Village Expense Shown

LISBON—Columbiana County's incorporated villages received $1,073,164 in 1958 and spent $1,157,251, according to a statewide report issued today at Columbus by State Auditor James A. Rhodes. In Ohio's 774 incorporated villages, revenue totaled $85 million and expenses were a little over $84 million last year, he said.

PLEASE DON'T...
hurt my Little Girl!

TODAY, my daughter, who is seven years old, started to school as usual. She wore a dark blue dress with a white collar. She had on black shoes and wore blue gloves. Her cocker spaniel, whose name is "Scoot", sat on the front porch and whined his canine belief in the folly of education as she waved "goodbye" and started off to the halls of learning.

Last night we talked about school. She told me about the girl who sits in front of her . . . the girl with the yellow curls . . . and the girl across the aisle who makes funny faces. She told me about her teacher, who has eyes in the back of her head . . . and about the trees in the school yard . . . and about the big girls who don't believe in Santa Claus. We talked about other things, tremendously vital, unimportant things; then we studied spelling, reading and arithmetic . . . and then to bed.

She's upstairs now . . . sound asleep, with "Princess" (that's her doll) cuddled in her right arm. You folks wouldn't hurt her would you? You see, I'm her Mother. When her doll is broken or her finger cut, or her head gets bumped, I can fix it . . . But when she starts to school, when she walks across the street, then she's in your hands.

She's a sweet little girl and we're proud of her. She can run like a deer and darts about like a chipmunk. She likes to swim and hike with her Daddy, on Sunday afternoons. But we can't be with her all the time . . . So please help us look out for her. Please drive carefully, drive slowly past the schools and intersections . . . and please remember that children do run from behind parked cars.

Mishaps Hurt 14 From Area Over Weekend

A woman injured in a fall with a jar in her hand and a boy bitten by a dog were among 14 youngsters and adults treated at City Hospital over the weekend.

Mrs. Ruth Torrence of Sub-Station Rd. suffered cuts of the right elbow and a finger when she fell while holding a glass jar Sunday.

Richard Schlang, 4, son of Mr. and Mrs. Robert Schlang of Manor Ln., was treated yesterday for a wound of the cheek suffered when bitten by a boxer dog.

Dave Irwin, 17, son of Mrs. Ruth Irwin of R. D. 2, received a cut of the head while diving at the Country Club pool yesterday.

Terry Carr, 3, son of Mr. and Mrs. Kenneth Carr, 917 St. George St., suffered a puncture wound of the foot when he stepped on a nail while playing at home. Martha Molnar, 8, of Hookstown R. D. 1, also was treated yesterday for a foot injury received when she stepped on a nail.

While cutting meat at home Sunday, Helen Bartley, 201 Baum St., suffered a laceration of the finger.

Robert Wood, 34, of 737 Chester Ave., was treated for chemical burns of the chest and arms when the contents of a bottle of chrome cleaner spilled on him yesterday afternoon.

Frank McKenzie, 6, son of Mr. and Mrs. Frank McKenzie, 1069 Dresden Ave., received a cut of the left eyebrow at home last night.

John F. Cooper, 57, of 526 Elizabeth St., operator of Cooper's Service Station of E. 3rd St., was treated Saturday afternoon for a laceration of the finger received on a tin instrument at work.

In a fall at play, Donald Reed, 5, son of Mr. and Mrs. Donald Reed, 335 Indiana Ave., Chester, suffered a puncture wound of the forehead Saturday.

Arnold Collins, 34, of Rogers R. D. 1 was treated Saturday for a toe injury received when his foot became caught in machinery on a tractor.

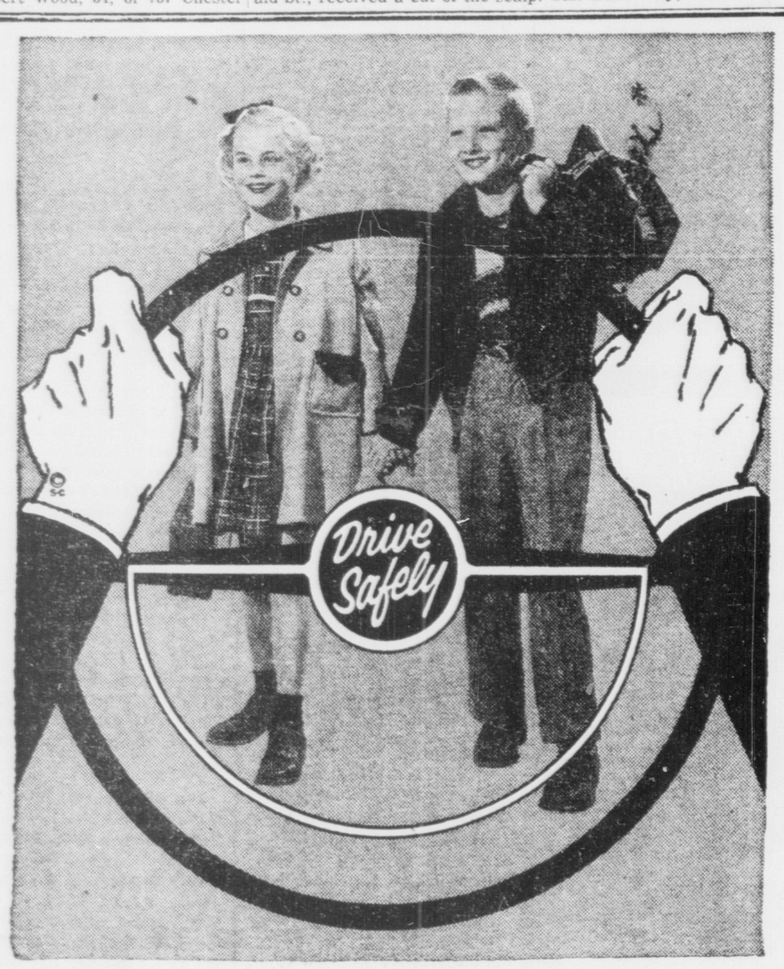

James Eastham, 8, son of Mr. and Mrs. Ben Eatham, 735 Buckeye Ave., Wellsville, received a cut of the left hand in a fall at play.

Struck by a swing while playing, Jesse Jones, 1, son of Mr. and Mrs. William Jones of Wyoming Ave., suffered a cut of the right forehead.

In a fall from a bicycle Saturday, Charles Fife, 8, son of Mr. and Mrs. Cecil Fife, 1060 McDonald St., received a cut of the scalp.

PLEASE DON'T...
hurt my Little Girl!

TODAY, my daughter, who is seven years old, started to school as usual. She wore a dark blue dress with a white collar. She had on black shoes and wore blue gloves. Her cocker spaniel, whose name is "Scoot", sat on the front porch and whined his canine belief in the folly of education as she waved "goodbye" and started off to the halls of learning.

Last night we talked about school. She told me about the girl who sits in front of her . . . the girl with the yellow curls . . . and the girl across the aisle who makes funny faces. She told me about her teacher, who has eyes in the back of her head . . . and about the trees in the school yard . . . and about the big girls who don't believe in Santa Claus. We talked about other things, tremendously vital, unimportant things; then we studied spelling, reading and arithmetic . . . and then to bed.

She's upstairs now . . . sound asleep, with "Princess" (that's her doll) cuddled in her right arm. You folks wouldn't hurt her would you? You see, I'm her Mother. When her doll is broken or her finger cut, or her head gets bumped, I can fix it . . . But when she starts to school, when she walks across the street, then she's in your hands.

She's a sweet little girl and we're proud of her. She can run like a deer and darts about like a chipmunk. She likes to swim and hike with her Daddy, on Sunday afternoons. But we can't be with her all the time . . . So please help us look out for her. Please drive carefully, drive slowly past the schools and intersections . . . and please remember that children do run from behind parked cars.

Out Of The Air

By JOHN CROSBY

Victor Borge On Home Grounds

COPENHAGEN Copenhagen is chiefly renowned for its smorgasbord, its twisted spires, and Victor Borge — all deliciously combined in different ways.

John Crosby

At the moment Mr. Borge is trying to get all these aspects into a one-hour spectacular which will be on NBC Oct. 16.

"I'm trying to do something that has never been done before," said Mr. Borge jovially. "We call it 'Victor Borge's Copenhagen.' It's a story where I'm the story teller, the performer, the writer — everything."

He was dressed as a beer truck driver with the name of one of Denmark's great beers written on his cap, had on a red putty nose and he was driving a couple of burly draught horses pulling a huge beer truck in front of Denmark's stock exchange, a terribly Danish great architect-king, Christian IV.

"You can point at almost any building in the country and say Christian IV designed it and you're probably right," said Borge.

-:-

THE CAMERA pointed skyward and caught the great twisted spire designed by the architect-king in the shape of a dragon's tail and panned down the street.

There Borge was discovered lumbering down the street in his beer truck. Suddenly he reined in the huge horses to let past a little wooden wagon full of flaxen-haired nursery school children, pulled by four pretty nurses, a familiar sight on Copenhagen's streets.

Smilingly Borge doffed his cap and the children merrily waged back and that was the end of that.

Borge will appear as a large proportion of the population of Denmark in this show and this is appropriate, since he is very representative of the Danes. They are a jovial, merry, laughing race all right.

In any other country when the people point out the monuments, they tell you a bit of history attached to them. Here they point out the monuments and tell you a joke about them. There's a funny story connected with every historic edifice.

-:-

BORGE'S SHOW will be full of very good jokes which I have no intention of telling you, except to say that we ought to have a very good time.

Some of the show will be live, some of it will be on film, some on tape and it will be, Mr. Borge assures me, unique.

"After all I couldn't just have a 10-minute travelogue — not for the money they're paying. I had to get myself into it," he added.

He turned serious for a moment. "I feel I have abilities which have been fully taken advantage of. This is what I could never understand when I came to America. I went to Hollywood. They didn't want me."

Borge has never quite got over his rejection in Hollywood.

He'd been a big movie star in his own country. In ours he has been tied to a piano. In this spectacular he plans to get away from the piano for a little while, anyway.

Later we repaired to Borge's 18th century chateau about 20 miles outside Copenhagen. "The Danes call it a castle," said Borge, 'because they don't have the word chateau in the language. Everyone expects a moat."

"I expected battlements," I said.

"I would rather have bathrooms than battlements," said Mrs. Borge.

It's a charming chateau, with a circular living room facing a great sweep of lawn bordered by lines of huge trees.

"Usually there are 20 or 30 people wandering around here," said Borge. "I don't speak to them because I don't know who they are."

-:-

THE PLACE is a babel of tongues. For a while there was a French composer here who spoke only French and his wife brought her sister who spoke only Swedish. There was too much commotion so they went back to Paris.

"One day I walk through here and encounter a little Japanese buy. He says to me, 'I am your secretary. I speak nine languages.' He tells me this in Danish-Japanese. He charges $18 a day but I only pay him $6 a day because I only use three of his languages. Besides he has all those languages left over."

Borge laughed merrily at his own joke.

Mrs. Borge, a dark-haired, sharp-tongued American girl, looked up from her needlework (she makes cocktail napkins, a local Danish vice) and said, "These people from America drive up and say we're from such and such town and we saw you when you played there and we thought we'd just drop in and perhaps have lunch."

She sighed.

"It's Victor's own fault. From the stage he tells everyone they must come visit him in Denmark and they do."

Free Nations Urged To Gird For Long Haul

WASHINGTON (AP)—A Soviet threat to dominate the world requires the free nations to pool money and weapons for a struggle that could last 20 years, a report to the Senate says.

The work of a private research firm, the report called for austerity and belt-tightening among Western nations, plus strong measures to expand their economies and increase military strength.

The report, prepared by the Corporation for Economic and Industrial Research, Inc., was published over the weekend by the Senate Foreign Relations Committee.

The report urged these military measures:

Quick development of an effective defense against intercontinental missiles before the Soviets achieve one.

Full exploitation of "our vast superiority in electronic processing and computer production."

Expansion of mechanized, powerful forces "to prevent Communist expansion by 'local' conventional warfare."

"These cost heavily," the report said, "but the United States and its allies have a 3-to-1 superiority in economic resources over the Communist bloc."

U.S. programs to date have only been enough to buy limited "term insurance" against Soviet threats, it said, and a 10-to 20-year "endowment policy" is needed to "face the facts of future Soviet power politics."

Voting Scheduled By Sweet Adelines

A nominating committee was appointed at the meeting of the East Liverpool Chapter of Sweet Adelines, Inc., Friday night at the YMCA.

Mrs. Mary Reed will serve as chairman, assisted by Mrs. Edith Alexander and Mrs. Grace Wolf. The election will be Sept. 25

Mrs. Martha Blatchford, president, conducted business. Reports on the recent charter night were given by the chairman and congratulatory messages were read from local clubs and groups.

The chapter accepted invitations to sing for the "Guest Night" program of the Lions Club Sept. 30 at the Travelers Hotel and for the Wellsville Arts Club May 18 at the Country Club.

An invitation was read from the Altoona Chapter to attend an "inter-chapter" party Sept. 18. Key chains with the barbershop insignia were received as gifts from the Golden Triangle Chapter of Pittsburgh. A bus was chartered for the group to attend the first annual show of that chapter Sept. 13 at the Syria Mosque in Pittsburgh.

Glenn Woods, director, led the chorus in a practice session. The next meeting will be Friday night at the YMCA.

6 More Farms Listed In Conservation Work

LISBON — Columbiana County Soil Conservation District's Board of Supervisors has announced approval of six new co-operators with a total of 517 acres. They are:

Earl R. Bardo, 90 acres, Butler Township; John Risbeck, 28 acres, Butler Township; Papania & Sons, 182 acres, Unity Township; John Batisky, 90 acres, Unity Township; Richard Beiling, 3 acres, Fairfield Township, and S. J. Martin, 124 acres, Franklin Township.

Diamond Is Stolen From Man In Casket

COLUMBUS, Ohio (AP) — Hundreds of visitors viewed the body of Jasper Wottring, 71, prominent restaurateur, between his death and funeral last week—and one of them may have departed with a $3,500 diamond stickpin from his necktie.

Police said Sunday they had no clues or suspects in the casket-raiding. The gold pin with the diamond setting was missed shortly before the services.

2 In 'Drowning' Hoax Get Fines Totaling $35

LISBON — A swimmer who disappeared at 3:30 a. m. Saturday in Beaver Creek near Fredericktown was fined $25 and costs later the same day by Judge Earl Spalding in Eastern District Court at East Palestine for trespassing and disorderly conduct.

Curtis Hague, 34, of Negley, who reported the "drowning," was fined $10 and costs. He told authorities his buddy, George Crawford, 23, of 1106 Commerce St., Wellsville, disappeared and never came up.

Sheriff's deputies, constables and East Liverpool firemen rushed to the scene. Deputy Sheriff Herman Wellman found Crawford asleep on a rock.

Entertainer Dies

ST. PETERSBURG, Fla. (AP) —W. Hogan Brown, 82, a veteran of stage and radio under the names "Billy Brown" and "Ole Olson," died Sunday. He was in vaudeville as Billy Brown, a song and dance man, and was known to National Barn Dance radio audiences as Ole Olson.

The English word "salary" comes from the fact that Roman soldiers received an extra bonus on their pay to buy their ration of salt. This extra pay was called "salarium."

15,000 Attend Fair's Closing

An estimated 15,000 attended the closing day of the Hookstown Grange Fair Saturday.

A horse-pulling contest topped the morning program. Winners in the lightweight division were: Pete Wisard of Dundee, Ohio, first; Dick Rudibaugh of Lisbon, second, and Glen Schlard of Boltic, Ohio, third.

Winners in the heavyweight horse-pulling contest, held in the afternoon, were: George Porter of Washington, Pa., first; Ralph Cain of Homeworth, second, and William Eckles, also of Washington, third.

The Grove City Plaidettes, a girls' musical marching group, appeared at 1 and 7 p. m. The Doris Thompson acrobatic act was presented at 4 and 9 p. m.

The machinery and livestock parade was held at 7.

A crowd estimated at 12,000 attended Friday's program, which included horse judging in the morning and horse shows in the afternoon and evening. The fair opened Wednesday.

Man And Woman Fined After Chester Incident

Frank Hanlon of Shadyside Ave. and Mrs. Dorothy Fisher of 3rd St., Chester, were fined $10 and costs each by Mayor Burton Ward of Chester Saturday as a result of an incident in Chester Friday night.

Hanlon was fined on an assault complaint filed by Mrs. Fisher, who claimed he slapped her, while she was fined on a complaint filed by Hanlon, who said she threw a stone through his car window on 3rd St.

Straying Opossum Startles Birds At Crook Alley Home

An opossum which apparently strayed away from its native woodland haunts set off a commotion Saturday night when it peered through a window at the home of Howard McElravy, 216 Crook Alley, and startled three pet birds.

McElravy's attention was called by the noises made by his birds, a parrot, a mynah and a toucan. Checking, he found that a huge opossum was peering through the window from the porch. He estimated that the animal was over two feet long and probably weighed 15 to 18 pounds.

McElravy grabbed a mop from the porch to chase the opossum. Although it put up a battle, it finally fled up a tree in the back yard.

Where has it gone? McElravy wonders, too. He watched Sunday for the opossum to reappear, but it did not attempt to invade his home again.

Film Executive Dies

MANHASSET, N.Y. (AP)—Louis Phillips, 66, vice president and general counsel of the Paramount Pictures Corp., died Saturday of a heart attack. He was born in Poland.

WIICy Says:

"SUMMER AUDITIONS" FINALE SET: NBC FALL SCHEDULE BEGINS ON 11

An air trip to New York City, a cash prize and the opportunity to audition for NBC Television awaits the grand prize winner of Channel 11's "Summer Auditions" series next week.

Thirteen acts, representing cities from all parts of the Tri-State area, will compete Saturday, September 12, at 2 p.m.

The winner will receive an expense-paid air trip to New York City, $100 in cash and the opportunity of a lifetime to audition for NBC-TV. "Summer Auditions" is seen each Saturday at 2 p.m. over Channel 11 with Bill Cardille as the host.

The final regular show of the summer will be televised this Saturday at 2 p.m.

NBC Jottings

NBC's Fall schedule over Channel 11 kicks off with the premiere of the nighttime version of "It Could Be You". With Bill Leyden as the host, the show premieres Saturday, September 5, at 10:30 p.m.

The Greatest Shows on TV

Two top-ranked action shows are set to make their debut next month over Channel 11. "The Silent Service" premieres Friday, September 11, at 7 p.m. while the rough-and-tough "Mike Hammer" series begins Saturday, September 12, at 7 p.m.

"The Silent Service" is the action-packed film series based on the highly dramatic adventures of officers and men in United States Navy submarines during the war.

"Mike Hammer", based on the hard-hitting Mickey Spillane novels, will star Darrin McGavin in the featured role.

Check Your TV Antenna!

Next to your television set, the most important factor in getting good reception of "The Greatest Shows on TV" is your antenna. Better check it now.

Within the next few days you'll see a Channel 11 antenna test truck in surrounding communities. Watch for it. See the antenna demonstrations and learn how important your TV antenna is and how it can prolong the life of your set.

And if you take the time to watch a demonstration, you might even win an antenna completely installed. Meantime, have your present antenna checked for greater television pleasure.

"WIICy Says Contest" Winners

Here are the winners of the "WIICy Says Contest" conducted in this column. Because of the response from all areas in the Tri-State, Channel 11 decided to award five $25 United States Savings bonds.

The winners are: Mrs. Ora Olson RFD No. 1, Box 44, Belle Vernon, Pa.; Florence Horner, Rt. No. 3, Box 77, Clarksburg, W. Va.; Mrs. James Woods, 125 Laurel Place, New Kensigton, Pa.; Helen F. Carrigan, 121 East Askren Street, Uniontown, Pa.; and R. L. Shattenberg, 1187 Oakwood Avenue, East Liverpool, Ohio.

I'd like to say a big THANKS for your interest in "WIICy Says" and for your entries in the contest. I hope I can continue to be of service to you.

Out Of The Air

By JOHN CROSBY

Victor Borge On Home Grounds

COPENHAGEN — Copenhagen is chiefly renowned for its smorgasbord, its twisted spires, and Victor Borge — all deliciously combined in different ways.

John Crosby

At the moment Mr. Borge is trying to get all these aspects into a one-hour spectacular which will be on NBC Oct. 16.

"I'm trying to do something that has never been done before," said Mr. Borge jovially. "We call it 'Victor Borge's Copenhagen.' It's a story where I'm the story teller, the performer, the writer — everything."

He was dressed as a beer truck driver with the name of one of Denmark's great beers written on his cap, had on a red putty nose and he was driving a couple of burly draught horses pulling a huge beer truck in front of Denmark's stock exchange, a terribly Danish great architect-king, Christian IV.

"You can point at almost any building in the country and say Christian IV designed it and you're probably right," said Borge.

-:-

THE CAMERA pointed skyward and caught the great twisted spire designed by the architect-king in the shape of a dragon's tail and panned down the street.

There Borge was discovered lumbering down the street in his beer truck. Suddenly he reined in the huge horses to let past a little wooden wagon full of flaxen-haired nursery school children, pulled by four pretty nurses, a familiar sight on Copenhagen's streets.

Smilingly Borge doffed his cap and the children merrily waged back and that was the end of that.

Borge will appear as a large proportion of the population of Denmark in this show and this is appropriate, since he is very representative of the Danes. They are a jovial, merry, laughing race all right.

In any other country when the people point out the monuments, they tell you a bit of history attached to them. Here they point out the monuments and tell you a joke about them. There's a funny story connected with every historic edifice.

-:-

BORGE'S SHOW will be full of very good jokes which I have no intention of telling you, except to say that we ought to have a very good time.

Some of the show will be live, some of it will be on film, some on tape and it will be, Mr. Borge assures me, unique.

"After all I couldn't just have a 10-minute travelogue — not for the money they're paying. I had to get myself into it," he added.

He turned serious for a moment. "I feel I have abilities which have been fully taken advantage of. This is what I could never understand when I came to America. I went to Hollywood. They didn't want me."

Borge has never quite got over his rejection in Hollywood.

He'd been a big movie star in his own country. In ours he has been tied to a piano. In this spectacular he plans to get away from the piano for a little while, anyway.

Later we repaired to Borge's 18th century chateau about 20 miles outside Copenhagen. "The Danes call it a castle," said Borge, 'because they don't have the word chateau in the language. Everyone expects a moat."

"I expected battlements," I said.

"I would rather have bathrooms than battlements," said Mrs. Borge.

It's a charming chateau, with a circular living room facing a great sweep of lawn bordered by lines of huge trees.

"Usually there are 20 or 30 people wandering around here," said Borge. "I don't speak to them because I don't know who they are."

-:-

THE PLACE is a babel of tongues. For a while there was a French composer here who spoke only French and his wife brought her sister who spoke only Swedish. There was too much commotion so they went back to Paris.

"One day I walk through here and encounter a little Japanese boy. He says to me, 'I am your secretary. I speak nine languages.' He tells me this in Danish-Japanese. He charges $18 a day but I only pay him $6 a day because I only use three of his languages. Besides he has all those languages left over."

Borge laughed merrily at his own joke.

Mrs. Borge, a dark-haired, sharp-tongued American girl, looked up from her needlework (she makes cocktail napkins, a local Danish vice) and said, "These people from America drive up and say we're from such and such town and we saw you when you played there and we thought we'd just drop in and perhaps have lunch."

She sighed.

"It's Victor's own fault. From the stage he tells everyone they must come visit him in Denmark and they do."

Free Nations Urged To Gird For Long Haul

WASHINGTON (AP)—A Soviet threat to dominate the world requires the free nations to pool money and weapons for a struggle that could last 20 years, a report to the Senate says.

The work of a private research firm, the report called for austerity and belt-tightening among Western nations, plus strong measures to expand their economies and increase military strength.

The report, prepared by the Corporation for Economic and Industrial Research, Inc., was published over the weekend by the Senate Foreign Relations Committee.

The report urged these military measures:

Quick development of an effective defense against intercontinental missiles before the Soviets achieve one.

Full exploitation of "our vast superiority in electronic processing and computer production."

Expansion of mechanized, powerful forces "to prevent Communist expansion by 'local' conventional warfare."

"These cost heavily," the report said, "but the United States and its allies have a 3-to-1 superiority in economic resources over the Communist bloc."

U.S. programs to date have only been enough to buy limited "term insurance" against Soviet threats, it said, and a 10-to 20-year "endowment policy" is needed to "face the facts of future Soviet power politics."

Voting Scheduled By Sweet Adelines

A nominating committee was appointed at the meeting of the East Liverpool Chapter of Sweet Adelines, Inc., Friday night at the YMCA.

Mrs. Mary Reed will serve as chairman, assisted by Mrs. Edith Alexander and Mrs. Grace Wolf. The election will be Sept. 25.

Mrs. Martha Blatchford, president, conducted business. Reports on the recent charter night were given by the chairman and congratulatory messages were read from local clubs and groups.

The chapter accepted invitations to sing for the "Guest Night" program of the Lions Club Sept. 30 at the Travelers Hotel and for the Wellsville Arts Club May 18 at the Country Club.

An invitation was read from the Altoona Chapter to attend an "inter-chapter" party Sept. 18. Key chains with the barbershop insignia were received as gifts from the Golden Triangle Chapter of Pittsburgh. A bus was chartered for the group to attend the first annual show of that chapter Sept. 13 at the Syria Mosque in Pittsburgh.

Glenn Woods, director, led the chorus in a practice session. The next meeting will be Friday night at the YMCA.

6 More Farms Listed In Conservation Work

LISBON — Columbiana County Soil Conservation District's Board of Supervisors has announced approval of six new co-operators with a total of 517 acres. They are:

Earl R. Bardo, 90 acres, Butler Township; John Risbeck, 28 acres, Butler Township; Papania & Sons, 182 acres, Unity Township; John Batisky, 90 acres, Unity Township; Richard Beiling, 3 acres, Fairfield Township, and S. J. Martin, 124 acres, Franklin Township.

Diamond Is Stolen From Man In Casket

COLUMBUS, Ohio (AP) — Hundreds of visitors viewed the body of Jasper Wottring, 71, prominent restaurateur, between his death and funeral last week—and one of them may have departed with a $3,500 diamond stickpin from his necktie.

Police said Sunday they had no clues or suspects in the casket-raiding. The gold pin with the diamond setting was missed shortly before the services.

2 In 'Drowning' Hoax Get Fines Totaling $35

LISBON — A swimmer who disappeared at 3:30 a. m. Saturday in Beaver Creek near Fredericktown was fined $25 and costs later the same day by Judge Earl Spalding in Eastern District Court at East Palestine for trespassing and disorderly conduct.

Curtis Hague, 34, of Negley, who reported the "drowning," was fined $10 and costs. He told authorities his buddy, George Crawford, 23, of 1106 Commerce St., Wellsville, disappeared and never came up.

Sheriff's deputies, constables and East Liverpool firemen rushed to the scene. Deputy Sheriff Herman Wellman found Crawford asleep on a rock.

Entertainer Dies

ST. PETERSBURG, Fla. (AP) —W. Hogan Brown, 82, a veteran of stage and radio under the names "Billy Brown" and "Ole Olson," died Sunday. He was in vaudeville as Billy Brown, a song and dance man, and was known to National Barn Dance radio audiences as Ole Olson.

The English word "salary" comes from the fact that Roman soldiers received an extra bonus on their pay to buy their ration of salt. This extra pay was called "salarium."

15,000 Attend Fair's Closing

An estimated 15,000 attended the closing day of the Hookstown Grange Fair Saturday.

A horse-pulling contest topped the morning program. Winners in the lightweight division were: Pete Wisard of Dundee, Ohio, first; Dick Rudibaugh of Lisbon, second, and Glen Schlard of Boltic, Ohio, third.

Winners in the heavyweight horse-pulling contest, held in the afternoon, were: George Porter of Washington, Pa., first; Ralph Cain of Homeworth, second, and William Eckles, also of Washington, third.

The Grove City Plaidettes, a girls' musical marching group, appeared at 1 and 7 p. m. The Doris Thompson acrobatic act was presented at 4 and 9 p. m.

The machinery and livestock parade was held at 7.

A crowd estimated at 12,000 attended Friday's program, which included horse judging in the morning and horse shows in the afternoon and evening. The fair opened Wednesday.

Man And Woman Fined After Chester Incident

Frank Hanlon of Shadyside Ave. and Mrs. Dorothy Fisher of 3rd St., Chester, were fined $10 and costs each by Mayor Burton Ward of Chester Saturday as a result of an incident in Chester Friday night.

Hanlon was fined on an assault complaint filed by Mrs. Fisher, who claimed he slapped her, while she was fined on a complaint filed by Hanlon, who said she threw a stone through his car window on 3rd St.

Straying Opossum Startles Birds At Crook Alley Home

An opossum which apparently strayed away from its native woodland haunts set off a commotion Saturday night when it peered through a window at the home of Howard McElravy, 216 Crook Alley, and startled three pet birds.

McElravy's attention was called by the noises made by his birds, a parrot, a mynah and a toucan. Checking, he found that a huge opossum was peering through the window from the porch. He estimated that the animal was over two feet long and probably weighed 15 to 18 pounds.

McElravy grabbed a mop from the porch to chase the opossum. Although it put up a battle, it finally fled up a tree in the back yard.

Where has it gone? McElravy wonders, too. He watched Sunday for the opossum to reappear, but it did not attempt to invade his home again.

Film Executive Dies

MANHASSET, N.Y. (AP)—Louis Phillips, 66, vice president and general counsel of the Paramount Pictures Corp., died Saturday of a heart attack. He was born in Poland.

"SUMMER AUDITIONS" FINALE SET: NBC FALL SCHEDULE BEGINS ON 11

An air trip to New York City, a cash prize and the opportunity to audition for NBC Television awaits the grand prize winner of Channel 11's "Summer Auditions" series next week.

Thirteen acts, representing cities from all parts of the Tri-State area, will compete Saturday, September 12, at 2 p.m.

The winner will receive an expense-paid air trip to New York City, $100 in cash and the opportunity of a lifetime to audition for NBC-TV. "Summer Auditions" is seen each Saturday at 2 p.m. over Channel 11 with Bill Cardille as the host.

The final regular show of the summer will be televised this Saturday at 2 p.m.

NBC Jottings

NBC's Fall schedule over Channel 11 kicks off with the premiere of the nighttime version of "It Could Be You". With Bill Leyden as the host, the show premieres Saturday, September 5, at 10:30 p.m.

The Greatest Shows on TV

Two top-ranked action shows are set to make their debut next month over Channel 11. "The Silent Service" premieres Friday, September 11, at 7 p.m. while the rough-and-tough "Mike Hammer" series begins Saturday, September 12, at 7 p.m.

"The Silent Service" is the action-packed film series based on the highly dramatic adventures of officers and men in United States Navy submarines during the war.

"Mike Hammer", based on the hard-hitting Mickey Spillane novels, will star Darrin McGavin in the featured role.

Check Your TV Antenna!

Next to your television set, the most important factor in getting good reception of "The Greatest Shows on TV" is your antenna. Better check it now.

Within the next few days you'll see a Channel 11 antenna test truck in surrounding communities. Watch for it. See the antenna demonstrations and learn how important your TV antenna is and how it can prolong the life of your set.

And if you take the time to watch a demonstration, you might even win an antenna completely installed. Meantime, have your present antenna checked for greater television pleasure.

"WIICy Says Contest" Winners

Here are the winners of the "WIICy Says Contest" conducted in this column. Because of the response from all areas in the Tri-State, Channel 11 decided to award five $25 United States Savings bonds.

The winners are: Mrs. Ora Olson RFD No. 1, Box 44, Belle Vernon, Pa.; Florence Horner, Rt. No. 3, Box 77, Clarksburg, W. Va.; Mrs. James Woods, 125 Laurel Place, New Kensigton, Pa.; Helen F. Carrigan, 121 East Askren Street, Uniontown, Pa.; and R. L. Shattenberg, 1187 Oakwood Avenue, East Liverpool, Ohio.

I'd like to say a big THANKS for your interest in "WIICy Says" and for your entries in the contest. I hope I can continue to be of service to you.

Lopez Remains Cautious Despite Sweep Of Indian Series

Chicago Lead Reaches 5½ In Twin Victory

CLEVELAND (AP) — Manager Al Lopez refuses to count his Chicago White Sox "in" with their first American League pennant since 1919, despite a 5½-game lead with only 25 games to play.

"We've still got a long way to go," the wily Lopez said after his team completed a four-game rout of the second place Cleveland Indians here Sunday.

"You can't afford to relax in this league. The Indians aren't out of it by any means," Lopez asserted.

"They beat the devil out of us," said Cleveland Manager Joe Gordon, shaken after watching the Indians get trounced 6-3 and 9-4. The 66,586 fans left the Stadium with the feeling of "wait 'til next year" for Cleveland pennant hopes.

But Gordon agreed with Lopez that the race is not over yet.

"Sure, the White Sox have a good lead now," Gordon remarked. "But that can change within a week. You never can tell what's going to happen to a ball club. They might hit a losing streak and we can get hot again and the race is wide open again."

The White Sox have beaten the Indians 13 times in 18 meetings this season, but Lopez discounted a theory Chicago has a jinx over Cleveland. He admitted his team played better ball against the Tribe than against any other club.

"We just seem to do everything right then," he explained. "All season long we've been playing one game at a time and trying to keep our pitching rotation going. We've been lucky there, too."

"The White Sox play their best against the contenders and we play our worst," Gordon said disgustedly. The teams play each other four more times, a three-game series in Chicago next weekend and a single game here Sept. 22.

The Chicago players whooped it up in the dressing room, but when photographers asked Lopez to pose with a broom to show how the Indians were swept out of the pennant race, he cautioned:

"Let's not have any of that. We still have 25 tough games to play."

Looking back on the four-game set—coming into it Chicago led by 1½ games and Cleveland had won eight in a row—Lopez said:

"(Dick) Donovan's game (a 2-0 decision over rookie Jim Perry Saturday) was the big one for us. I never expected a sweep. I would have been satisfied with just splitting the four games."

None of the Chicago players felt like counting on World Series money yet. Only Early Wynn (17-9), who posted his 266th career victory in the opener with the help of Gerry Staley, felt somewhat optimistic.

"It looks very good for us," said Wynn with a big smile.

Wynn, trailing 2-0 against Cal McLish, the Cleveland ace, started the White Sox rolling with a five-run outburst in the sixth inning by slamming a 400-foot homer over the right field fence. It seemed to upset Cal and he never was the same again. Before that McLish had retired 13 straight batters and limited Chicago to one hit over the first five frames.

Cleveland's two-run outburst against Wynn in the fifth frame was started by Woodie Held's 25th home run. The other run came on a single by Ed FitzGerald, a sacrifice bunt by McLish and a single by Vic Power. The Indians scored their last run in the eighth inning, but the White Sox matched it in the ninth.

Chicago built up a 5-0 lead in the first three innings of the night-cap off starter and loser Gary Bell (14-11). The lead stood up despite a three-run homer by Rocky Colavito and Held's 26th round tripper. Colavito's homer was his 39th—tops in the majors.

Barry Latman, Chicago's 23-year-old rookie right-hander, was the winner to boost his record to 8-5 for the season. He got help from 35-year-old Turk Lown, who blanked the Indians the final four innings.

The Sox wrapped up the second game triumph on Al Smith's 12th home run following a triple by Billy Goodman in the fifth inning.

Jim Piersall, Cleveland center fielder, pulled a muscle in his neck when he swung hard for a third strike in the fifth inning of the nightcap. He staggered to the dugout and was carried to the dressing room on a stretcher, but was permitted to go home after a brief rest and treatment by a physician.

The four-game series drew a total of 165,091 cash customers, raising Cleveland's home attendance to 1,348,258 — highest in seven years.

'Billy Boy' Wins Race

William Allison's "Billie Boy" won the East Liverpool Homing Club's 75-mile race Sunday from Coshocton in a time of 1-57:12. "Pretty Girl," owned by Victor Giovenco, was second in 2-2:44, and third was Robert Glynn's "Bobbie."

COACH DAVE NICHOLS is busy working with this squad of 27 boys as the season's opener nears at Chester Sept. 11. Members of the South Side squad include, first row, left to right, Tom Wright, Joe Gates, Charles Rylind, Jerry Irons, Bill Cooper, Ken Rosak and Jim Todd. Second row, left to right, Rich Seik, Scott Walker, Charles Schmidt, Jim Laughlin, Dave McGaffick, George McLaughlin, Richard Speer and Wayne Reeder. Third row, left to right, Bob Malone, Dave Chambers, Harry Herron, Jack Smith, Eugene Garvas, Bill Baker and Don Frasier. Fourth row—Bill Watt, assistant, Lloyd Conley, Don Parsons, Mike Illig, Charles Brooks, Rich Ashcroft and Dave Nichols, head coach.

'We'll Be Underdogs Every Game,' South Side High's Coach Declares

By BOB DUFFY
Review Sports Editor

"We must be considered underdogs in every game this season," South Side coach Dave Nichols said as he starts his second year at the Hookstown area school.

"Every team on our schedule is going to be tough," Nichols added.

He will have 10 lettermen to rely on as the Rams prepare for their opener at Chester on Sept. 11.

Working from a "straight T" again this season, Nichols is planning to utilize the speed of halfbacks Jim Laughlin (130) and Rich Ashcroft (160).

Ashcroft didn't play last year because of a broken leg suffered during baseball season, but Nichols is very high on the senior speedster.

Dan Frasier, another senior who weighs 165, is running the team from quarterback, while Charles Brooks has been used at fullback. Brooks is a 185-pound senior.

Lettermen returning to the forward wall are Mike Illig, a husky, 185-pounder at center; Wayne Rairden (150), at guard, and Eugene Grivas (165) and Jack Smith (165), at tackles.

Bill Baker, a 150-pound senior, will be installed at one of the end positions.

Nichols listed seven boys who didn't earn letters last year but who have shown great promise this season. Charles Schmidt, a sophomore, has been working out at quarterback and halfback, while Dan Parsons, a 160-pound junior is battling for an end position.

Lloyd Conley, another sophomore at 170 pounds, is being considered for a regular berth at tackle.

Two sophomores are in the running for a guard spot — Harry Herron and Scott Walker, both 140-pounders.

Also fighting for a guard spot is Dave McGaffic, a junior, and Rick Speer, a senior.

Nichols, who played at Monaca for East Liverpool's Larry Bruno, and his assistant Bill Watt have been working with 27 gridders.

Nichols played his college ball at Tarkio, Mo., and attended Geneva College.

Lost from last year's team which posted a 4-4 mark are Quentin Schmidt, who is headed for Tarkio; Frank Golden, who will attend Waynesburg; Dale Minish, slated for Geneva College; John Ross, Eck Buratti, Earl Graham, John Lombard and Bob Thomas.

Detroit Grabs Third Place; Yankees Bow

By JOE REICHLER
Associated Press Sports Writer

Chicago's amazing "go-go" White Sox boasted their biggest lead of the season today — 5½ games — after having virtually shattered Cleveland's pennant hopes with a sweep of their vital four-game series.

Al Lopez' pennant-bound club humbled the Indians twice Sunday 6-3 and 9-4 to give a Cleveland crowd of 66,586 little to cheer about.

Detroit took undisputed possession of third place, one game ahead of New York, by shutting out Kansas City 4-0 while Washington was trimming the Yankees 3-1. Boston blanked Baltimore 3-0.

A couple of former Indians, Early Wynn and Al Smith, and a pair of veteran relief aces, Gerry Staley and Turk Lown, were the key men in the White Sox' double triumph over Cleveland.

Wynn was credited with the first game victory, his eighth in nine decisions against his former mates since being traded two seasons ago. His home run in the sixth ignited the winning five-run rally. Although relieved by Staley in the eighth, he tied Detroit's Frank Lary for the league's most victories with 17. It was the 39-year-old right-hander's 266th lifetime triumph, pushing him into a tie with Bob Feller and Eppa Rixey.

Barry Latman, 23-year-old right-hander, was credited with his eighth Chicago victory in the second game but it took a scoreless four-inning relief chore by Lown to cement the victory. Smith, who went along with Wynn in the trade with Chicago, drove in three runs for the White Sox with a home run and single. He also scored twice.

Don Mossi hurled a three-hit shutout for the Tigers and hit his first major league home run as he struck out eight Kansas City batters for his 12th victory. Bud Daley, in his third unsuccessful bid for his 16th victory, was charged with his ninth defeat.

Frank Sullivan pitched a four-hit shutout as Boston swept the three-game series with Baltimore. Gene Stephens homered for the Red Sox. Boston's two other runs came on passed balls by Gus Triandos. The Baltimore catcher, unable to cope with Hoyt Wilhelm's knuckleball, was charged with four passed balls, equalling a major league record.

Rookie outfielder Bob Allison smashed his 29th home run and Jim Lemon drove in Washington's other two runs with a single to give Russ Kemmerer his eighth victory. Kemmerer and Tex Clevenger combined to hold the Yankees to five hits including a ninth inning home run by Hector Lopez.

Firing Begins In Ohio Open

TOLEDO, Ohio (AP)—Defending champion Bob Shave Jr. of Cleveland will face six former title-holders in the annual Ohio Open Golf Tournament opening today at the Toledo Country Club.

The record field of 176 entries includes 70 amateurs.

Shave will be participating in his first tournament as a professional. He won the Ohio Open last year at Dayton as an amateur, but announced last week that he is turning professional.

The Country Club course has been baked by several days of temperatures in the 90s, prompting Marty Cromb, host professional to speculate that scores will be low. Par for the 6,137-yard course is 36-34—70.

Professionals will be shooting for prize money totaling about $3,500 in the three-day, 72-hole medal play tournament.

Eighteen holes are scheduled today and another 18 Tuesday, after which the field will be trimmed to the low 60 and ties. Two 18-hole rounds will wind up the tourney Wednesday.

Former champions entered are Frank Stranahan of Toledo, who won the Ohio Open in 1948; Eddie Griffiths of Youngstown, 1957 winner; Dick Shoemaker of Cleveland, 1953-54; Bill Burke, Cleveland, winner four times from 1938 to 1955; Herman Keiser of Akron, 1949 and 1951, and John Krisko of Ashland, 1946.

Cosmo Bowling League Will Open Wednesday

The Cosmo Women's Bowling League will begin its winter season activity Wednesday night at 7 at the Don-Bus Recreational club on Walnut St., Mrs. Corrine Richard, president, announced.

Putter Brings Littler Crown

MILWAUKEE (AP)—Gene Littler, a veteran of six years on pro golf's tournament grind, had another big prize check for his banker today because of a red-hot putter.

"It's the best putting I've ever done for four straight days in a tournament," the 29-year-old Californian said Sunday after picking up $5,300 by winning the $35,000 Milwaukee Open.

Littler entered the final 18 holes three strokes off the pace despite fine rounds of 68, 66 and 64 on the 6,355-yard Tripoli Golf Club course, but didn't let the deficit bother him.

He blazed home with a 67 and 72-hole total of 265, one stroke better than Bob Rosburg, Bo Wininger and Ted Kroll, who had to settle for a tie for second.

And Littler's putter came through on the final hole for the victory. He sank a six-foot putt calmly for a birdie after a fine approach shot.

"Don't ever let it be said that golf pros aren't a bunch of nice guys," Littler told galleryites. "They knew I had just moved into a new house (in La Jolla) and that I need some furniture for it. They said, 'go ahead and take the first money,' so I did."

Wininger, the 54-hole leader with 195, lost his putting touch and soared to a 71. Rosburg carded a 4-under-par 66 but missed a 20-foot putt for a birdie and a tie on the last green. Kroll canned a 45-footer from a trap for a birdie and a share of the runnerup money.

Yesterday's Stars

Batting—Dick Stuart, Pirates—Stuart homered as a pinch hitter in the ninth inning of the second game, then doubled home two runs in the bottom of the tenth to give the Pirates a 7-6 triumph over Philadelphia. The Pirates also won the opener 2-1.

Pitching — Gerry Staley and Turk Lown, White Sox — Staley pitched two scoreless relief innings in the first game and Lown hurled four runless innings in the second game as the White Sox swept a doubleheader from Cleveland 6-3 and 9-4.

Coach Jordan Olivar will have 38 sophomores, 28 juniors and 24 seniors on his 90-man Yale football team this fall. He has 19 returning lettermen.

'I Was Very Well Pleased,' Lou Says Of Scrimmages

East Liverpool's Potters figure to turn loose an explosive backfield and a fairly good passing attack this season if results of two scrimmage games over the weekend are any indication.

Coach Lou Venditti's squad, prepping for an ambitious schedule which will open Sept. 18 at home against Youngstown South, fared well in two hour-long workouts with Massillon High's Tigers and Toledo Catholic Central Saturday at Massillon Stadium.

The Potters matched touchdowns in the morning drills with the Toledo club, 6-6, and gave the husky Massillon gridders a good battle in the sweltering afternoon heat, although being outscored 3-1.

Venditti commented that he was "very well pleased" with the showing of his team and said he thought the day was well spent in ironing out bugs in his offensive machine.

Against Toledo, the fleet Potter backfield of quarterback Bob Mackall, halfbacks Joe Thompson and Dave Zelch and fullbacks John Goodballet and Henry Roach averaged 6.1 yards per carry.

East Liverpool's touchdown came on a 16-yard pass from Mackall to Tim Archer, a junior end ticketed for varsity duty.

Toledo also scored its touchdown through the air after setting it up with wide end sweeps which uncovered a vulnerable spot in the Potter defense. However, Toledo got the six-pointer against Venditti's second defensive unit.

Massillon, with a big, strong line and plenty of depth for every position, rolled up two quick scores in the first 10 minutes of the afternoon action.

However, the Potters later settled down to serious business and the rest of the workout was played on fairly even terms.

Mackall scored for the Pottrs on a 45-yard dash up the middle in his flashing style exhibited in the latter part of the 1958 season.

It was on fourth down with a half-yard to go, with the Tigers in an eight-man line, that Mackall broke clear for the long run on a quarterback sneak.

The Potters were not as sharp in the afternoon workout as they were against Toledo, but the action was marked with improved performances by several key players, Venditti said.

Against Toledo, the Potter mentor singled out Mackall and Roach for their offensive chores in the backfield and cited husky Jim Bise, Charlie Davidson and sophomore center Jim Ferello for their outstanding line play. Archer also got a nod from Venditti for his performance at a terminal.

Against the Tigers — whom Venditti thinks will "finish darn close to the top in the Associated Press gridiron poll this year"—he named four linemen for doing a good job, including Skip Hall, Larry Crook, Craig Burbick and Mike Geon. Hall and Crook were particularly impressive in the afternoon, Venditti said.

Defensively, junior quarterback Ken Cunningham and Mackall turned in better than average performances, Venditti commented.

Zelch, bothered with an injury received in practice drills, was used for only a few plays at a time and "is developing into a hard, driving back, his coach pointed out.

While the workouts sent the Potters farther along the road in preparing for the season's opener, probably the most impressive reported from Venditti was that no one was injured.

In post-season scrimmages last year, two and sometimes three key men were sidelined for long periods with troublesome injuries. Venditti said he thought the welcome absence of injuries indicated the squad is fast getting into good physical shape for the opening game only 18 days away.

Dixie Walker Resigns Post

By The Associated Press

The Toronto Maple Leafs, apparently destined to be the 1959 International League cellar dwellers, begin the final week of the season under a new manager today.

Coach Lou Kahn took over Sunday night after Dixie Walker, who headed the Leafs since 1957, resigned following his team's doubleheader split with Montreal. The Leafs dropped the opener 4-3 and took the second game 1-0.

Buffalo reduced its magic number to two Sunday with an 11-1, 8-2 doubleheader sweep of Rochester, while Columbus edged into second place, a half game ahead of Havana, with a 2-0 victory over the Cubans. Any combination of two Buffalo victories or Columbus losses equalling two give the Bisons the IL title.

Richmond edged Miami 2-1 in 10 innings on Jim Pisoni's home run in the other IL game.

Walker's announcement caught everyone by surprise but he told reporters later, "I'm not leaving anyone in the lurch, the team has no place to go."

He won the IL title in 1957 and was second last year.

Joe Gibbon won his 15th game on a four-hitter over Havana. Columbus scored single runs in the second and fourth innings.

Dallas, Houston Are Going Ahead With Grid Plans

DALLAS, Tex. (AP)—Owners of the Dallas and Houston franchises in the new American Football League said today they were going right ahead with organization plans although the National Football League announced it might expand to take in the two cities.

Lamar Hunt, the young oil millionaire of Dallas who has been promoting the American League because he said he couldn't get a franchise in the NFL, termed action of the NFL through its expansion chairman, George Halas "sabotage."

But he said he was paying no further attention to it and that his league, which finishes organization in a meeting at Los Angeles Sept. 12-13, will open operations in 1960.

Dick Hickox, only 5-foot-6, led the University of Miami basketball team in scoring last season.

Lopez Remains Cautious Despite Sweep Of Indian Series

Chicago Lead Reaches 5½ In Twin Victory

CLEVELAND (AP) — Manager Al Lopez refuses to count his Chicago White Sox "in" with their first American League pennant since 1919, despite a 5½-game lead with only 25 games to play.

"We've still got a long way to go," the wily Lopez said after his team completed a four-game rout of the second place Cleveland Indians here Sunday.

"You can't afford to relax in this league. The Indians aren't out of it by any means," Lopez asserted.

"They beat the devil out of us," said Cleveland Manager Joe Gordon, shaken after watching the Indians get trounced 6-3 and 9-4. The 66,586 fans left the Stadium with the feeling of "wait 'til next year" for Cleveland pennant hopes.

But Gordon agreed with Lopez that the race is not over yet.

"Sure, the White Sox have a good lead now," Gordon remarked. "But that can change within a week. You never can tell what's going to happen to a ball club. They might hit a losing streak and we can get hot again and the race is wide open again."

The White Sox have beaten the Indians 13 times in 18 meetings this season, but Lopez discounted a theory Chicago has a jinx over Cleveland. He admitted his team played better ball against the Tribe than against any other club.

"We just seem to do everything right then," he explained. "All season long we've been playing one game at a time and trying to keep our pitching rotation going. We've been lucky there, too."

"The White Sox play their best against the contenders and we play our worst," Gordon said disgustedly. The teams play each other four more times, a three-game series in Chicago next weekend and a single game here Sept. 22.

The Chicago players whooped it up in the dressing room, but when photographers asked Lopez to pose with a broom to show how the Indians were swept out of the pennant race, he cautioned:

"Let's not have any of that. We still have 25 tough games to play."

Looking back on the four-game set—coming into it Chicago led by 1½ games and Cleveland had won eight in a row—Lopez said:

"(Dick) Donovan's game (a 2-0 decision over rookie Jim Perry Saturday) was the big one for us. I never expected a sweep. I would have been satisfied with just splitting the four games."

None of the Chicago players felt like counting on World Series money yet. Only Early Wynn (17-9), who posted his 266th career victory in the opener with the help of Gerry Staley, felt somewhat optimistic.

"It looks very good for us," said Wynn with a big smile.

Wynn, trailing 2-0 against Cal McLish, the Cleveland ace, started the White Sox rolling with a five-run outburst in the sixth inning by slamming a 400-foot homer over the right field fence. It seemed to upset Cal and he never was the same again. Before that McLish had retired 13 straight batters and limited Chicago to one hit over the first five frames.

Cleveland's two-run outburst against Wynn in the fifth frame was started by Woodie Held's 25th home run. The other run came on a single by Ed FitzGerald, a sacrifice bunt by McLish and a single by Vic Power. The Indians scored their last run in the eighth inning, but the White Sox matched it in the ninth.

Chicago built up a 5-0 lead in the first three innings of the nightcap off starter and loser Gary Bell (14-11). The lead stood up despite a three-run homer by Rocky Colavito and Held's 26th round tripper. Colavito's homer was his 39th—tops in the majors.

Barry Latman, Chicago's 23-year-old rookie right-hander, was the winner to boost his record to 8-5 for the season. He got help from 35-year-old Turk Lown, who blanked the Indians the final four innings.

The Sox wrapped up the second game triumph on Al Smith's 12th home run following a triple by Billy Goodman in the fifth inning.

Jim Piersall, Cleveland center fielder, pulled a muscle in his neck when he swung hard for a third strike in the fifth inning of the nightcap. He staggered to the dugout and was carried to the dressing room on a stretcher, but was permitted to go home after a brief rest and treatment by a physician.

The four-game series drew a total of 165,091 cash customers, raising Cleveland's home attendance to 1,348,258 — highest in seven years.

'Billy Boy' Wins Race

William Allison's "Billie Boy" won the East Liverpool Homing Club's 75-mile race Sunday from Coshocton in a time of 1-57:12. "Pretty Girl," owned by Victor Giovenco, was second in 2-2:44, and third was Robert Glynn's "Bobbie."

'We'll Be Underdogs Every Game,' South Side High's Coach Declares

By BOB DUFFY
Review Sports Editor

"We must be considered underdogs in every game this season," South Side coach Dave Nichols said as he starts his second year at the Hookstown area school.

"Every team on our schedule is going to be tough," Nichols added.

He will have 10 lettermen to rely on as the Rams prepare for their opener at Chester on Sept. 11.

Working from a "straight T" again this season, Nichols is planning to utilize the speed of halfbacks Jim Laughlin (130) and Rich Ashcroft (160).

Ashcroft didn't play last year because of a broken leg suffered during baseball season, but Nichols is very high on the senior speedster.

Dan Frasier, another senior who weighs 165, is running the team from quarterback, while Charles Brooks has been used at fullback. Brooks is a 185-pound senior.

Lettermen returning to the forward wall are Mike Illig, a husky, 185-pounder at center; Wayne Rairden (150), at guard, and Eugene Grivas (165) and Jack Smith (165), at tackles.

Bill Baker, a 150-pound senior, will be installed at one of the end positions.

Nichols listed seven boys who didn't earn letters last year but who have shown great promise this season. Charles Schmidt, a sophomore, has been working out at quarterback and halfback, while Dan Parsons, a 160-pound junior is battling for an end position.

Lloyd Conley, another sophomore at 170 pounds, is being considered for a regular berth at tackle.

Two sophomores are in the running for a guard spot — Harry Herron and Scott Walker, both 140-pounders.

Also fighting for a guard spot is Dave McGaffic, a junior, and Rick Speer, a senior.

Nichols, who played at Monaca for East Liverpool's Larry Bruno, and his assistant Bill Watt have been working with 27 gridders.

Nichols played his college ball at Tarkio, Mo., and attended Geneva College.

Lost from last year's team which posted a 4-4 mark are Quentin Schmidt, who is headed for Tarkio; Frank Golden, who will attend Waynesburg; Dale Minish, slated for Geneva College; John Ross, Eck Buratti, Earl Graham, John Lombard and Bob Thomas.

Putter Brings Littler Crown

MILWAUKEE (AP)—Gene Littler, a veteran of six years on pro golf's tournament grind, had another big prize check for his banker today because of a red-hot putter.

"It's the best putting I've ever done for four straight days in a tournament," the 29-year-old Californian said Sunday after picking up $5,300 by winning the $35,000 Milwaukee Open.

Littler entered the final 18 holes three strokes off the pace despite fine rounds of 68, 66 and 64 on the 6,355-yard Tripoli Golf Club course, but didn't let the deficit bother him.

He blazed home with a 67 and 72-hole total of 265, one stroke better than Bob Rosburg, Bo Wininger and Ted Kroll, who had to settle for a tie for second.

And Littler's putter came through on the final hole for the victory. He sank a six-foot putt calmly for a birdie after a fine approach shot.

"Don't ever let it be said that golf pros aren't a bunch of nice guys," Littler told galleryites. "They knew I had just moved into a new house (in La Jolla) and that I need some furniture for it. They said, 'go ahead and take the first money,' so I did."

Wininger, the 54-hole leader with 195, lost his putting touch and soared to a 71. Rosburg carded a 4-under-par 66 but missed a 20-foot putt for a birdie and a tie on the last green. Kroll canned a 45-footer from a trap for a birdie and a share of the runnerup money.

Yesterday's Stars

Batting—Dick Stuart, Pirates—Stuart homered as a pinch hitter in the ninth inning of the second game, then doubled home two runs in the bottom of the tenth to give the Pirates a 7-6 triumph over Philadelphia. The Pirates also won the opener 2-1.

Pitching — Gerry Staley and Turk Lown, White Sox — Staley pitched two scoreless relief innings in the first game and Lown hurled four runless innings in the second game as the White Sox swept a doubleheader from Cleveland 6-3 and 9-4.

Coach Jordan Olivar will have 38 sophomores, 28 juniors and 24 seniors on his 90-man Yale football team this fall. He has 19 returning lettermen.

'I Was Very Well Pleased,' Lou Says Of Scrimmages

East Liverpool's Potters figure to turn loose an explosive backfield and a fairly good passing attack this season if results of two scrimmage games over the weekend are any indication.

Coach Lou Venditti's squad, prepping for an ambitious schedule which will open Sept. 18 at home against Youngstown South, fared well in two hour-long workouts with Massillon High's Tigers and Toledo Catholic Central Saturday at Massillon Stadium.

The Potters matched touchdowns in the morning drills with the Toledo club, 6-6, and gave the husky Massillon gridders a good battle in the sweltering afternoon heat, although being outscored 3-1.

Venditti commented that he was "very well pleased" with the showing of his team and said he thought the day was well spent in ironing out bugs in his offensive machine.

Against Toledo, the fleet Potter backfield of quarterback Bob Mackall, halfbacks Joe Thompson and Dave Zelch and fullbacks John Goodballet and Henry Roach averaged 6.1 yards per carry.

East Liverpool's touchdown came on a 16-yard pass from Mackall to Tim Archer, a junior end ticketed for varsity duty.

Toledo also scored its touchdown through the air after setting it up with wide end sweeps which uncovered a vulnerable spot in the Potter defense. However, Toledo got the six-pointer against Venditti's second defensive unit.

Massillon, with a big, strong line and plenty of depth for every position, rolled up two quick scores in the first 10 minutes of the afternoon action.

However, the Potters later settled down to serious business and the rest of the workout was played on fairly even terms.

Mackall scored for the Pottrs on a 45-yard dash up the middle in his flashing style exhibited in the latter part of the 1958 season.

It was on fourth down with a half-yard to go, with the Tigers in an eight-man line, that Mackall broke clear for the long run on a quarterback sneak.

The Potters were not as sharp in the afternoon workout as they were against Toledo, but the action was marked with improved performances by several key players, Venditti said.

Against Toledo, the Potter mentor singled out Mackall and Roach for their offensive chores in the backfield and cited husky Jim Bise, Charlie Davidson and sophomore center Jim Ferello for their outstanding line play. Archer also got a nod from Venditti for his performance at a terminal.

Against the Tigers — whom Venditti thinks will "finish darn close to the top in the Associated Press gridiron poll this year"—he named four linemen for doing a good job, including Skip Hall, Larry Crook, Craig Burbick and Mike Geon. Hall and Crook were particularly impressive in the afternoon, Venditti said.

Defensively, junior quarterback Ken Cunningham and Mackall turned in better than average performances, Venditti commented.

Zelch, bothered with an injury received in practice drills, was used for only a few plays at a time and "is developing into a hard, driving back, his coach pointed out.

While the workouts sent the Potters farther along the road in preparing for the season's opener, probably the most impressive reported from Venditti was that no one was injured.

In post-season scrimmages last year, two and sometimes three key men were sidelined for long periods with troublesome injuries. Venditti said he thought the welcome absence of injuries indicated the squad is fast getting into good physical shape for the opening game only 18 days away.

Dixie Walker Resigns Post

By The Associated Press

The Toronto Maple Leafs, apparently destined to be the 1959 International League cellar dwellers, begin the final week of the season under a new manager today.

Coach Lou Kahn took over Sunday night after Dixie Walker, who headed the Leafs since 1957, resigned following his team's doubleheader split with Montreal. The Leafs dropped the opener 4-3 and took the second game 1-0.

Buffalo reduced its magic number to two Sunday with an 11-1, 8-2 doubleheader sweep of Rochester, while Columbus edged into second place, a half game ahead of Havana, with a 2-0 victory over the Cubans. Any combination of two Buffalo victories or Columbus losses equalling two give the Bisons the IL title.

Richmond edged Miami 2-1 in 10 innings on Jim Pisoni's home run in the other IL game.

Walker's announcement caught everyone by surprise but he told reporters later, "I'm not leaving anyone in the lurch, the team has no place to go."

He won the IL title in 1957 and was second last year.

Joe Gibbon won his 15th game on a four-hitter over Havana. Columbus scored single runs in the second and fourth innings.

Detroit Grabs Third Place; Yankees Bow

By JOE REICHLER
Associated Press Sports Writer

Chicago's amazing "go-go" White Sox boasted their biggest lead of the season today — 5½ games — after having virtually shattered Cleveland's pennant hopes with a sweep of their vital four-game series.

Al Lopez' pennant-bound club humbled the Indians twice Sunday 6-3 and 9-4 to give a Cleveland crowd of 66,586 little to cheer about.

Detroit took undisputed possession of third place, one game ahead of New York, by shutting out Kansas City 4-0 while Washington was trimming the Yankees 3-1. Boston blanked Baltimore 3-0.

A couple of former Indians, Early Wynn and Al Smith, and a pair of veteran relief aces, Gerry Staley and Turk Lown, were the key men in the White Sox' double triumph over Cleveland.

Wynn was credited with the first game victory, his eighth in nine decisions against his former mates since being traded two seasons ago. His home run in the sixth ignited the winning five-run rally. Although relieved by Staley in the eighth, he tied Detroit's Frank Lary for the league's most victories with 17. It was the 39-year-old right-hander's 266th lifetime triumph, pushing him into a tie with Bob Feller and Eppa Rixey.

Barry Latman, 23-year-old right-hander, was credited with his eighth Chicago victory in the second game but it took a scoreless four-inning relief chore by Lown to cement the victory. Smith, who went along with Wynn in the trade with Chicago, drove in three runs for the White Sox with a home run and single. He also scored twice.

Don Mossi hurled a three-hit shutout for the Tigers and hit his first major league home run as he struck out eight Kansas City batters for his 12th victory. Bud Daley, in his third unsuccessful bid for his 16th victory, was charged with his ninth defeat.

Frank Sullivan pitched a four-hit shutout as Boston swept the three-game series with Baltimore. Gene Stephens homered for the Red Sox. Boston's two other runs came on passed balls by Gus Triandos. The Baltimore catcher, unable to cope with Hoyt Wilhelm's knuckleball, was charged with four passed balls, equalling a major league record.

Rookie outfielder Bob Allison smashed his 29th home run and Jim Lemon drove in Washington's other two runs with a single to give Russ Kemmerer his eighth victory. Kemmerer and Tex Clevenger combined to hold the Yankees to five hits including a ninth inning home run by Hector Lopez.

Dallas, Houston Are Going Ahead With Grid Plans

DALLAS, Tex. (AP)—Owners of the Dallas and Houston franchises in the new American Football League said today they were going right ahead with organization plans although the National Football League announced it might expand to take in the two cities.

But he said he was paying no further attention to it and that his league, which finishes organization in a meeting at Los Angeles Sept. 12-13, will open operations in 1960.

Dick Hickox, only 5-foot-6, led the University of Miami basketball team in scoring last season.

Firing Begins In Ohio Open

TOLEDO, Ohio (AP)—Defending champion Bob Shave Jr. of Cleveland will face six former titleholders in the annual Ohio Open Golf Tournament opening today at the Toledo Country Club.

The record field of 176 entries includes 70 amateurs.

Shave will be participating in his first tournament as a professional. He won the Ohio Open last year at Dayton as an amateur, but announced last week that he is turning professional.

The Country Club course has been baked by several days of temperatures in the 90s, prompting Marty Cromb, host professional to speculate that scores will be low. Par for the 6,137-yard course is 36-34—70.

Professionals will be shooting for prize money totaling about $3,500 in the three-day, 72-hole medal play tournament.

Eighteen holes are scheduled today and another 18 Tuesday, after which the field will be trimmed to the low 60 and ties. Two 18-hole rounds will wind up the tourney Wednesday.

Former champions entered are Frank Stranahan of Toledo, who won the Ohio Open in 1948; Eddie Griffiths of Youngstown, 1957 winner; Dick Shoemaker of Cleveland, 1953-54; Bill Burke, Cleveland, winner four times from 1933 to 1955; Herman Keiser of Akron, 1949 and 1951, and John Krisko of Ashland, 1946.

Cosmo Bowling League Will Open Wednesday

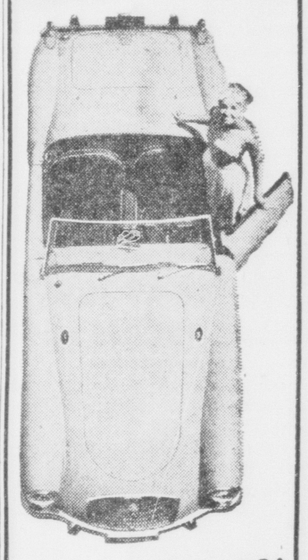

The Cosmo Women's Bowling League will begin its winter season activity Wednesday night at 7 at the Don-Bus Recreational club on Walnut St., Mrs. Corrine Richard, president, announced.

Practice Set Tonight, Tuesday For Bowlers

Organization and practice of the Big 8 Bowling League is scheduled tonight at 9 in the Don-Bus Recreational Club. The City Ten Pin League will practice and organize for the season Tuesday night at 9. Openings are available for bowlers interested in joining the Big 8 mixed league and the men's Ten-Pin League, it was announced.

Pirates Win Two, Now Trail Giants By Only Four Games

Face Scores 17th Victory In Second Tilt

By JOE REICHLER
Associated Press Sports Writer

A little bit o' luck and a lot of base hits have helped Elroy Face run up an amazing winning streak that now has reached 17 triumphs for 1959 and 22 without a defeat since May 31, 1958.

Face posted No. 17 Sunday as the Pittsburgh Pirates came from behind to defeat Philadelphia 7-6 after winning the opener of the doubleheader 2-1. The twin triumph boosted the fourth place Bucs to within four games of the front-running San Francisco Giants. Face needs two more victories to equal Rube Marquard's record of 19 in one season and Carl Hubbel's mark of 24 consecutive wins in two.

Los Angeles' second place Dodgers climbed to within two games of San Francisco, also coming from behind to nip the Giants 7-6. Chicago's Cubs kept their place Milwaukee three games off the pace, defeating the Braves 3-2. Cincinnati topped St. Louis 6-4.

Face was saved from his first defeat when the Pirates tallied twice in the bottom of the 10th after Ed Bouchee's homer off Elroy had given the Phils a temporary 6-5 lead.

Dick Stuart, who had hit a ninth inning home run as a pinch hitter, broke up the game with a two-run double. It followed a single by Don Hoak and a walk to Billy Virdon.

Bob Skinner's ninth inning single drove in the winning run in the opener and gave Harvey Haddix his 11th victory. The second game victory was Pittsburgh's 18th in 20 extra inning games.

An error by Willie McCovey, rookie Giant first baseman, allowed the Dodgers to score the winning run in the bottom of the ninth. There were two out, bases full and 3-2 on Norm Larker. The batter hit the next pitch on the ground inside first base. McCovey bobbled it and Wally Moon trotted in from first with the winning run. Moon's triple a few minutes earlier scored Charlie Neal with the tying run. Neal had reached base on Jackie Brandt's error.

The Cubs tallied five times against Carl Willey in the eighth to overcome a 2-1 Milwaukee lead. Singles by Dale Long, Tony Taylor, Irv Noren, Al Dark and Sammy Taylor and a double by Jim Marshall, accounted for the runs that gave Glen Hobbie his 13th triumph.

The Reds snapped a 4-4 tie with two unearned runs in the eighth for their victory over St. Louis.

Plum Again Due To Start As Browns' Quarterback

SAN FRANCISCO (AP)—Milt Plum apparently will be the regular quarterback for the Cleveland Browns again this season.

Coach Paul Brown indicated in a talk with reporters following Sunday's 17-14 exhibition loss to the San Francisco 49ers that the quarterback experimenting was over.

"We seem to work better with Milt Plum in at quarterback," he said. "The second half today was as good as we have played this season."

The Browns previously lost exhibition games to Pittsburgh and Detroit.

Jim Ninowski, strong-armed former Michigan State star, was the signal caller during the first two quarters against the 49ers, but the Cleveland offense could not get rolling except for a 70-yard touchdown burst by fullback Jim Brown in the first quarter.

Plum, the Browns' regular passer last year, took over in the second half and piloted the team 73 yards in nine plays for a last quarter touchdown. Earlier in the period he led a drive to the San Francisco 14-yard-line.

Brown blasted over his own left tackle for two yards and the second Cleveland touchdown. Lou Groza added the points after both touchdowns.

The 49ers scored both their touchdowns in the first quarter in winning their second game in three pre-season starts. Quarterback Y.A. Tittle threw a 48-yard scoring pass to Hugh McElhenny the first time the 49ers had the ball.

After Brown's long dash had evened the score, Tittle hit Billy Wilson with a seven-yard pass for another TD. Tommy Davis, rookie from Louisiana State, kicked the two points after touchdown for the 49ers and added a 23-yard field goal for the winning points in the last quarter.

Plum completed five of 11 passes for 86 yards. His longest went 34 yards to Billy Howton in the drive that stalled on the 49ers' 14.

Tittle hit his target on 19 of 34 passes for 180 yards. All of his completions came in the first half.

Cox Continues Tourney Fight

The weary Cox Construction nine will continue its battle tonight in Canton for the American Baseball Congress tournament championship after a defeat and a tie Sunday.

Manager Bob Campbell's Construction club was bounced by Warren, 9-6, in Sunday's first game and then proceeded to battle Barberton to a 1-1 tie in the second game, called because of rain in the ninth inning.

The East Liverpool club will meet Barberton again tonight at 6:30 at Cook Park in Canton in a replay of Sunday's tie game.

Winner of the Cox - Barberton game will meet undefeated Warren tonight at 9. Cox Construction must whip Barberton to remain eligible for the crown.

Manager Campbell called on righthander Jim Dickey to face Warren Sunday, but the fast-baller ran into trouble and was yanked in the eighth inning in favor of veteran Dick Chamberlain.

Dickey, who left the action with Warren ahead by 8-2, was charged with the defeat.

Cox Construction finished with six runs on 10 hits, while the winning Warren club plated nine runs on 13 hits. Rightfielder Jack Byers, Jack Call and Ed Peters each stroked two hits to pace the offensive attack. Stan Franczek and Byers each scored a pair of runs.

Rain may have prevented Cox Construction from whipping Barberton in the second game as it was called in the bottom half of the ninth inning with the locals having a man on base and no one out.

Butch Wilson, second baseman for Campbell's outfit, blasted two hits in the second game. Cox Construction plated its run on four hits, while Barberton also earned a tie game on four hits.

MacKay, Fraser In Clash For Cup

By ED CORRIGAN
Associated Press Sports Writer

FOREST HILLS, N.Y. (AP) — America's Barry MacKay tackles left-handed Australian Neale Fraser today in a continuation of their final singles battle to decide where the Davis Cup will reside for the next year.

Darkness halted their match Sunday after two sets. Fraser had won the first, 8-6 and MacKay the second, 6-3.

Alex Olmedo had put the United States back in the running for the cup with a 9-7, 4-6, 10-8, 12-10 victory in the opening singles match.

"The delay doesn't mean a thing to me," said MacKay.

"Couldn't mean less," observed Fraser.

"We'll win it," chirped U.S. Captain Perry Jones, 71, an incurable optimist.

"I don't think it will make any difference to either of the boys," he said. "But I'll tell you one thing —MacKay won't be missing those high volleys today."

Australian Captain Harry Hopman is certain Fraser will win.

"Neale can't possibly serve any worse than he did in those first two sets against Barry. If he improves, as I know he will, then he'll win the match."

As for Olmedo, he was both good and bad. Young Rod Laver, a red-haired lefty, had Alex on the ropes time and time again but permitted him to wiggle off. Laver had two set points in the first set, five more before he was able to win the second set, three in the third and one in the fourth.

"With another year of experience, Rod would have won the match," mused Hopman. "But Alex got the points when he needed them and that's what an experienced player will do. Still, he wasn't at his best."

WESTBURY, N.Y. (AP)—Steamin' Demon won the $15,000 Diamond Purse at Roosevelt Raceway here Saturday, topping six other free-for-all trotters. Time for the mile over a slow track was 2:054-5. The winner clipped Jean Laird by three-quarters of a length.

The trotter, owned by George Van Camp, Circleville, Ohio, returned $16.60.

Steelers Take 54-17 Beating

By MIKE RATHET
Associated Press Sports Writer

The Chicago Bears have an explosive three-pronged air attack built around the B-Boys waiting for Johnny Unitas and the National Football League champion Baltimore Colts.

Favored to retain their title with the aerial accuracy of Unitas paving an easy path, the Colts will be hard pressed by the Bears' quarterbacking trio of Ed Brown, Rudy Bukich and Zeke Bratkowski.

The Bears, runners-up to the Colts in the Western Division last year, romped to their third consecutive exhibition victory over the weekend, overwhelming the Pittsburgh Steelers 54-17.

Bratkowski, who had tossed touchdown passes in the first two wins, sat out most of the game to further look at Bukich and Brown.

Brown connected on TD strikes of 42 and 38 yards to Willard Dewveall and Bill McColl and scored once himself. Bukich threw a seven-yarder to Dewveall for one and plunged for another.

In the other games during the weekend, San Francisco handed Cleveland its third straight setback 17-14; New York mauled Detroit 38-0; Green Bay defeated Philadelphia 45-28, and Los Angeles knocked off Chicago's Cardinals 34-21.

Interceptions by tackles Fred Williams and Joe Robb keyed the Bears to a three-TD first-quarter lead which they never relinquished. Williams went 77 yards for a score with a Bobby Layne pitch and Robb rambled 24 yards to the Steeler 7 with another.

Y. A. Tittle passed 48 yards to Hugh McElhenny and eight yards to Billy Wilson for first-quarter scores, but the 49ers margin of victory was a 23-yard fourth-period field goal by rookie Tom Davis. Jimmy Brown scored both Cleveland touchdowns on runs of 7 and two yards.

The Giants won it early as Alex Webster cracked over from two yards out in the first quarter for all the margin New York needed. The veteran Charley Conerly fired the Giants in the second half with scoring aerials of 25 and 31 yards to Frank Gifford.

The Packers won their second in three games with an alert defense led by rookie Bob Freeman of Auburn. Freeman intercepted three passes, setting up one score and counting a touchdown with a 3-yard runback. Norm Van Brocklin kept the Eagles in the game, passing for 378 yards and three touchdowns.

Rams' quarterbacks Billy Wade and Frank Ryan directed Los Angeles to touchdowns in every quarter for their first victory in three games. The Cards couldn't keep pace as they lost their first after three wins.

Pirates Win Two, Now Trail Giants By Only Four Games

Face Scores 17th Victory In Second Tilt

By JOE REICHLER
Associated Press Sports Writer

A little bit o' luck and a lot of base hits have helped Elroy Face run up an amazing winning streak that now has reached 17 triumphs for 1959 and 22 without a defeat since May 31, 1958.

Face posted No. 17 Sunday as the Pittsburgh Pirates came from behind to defeat Philadelphia 7-6 after winning the opener of the doubleheader 2-1. The twin triumph boosted the fourth place Bucs to within four games of the front-running San Francisco Giants. Face needs two more victories to equal Rube Marquard's record of 19 in one season and Carl Hubbel's mark of 24 consecutive wins in two.

Los Angeles' second place Dodgers climbed to within two games of San Francisco, also coming from behind to nip the Giants 7-6. Chicago's Cubs kept their place Milwaukee three games off the pace, defeating the Braves 3-2. Cincinnati topped St. Louis 6-4.

Face was saved from his first defeat when the Pirates tallied twice in the bottom of the 10th after Ed Bouchee's homer off Elroy had given the Phils a temporary 6-5 lead.

Dick Stuart, who had hit a ninth inning home run as a pinch hitter, broke up the game with a two-run double. It followed a single by Don Hoak and a walk to Billy Virdon.

Bob Skinner's ninth inning single drove in the winning run in the opener and gave Harvey Haddix his 11th victory. The second game victory was Pittsburgh's 18th in 20 extra inning games.

An error by Willie McCovey, rookie Giant first baseman, allowed the Dodgers to score the winning run in the bottom of the ninth. There were two out, bases full and 3-2 on Norm Larker. The batter hit the next pitch on the ground inside first base. McCovey bobbled it and Wally Moon trotted in from first with the winning run. Moon's triple a few minutes earlier scored Charlie Neal with the tying run. Neal had reached base on Jackie Brandt's error.

The Cubs tallied five times against Carl Willey in the eighth to overcome a 2-1 Milwaukee lead. Singles by Dale Long, Tony Taylor, Irv Noren, Al Dark and Sammy Taylor and a double by Jim Marshall, accounted for the runs that gave Glen Hobbie his 13th triumph.

The Reds snapped a 4-4 tie with two unearned runs in the eighth for their victory over St. Louis.

Y. A. Tittle passed 48 yards to Hugh McElhenny and eight yards to Billy Wilson for first-quarter scores, but the 49ers margin of victory was a 23-yard fourth-period field goal by rookie Tom Davis. Jimmy Brown scored both Cleveland touchdowns on runs of 7 and two yards.

The Giants won it early as Alex Webster cracked over from two yards out in the first quarter for all the margin New York needed. The veteran Charley Conerly fired the Giants in the second half with scoring aerials of 25 and 31 yards to Frank Gifford.

The Packers won their second in three games with an alert defense led by rookie Bob Freeman of Auburn. Freeman intercepted three passes, setting up one score and counting a touchdown with a 3-yard runback. Norm Van Brocklin kept the Eagles in the game, passing for 378 yards and three touchdowns.

Rams' quarterbacks Billy Wade and Frank Ryan directed Los Angeles to touchdowns in every quarter for their first victory in three games. The Cards couldn't keep pace as they lost their first after three wins.

Student

throwing his clothes and identification papers into the nearby Huron River.

"Nobody ever goes up there (the eaves) because there is no reason to go there," he told police and university officials in the Washtenaw County jail.

He said he skipped rope for exercise and ate only one meal a day.

"Once I went three days without food. You get used to hunger."

To help while away the time he read books and magazines he took from the church library.

The former student was ordered held in the jail pending an Immigration Service investigation concerning his expired student's visa.

Walter B. Rea, university dean of men, said he may be allowed to re-enter the university if he can clear himself with immigration officials and meet school entrance requirements.

A university spokesman said Chheng actually had not flunked out, but that his average grades in engineering were not sufficiently high to permit his transfer to the literary college, which he had requested.

Chheng entered Albion College on his student visa. He transferred to the University of Michigan to take engineering. Part of his educational expenses were paid by the Methodist Church and by the church's Wesley Foundation.

"I didn't live up to what they expected of me," the 5-foot-7 student said, "I think this is the worst thing a man can do. It makes him kind of a fraud.

"I'm glad it's over now. I hoped it would happen from the start. I didn't have the courage to do it myself."

University officials said the student probably disappeared on the weekend of Oct. 8-9 in 1955.

Chheng's hiding place was in the rafters above the church ceiling, near where the roof and the walls meet. His bed was an old pew cushion, over which he had rigged a paper tent "to keep out the dust" in the unused loft.

An extension cord provided light for his pillow and gave him power for his radio. To ward off winter cold he had two blankets and some old clothing taken from an accumulation in a church clothing drive. He also had a little paper fan for the stifling heat of August.

Sayre Family Reunion Draws 116 At City Park

Some 116 attended the 23rd annual reunion of the Sayre family Sunday at Thompson Park, with prizes awarded to several.

Prizes went to Amanda Corell, 81, of Alliance, oldest woman; S. J. Sayre, 73, of Chester, oldest man; the 8-week-old son of Mr. and Mrs. John Cindric of near Pittsburgh, the youngest; and Herman Sayre Jr. of Chester, stationed in the Air Force at Columbus, who came the farthest. There were 75 descendants of the Homer Sayre family present.

Officers re - elected for next year's reunion include S. J. Sayre, president, Chester Sayre of East Liverpool, vice president, and Herman Sayre Sr. of Chester, secretary and treasurer.

The next reunion will be held the fourth Sunday in August 1960 at Thompson Park.

Breaking Point?

HAVANA (AP)—Haiti's ambassador to Cuba arrived home Sunday, heightening speculation that relations between the two Caribbean neighbors are at the breaking point.

Casualties Aided In CD Unit's Alert

Twenty-five "casualties" were rescued and given hospital treatment in a practice alert held Sunday afternoon at Glenmoor by the 31st Mobile Support Group of Civil Defense. The 5th Platoon of Glenmoor was host for the alert.

The alert siren sounded at 2 p. m. and one hour and fifteen minutes later all casualties had been rescued, given emergency treatment where found and transported to the hospital. Some 125 members of CD units from three counties with nine pieces of equipment participated.

The three photos tell the story. In the top picture, members of a rescue team prepare to remove obstacles such as wrecked cars and trees from the path of the first aid teams and trucks. In the center, first aid is given to two victims while at the bottom the victims are placed in a truck for transportation to a field hospital.

The alert was held on the properties of Clarence Blosser and Ralph Talbott, both of Annesley Rd. Members of Boy Scout Troop 43 of Pleasant Heights School and Troop 7 of St. Aloysius School acted as the casualties. They were "tagged" for simulated injuries.

Headquarters and the hospital for the alert were set up at the Glenmoor ball field. The hospital tent was furnished by the Glenmoor volunteer fire department.

Rolland Leach of Leetonia, group commander, was a guest. The alert was directed and supervised by Kenneth Long, 5th Platoon leader, and Joseph Arcuragi, assistant. Herman Heiney was in charge of all fire equipment and William Lockhart headed the rescue work. Mrs. Bernice Nielson and Mrs. Dorothy Lockhart headed the mass feeding team. Charles Burke and Harold Malone were in charge of communications.

Participating were the Glenmoor rescue, fire, and fire training trucks and the mass feeding team, Salineville rescue and police teams, Carrollton rescue, police and first aid teams, Lisbon police and fire teams, the communication truck stationed at Dixonville and the fire and first aid team from Roswell, near New Philadelphia.

Goals Being Topped, Khrushchev Reports

MOSCOW (AP)—Premier Nikita Khrushchev says production goals set in the Soviet Union's new seven-year plan have been exceeded in the first seven months of 1959.

Khrushchev told a crowd in the village of Veshenskaya, near Rostov, that industrial production program has been fulfilled 105 per cent.

Hancock ASC Center Reduces Office Hours

NEW CUMBERLAND—Because of an apparent tight budget, the Department of Agriculture has ordered the Hancock County Agricultural, Stabilization and Conservation office here to be open only in the forenoon in the future.

Mrs. Norma Murray, office manager, said the ASC office now will be open only from 8 a. m. to 12 noon instead of a full day, as in the past.

Three other counties in West Virginia are affected by the order, including Brooke, Pleasant and Clay, she said.

Mrs. Murray requested county farmers interested in the 1960 conservation and reserve program to sign for the program by the Sept. 10 deadline.

2 Pennsylvanians Held In Probe Of Auto Theft

NEW CUMBERLAND — Donald Lewis Henry, 27, of Meadeville, Pa., and John R. Cross, 27, of Warren are being held in Hancock County Jail today on suspicion of auto theft.

The two were arrested Saturday morning in Weirton following an auto crash. Weirton police said they will be questioned in connection with the $38,000 bank robbery in Yorkville Aug. 22.

Police said Cross admitted theft of an auto several weeks ago in Indiana.

Clarkson Church Buys Old School Structure

Remodeling and repairs to the former Clarkson School are to be undertaken by the Clarkson Presbyterian Church, which has purchased the frame building and the 2½-acre lot for $595.

The 100-year-old structure, closed in 1958 when students were re-assigned to the new Public School near Williamsport, will be used for Sunday School classes and meetings of church groups.

Real Gone Cat

TALOGA, Okla. (AP) — The Christian Church has booted a cat from its ranks. The stray cat was allowed to reside at the church until it became too enthusiastic and broke up a recent Sunday service by leaping onto the pulpit.

Local Slates Vote On Contract Offer

COLUMBIANA — A vote on the question of accepting a company offer of a day-to-day extension of the contract and a clause requiring 10-day notice by either side before breaking off negotiations will be taken today by members of the United Brick and Clay Workers Local 523 at the Kaiser Aluminum & Chemical Corp. plant.

The union-company contract expires at midnight tonight.

The vote will be taken at two meetings, at 1:30 and at 4:30, local president H. Howard Stouffer explained today, adding he feels the union's members may accept the company proposal. He said this was the policy taken by other locals in the union whose contracts expired this year.

D. C. Thompson, assistant to the plant manager, said it is difficult to give an exact count of the number of employes involved because of lay-offs. "It is more than a 100," he said.

To Reduce Necking

Love is getting put back a pace or two in this tiny east Alabama town. City officials said they plan to renovate telephone booths — lighting — to reduce necking in the booths.

Student

throwing his clothes and identification papers into the nearby Huron River.

"Nobody ever goes up there (the eaves) because there is no reason to go there," he told police and university officials in the Washtenaw County jail.

He said he skipped rope for exercise and ate only one meal a day.

"Once I went three days without food. You get used to hunger."

To help while away the time he read books and magazines he took from the church library.

The former student was ordered held in the jail pending an Immigration Service investigation concerning his expired student's visa.

Walter B. Rea, university dean of men, said he may be allowed to re-enter the university if he can clear himself with immigration officials and meet school entrance requirements.

A university spokesman said Chheng actually had not flunked out, but that his average grades in engineering were not sufficiently high to permit his transfer to the literary college, which he had requested.

Chheng entered Albion College on his student visa. He transferred to the University of Michigan to take engineering. Part of his educational expenses were paid by the Methodist Church and by the church's Wesley Foundation.

"I didn't live up to what they expected of me," the 5-foot-7 student said, "I think this is the worst thing a man can do. It makes him kind of a fraud.

"I'm glad it's over now. I hoped it would happen from the start. I didn't have the courage to do it myself."

University officials said the student probably disappeared on the weekend of Oct. 8-9 in 1955.

Chheng's hiding place was in the rafters above the church ceiling, near where the roof and the walls meet. His bed was an old pew cushion, over which he had rigged a paper tent "to keep out the dust" in the unused loft.

An extension cord provided light for his pillow and gave him power for his radio. To ward off winter cold he had two blankets and some old clothing taken from an accumulation in a church clothing drive. He also had a little paper fan for the stifling heat of August.

Sayre Family Reunion Draws 116 At City Park

Some 116 attended the 23rd annual reunion of the Sayre family Sunday at Thompson Park, with prizes awarded to several.

Prizes went to Amanda Corell, 81, of Alliance, oldest woman; S. J. Sayre, 73, of Chester, oldest man; the 8-week-old son of Mr. and Mrs. John Cindric of near Pittsburgh, the youngest; and Herman Sayre Jr. of Chester, stationed in the Air Force at Columbus, who came the farthest. There were 75 descendants of the Homer Sayre family present.

Officers re - elected for next year's reunion include S. J. Sayre, president, Chester Sayre of East Liverpool, vice president, and Herman Sayre Sr. of Chester, secretary and treasurer.

The next reunion will be held the fourth Sunday in August 1960 at Thompson Park.

Breaking Point?

HAVANA (AP)—Haiti's ambassador to Cuba arrived home Sunday, heightening speculation that relations between the two Caribbean neighbors are at the breaking point.

The Canada goose is easily identified. With a wing spread of about six feet, it has a black head, white cheeks and long black neck.

Casualties Aided In CD Unit's Alert

Twenty-five "casualties" were rescued and given hospital treatment in a practice alert held Sunday afternoon at Glenmoor by the 31st Mobile Support Group of Civil Defense. The 5th Platoon of Glenmoor was host for the alert.

The alert siren sounded at 2 p. m. and one hour and fifteen minutes later all casualties had been rescued, given emergency treatment where found and transported to the hospital. Some 125 members of CD units from three counties with nine pieces of equipment participated.

The three photos tell the story. In the top picture, members of a rescue team prepare to remove obstacles such as wrecked cars and trees from the path of the first aid teams and trucks. In the center, first aid is given to two victims while at the bottom the victims are placed in a truck for transportation to a field hospital.

The alert was held on the properties of Clarence Blosser and Ralph Talbott, both of Annesley Rd. Members of Boy Scout Troop 43 of Pleasant Heights School and Troop 7 of St. Aloysius School acted as the casualties. They were "tagged" for simulated injuries.

Headquarters and the hospital for the alert were set up at the Glenmoor ball field. The hospital tent was furnished by the Glenmoor volunteer fire department.

Rolland Leach of Leetonia, group commander, was a guest. The alert was directed and supervised by Kenneth Long, 5th Platoon leader, and Joseph Arcuragi, assistant. Herman Heiney was in charge of all fire equipment and William Lockhart headed the rescue work. Mrs. Bernice Nielson and Mrs. Dorothy Lockhart headed the mass feeding team. Charles Burke and Harold Malone were in charge of communications.

Participating were the Glenmoor rescue, fire, and fire training trucks and the mass feeding team, Salineville rescue and police teams, Carrollton rescue, police and first aid teams, Lisbon police and fire teams, the communication truck stationed at Dixonville and the fire and first aid team from Roswell, near New Philadelphia.

Goals Being Topped, Khrushchev Reports

MOSCOW (AP)—Premier Nikita Khrushchev says production goals set in the Soviet Union's new seven-year plan have been exceeded in the first seven months of 1959.

Khrushchev told a crowd in the village of Veshenskaya, near Rostov, that industrial production program has been fulfilled 105 per cent.

Hancock ASC Center Reduces Office Hours

NEW CUMBERLAND—Because of an apparent tight budget, the Department of Agriculture has ordered the Hancock County Agricultural, Stabilization and Conservation office here to be open only in the forenoon in the future.

Mrs. Norma Murray, office manager, said the ASC office now will be open only from 8 a. m. to 12 noon instead of a full day, as in the past.

Three other counties in West Virginia are affected by the order, including Brooke, Pleasant and Clay, she said.

Mrs. Murray requested county farmers interested in the 1960 conservation and reserve program to sign for the program by the Sept. 10 deadline.

2 Pennsylvanians Held In Probe Of Auto Theft

NEW CUMBERLAND — Donald Lewis Henry, 27, of Meadeville, Pa., and John R. Cross, 27, of Warren are being held in Hancock County Jail today on suspicion of auto theft.

The two were arrested Saturday morning in Weirton following an auto crash. Weirton police said they will be questioned in connection with the $38,000 bank robbery in Yorkville Aug. 22.

Police said Cross admitted theft of an auto several weeks ago in Indiana.

Clarkson Church Buys Old School Structure

Remodeling and repairs to the former Clarkson School are to be undertaken by the Clarkson Presbyterian Church, which has purchased the frame building and the 2½-acre lot for $595.

The 100-year-old structure, closed in 1958 when students were re-assigned to the new Public School near Williamsport, will be used for Sunday School classes and meetings of church groups.

Real Gone Cat

TALOGA, Okla. (AP) — The Christian Church has booted a cat from its ranks. The stray cat was allowed to reside at the church until it became too enthusiastic and broke up a recent Sunday service by leaping onto the pulpit.

Local Slates Vote On Contract Offer

COLUMBIANA — A vote on the question of accepting a company offer of a day-to-day extension of the contract and a clause requiring 10-day notice by either side before breaking off negotiations will be taken today by members of the United Brick and Clay Workers Local 523 at the Kaiser Aluminum & Chemical Corp. plant.

The union-company contract expires at midnight tonight.

The vote will be taken at two meetings, at 1:30 and at 4:30, local president H. Howard Stouffer explained today, adding he feels the union's members may accept the company proposal. He said this was the policy taken by other locals in the union whose contracts expired this year.

D. C. Thompson, assistant to the plant manager, said it is difficult to give an exact count of the number of employes involved because of lay-offs. "It is more than a 100," he said.

To Reduce Necking

Love is getting put back a pace or two in this tiny east Alabama town. City officials said they plan to renovate telephone booths — lighting — to reduce necking in the booths.

Roy Rogers Packs Them In

Fair's Crowds Run Ahead Of 1958

COLUMBUS, Ohio (AP) — The unofficial paid attendance at this year's Ohio State Fair is running above that of last year, but is down considerably from the record attendance of 1956.

However, one factor must be taken into consideration.

The fair this year inaugurated a new policy of allowing onto the grounds free all persons who bought reserved seats to an evening grandstand show. They must be at the gate within 30 minutes of showtime.

This policy has undoubtedly cut down some paid attendance.

For the first three days of the eight - day exposition, unofficial paid attendance has been 129,135. Last year for that period it was 118,887, while in record-breaking 1956 it stood at 182,655.

Paid attendance, however, is not at all indicative of the number of fairgoers. Children under 12, accompanied by parents, are allowed in free. As a result, total attendance for the three days is estimated by the fair's public relations people at around 307,000. That's about 60,000 less than in 1956.

A rainstorm here Sunday apparently didn't put too much of a damper on attendance. But the 100,000-or-so fairgoers scrambled for shelter under tents and in buildings to avoid the downpour.

In the grandstand, the Roy Rogers cowboy show played to a full house again, with the first three days' ticket sales netting more than $50,000. Of this, Rogers gets $25,000 and the fair the rest. The figures include only sales through Sunday's matinee performance.

Sunday night's revenue, plus that of the two Rogers shows today, will be divided 70-30, with the cowboy from Duck Run, Ohio, getting the lion's share.

Livestock events on tap today include the Ohio Ayrshire Dairy Cattle Futurity, the All-American Brown Swiss Futurity and the Commercial Cattle Auction.

Today is designated Crippled Children's Day at the fair, and some 1,000 such children will be guests of the management. They will be entertained by Rogers at a special show in the morning.

After Rogers winds up his fair appearances tonight, the grandstand show will feature a fireworks spectacular depicting Bible stories. That will run from Tuesday through Friday.

Livestock judging late Saturday included the Fat Lambs Show in which Adam J. Leighty and son of Upepr Sandusky exhibited the grand champion wether, the grand and reserve champion pens of three and the champion pen of ten. The Leighty entries brought top prices at the auction block.

The average price paid for all 550 head entered in the show was $24.98 a hundredweight, with the average weight per animal at 87 pounds.

Queen-of-show honors in the annual rose competition went to Harold H. Allen of Chillicothe who displayed a Peace rose.

Donivee Hunter, 17, of Rt. 1, Lancaster, was chosen by the Ohio Future Farmers of America to rule as FFA Fair Queen. She competed against 141 other girls. Her court consists of Marianne Root, 15, of Fremont; Connie Hyde, 16, of Sullivan (Ashland County), and Jeanie Bryan, 17, of Celina.

Jack Tarbill of Rt. 1, New Holland (Pickaway and Fayette counties), won the 4-H Club tractor operators contest against 45 competitors. Second was Richard Jeffers, R. 2, Albany (Athens County), and third was Allen Collett, Rt. 5, Wilmington.

The Future Homemakers of America awarded one of three trophies to its Ross Chapter in Butler County for an outstanding exhibit.

Jon Jewell, 19, of Centerburg (Knox County) took top honors in the Junior Fair Wool Show.

Man Dashes For Help While Snake Hangs On

OWASSO, Okla. (AP) — A 27-year-old farm laborer ran a quarter of a mile Sunday with a water moccasin biting into his leg.

Jesse Crippen said the poisonous snake struck him while he was fishing at a farm pond. Unable to get it loose, he ran to the home of relatives who pulled it off.

He was reported in good condition at a Tulsa Hospital.

Enrollments To Rise

WASHINGTON (AP) — For the 15th straight year, school and college enrollments will go up this fall—to a record 46,480,000 students, the Office of Education reported over the weekend.
